

TJR Coatings Inc. Completes RTO with 2618249 Ontario Corp. (DBA "DigiCrypts")

Toronto, Ontario--(Newsfile Corp. - March 29, 2018) - TJR Coatings Inc. ("TJR") is pleased to announce the completion of the reverse takeover ("RTO") by 2618249 Ontario Corp. (DBA "DigiCrypts") as previously announced and described by TJR in a press release dated February 9, 2018.

Pursuant to the RTO, TJR issued 193,600,000 common shares at a deemed price of \$0.025 per common share in exchange for all of the issued and outstanding shares of DigiCrypts. TJR also issued 21,300,000 share purchase warrants under the same terms and conditions of the warrants issued by DigiCrypts. Each warrant being exercisable into one (1) TJR common share at an exercise price of \$0.05 per share and expiring on the earlier of (i) the date that is two (2) years from the date of such warrant's issuance, or (ii) 30 days following the date that a notice is delivered from TJR to the holder of the warrant that the TJR shares have traded on a stock exchange for 10 consecutive days at a closing price in excess of \$0.10. DigiCrypts completed a non-brokered financing of \$1,065,000 prior to closing.

As a result of the RTO, TJR has 215,963,636 common shares and 21,300,000 warrants outstanding. The resulting issuer repaid \$100,000 out of \$366,885 in shareholder loans due to Mr. Robert Salna in full and final settlement of such loans.

Effective on the closing, Ms. Inga Gretcheva and Mr. Robert Salna resigned as directors of TJR and were replaced by Messrs. David Posner, David Bhungara and Yoni Asharov. Mr. Edward Murphy resigned as Chief Executive Officer and Chief Financial Officer. He will remain on the Board of Directors. Mr. Chris Carl was appointed as President, Grigori Limonov was appointed as VP Business Development, Stanislavs Milcareks was appointed VP Global Marketing and Sergey Shilnov was appointed as Chief Technical Officer.

About DigiCrypts

DigiCrypts is a private Ontario company, formed with a focus on three different businesses within the crypto coin and blockchain industries on a global basis. These business applications include the formation of a large quantity of application-specific crypto mining machines in the province of Quebec, acting as broker for third parties seeking to complete initial coin offerings, and to establish a new crypto coin that can be used globally. DigiCrypts has established strong industry relationships in all three platforms, and will seek to advance its businesses within each platform immediately following the Transaction.
