

Redfund Capital and Wahupta Ventures Agree to Financing

Vancouver, British Columbia, February 21, 2019 – Redfund Capital Corp (CSE: LOAN) (Frankfurt: O3X4) (OTC: PNNRF) (“Redfund” or the “Company”) expands their current advisory agreement with Wahupta Ventures Inc. to include new financing.

Redfund Capital agrees to invest up to \$1,000,000 into Wahupta Ventures Inc. and the proceeds to be used to help build their extensive and growing Canadian hemp footprint.

Wahupta Ventures Inc. is headquartered in Canada and the US, with offices located in Winnipeg Manitoba, Vancouver, British Columbia, and Orange County, California. Wahupta is focused on the cultivation, production, processing, and extraction of hemp and cannibidiol (CBD), while simultaneously creating key collaboration with sovereign Indigenous communities throughout North America. It is Wahupta’s core value to work with its partners to develop emerging opportunities that do not currently exist in communities. They have established strategic joint ventures, partnerships, and made acquisitions, which positions Wahupta to be a hemp industry leader from farm to table with CBD and hemp products. Their partnership with Canadian based hemp food manufacturer Naturally Splendid Enterprises gives them access to the extensive North American supply chain with numerous points of distribution.

“We believe strongly in the team and their vision at Wahupta, and are eager as well to work with their partner Naturally Splendid in developing client and proprietary hemp products. We look forward to helping Wahupta to the next level of their strategic plan with additional capital,” said Meris Kott, CEO.

About Redfund Capital

Redfund intends to provide debt and equity funding in the mid-to-late stages of a target company’s development, or in technologies that are developed and validated by revenues. The present focus of the merchant bank is on medical cannabis, hemp and CBD-related, healthcare-related target companies.
