No action will be required by existing shareholders with respect to the name change. Certificates representing common shares of the Company will not be affected by the name change and will not need to be exchanged. The Company encourages any shareholder with any questions or concerns to contact the Company or to discuss any of the foregoing with their broker or agent.

Ms. Meris Kott CEO comments: " We noticed many companies currently are using the terms “Global Wellness” to represent general lifestyle brands, and while we support their consumer products we needed to differentiate ourselves. We are providing high growth companies with financial, operational, and management assistance in the fast-growing market for wellness consumer goods. We help our clients create sustainable products that elevate our personal health and well-being. We are an advisor focused on helping develop strategies to launch new molecular compounds through clinical trials and studies. We will continue to promote companies focused in cannabis, hemp, and psychedelics.”
