

## **GWS Provides Bi-Weekly MCTO Status Update**

**Vancouver March 15, 2023 – Global Wellness Strategies Inc. (CSE: GWS) (Frankfurt: 03X4) (OTCQB: GWSFF) (“Global Wellness” or the “Company”)** is providing a bi-weekly default status update in accordance with National Policy 12-203 – Management Cease Trade Orders (“NP 12-203”)

In a press release dated February 1, 2023, the Company announced (the “Default Announcement”) that it submitted an application to the British Columbia Securities Commission (the “BCSC”), the Company’s principal regulator, for a management cease trade order (“MCTO”) in connection with the Company’s delay in filing its audited annual financial statements for the year ended September 30, 2022, and the management’s discussion and analysis and related CEO and CFO certificates for the period (collectively, the “Required Documents”) which were required to be filed on or before January 30, 2023..

The MCTO was issued by the BCSC on February 1, 2023. It prevents the Company’s President and Chief Financial Officer from trading in the Company’s securities but does not affect the ability of other shareholders, including the public, to trade in the securities of the Company.

The MCTO remains in effect until the Company files the Required Documents and the BCSC’s Executive Director has revoked the MCTO. The Company anticipates that it will file the Required Documents in a short time. The Company confirms that since the date of the Default Announcement, other than as described above: (a) there has been no material change to the information set out in the Default Announcement that has not been generally disclosed; (b) there has been no failure by the Company in fulfilling its stated intentions with respect to satisfying the provisions of the alternative information guidelines set out in NP 12-203; (c) there has not been, nor is there anticipated to be, any specified default subsequent to the default which is the subject of the Default Announcement; and (d) there is no other material information concerning the affairs of the Company that has not been generally disclosed.

The Company confirms that it will continue to satisfy the provisions of the alternative information guidelines under NP 12-203 by issuing bi-weekly default status reports in the form of news releases for so long as it remains delayed in filing the Required Documents.
