The Company

Mary's Wellness is based in Ontario, Canada and was founded by Virginia Vidal in 2016. She was inspired to start the line of infused hot beverages to help manage her pain after the birth of her triplets in 2007. Cannabis, if consumed by smoking is considered to be extremely harmful to the body. The active ingredients present in medical forms of marijuana can be infused into different types of liquids making drinks that can be used more regularly and whereby the medical constituents delivered through hot drinks reduce the psychoactive affects.

Mary's current product line is 100% clean and organic, focused on medicinal cannabis and has a total of 18 varieties of convenient on-the-go brews with 12 packets in each box containing 60mg THC and 6mg CBD per serving. Flavours available are sleep & relax, bella coola, chamomile, chai, orange pekoe, lemon, peppermint, earl grey, plain green tea, green tea with ginger or ginseng, echinacea, berry berry, apple cider, hot chocolate, english toffee cappuccino, french vanilla cappuccino and coffee/java.
