

# DigiMax Global Solutions Announces Grant of Stock Options and New Head Office

Toronto, Ontario--(Newsfile Corp. - March 22, 2019) - **DigiCrypts Blockchain Solutions Inc. (CSE: DIGI)**, now doing business as DIGIMAX GLOBAL SOLUTIONS (the "**Company**" or "**DigiMax**") announces today that it has granted, pursuant to the Company's stock option plan (the "**Plan**") incentive stock options to certain of its directors and consultants to purchase up to an aggregate of 4,389,000 common shares of the Company (the "**Options**"). The Options are exercisable for a period of two years, at a price of \$0.10 per share, being not less than the last closing price of the Company's common shares on the Canadian Securities Exchange, March 21<sup>st</sup>, 2019 or March 22<sup>nd</sup>, 2019. These Options are governed by the terms and conditions of the Company's stock option plan.

As approved at the annual meeting of shareholders of the Company held on May 21, 2018, the Plan allows the Company to issue approximately 9.9% of the number of issued and outstanding common shares from time to time. Following this grant of Options, the Company has a total of 4,389,000 stock options outstanding representing approximately 7.9% of the outstanding common shares of the Company.

The company also wishes to announce that the new head office is Suite 500, 33 Bloor Street East, Toronto, Ontario M4W 3H1.

## **About DigiMax**

DigiMax is based in Toronto, Canada and is a company aiming to become a world leader in advising companies issuing digital securities, such as security tokens, on a 100% regulatory compliant basis, in any country around the world in which such an offering is made.

DigiMax was formed by five partners, three which bring experience in the cryptocurrency and security token industry, and two which have more than forty years of combined experience raising capital through public companies and the issuing of common shares. This partnership brings together all of the benefits and expediency of raising capital through security tokens, with a team that has decades of experience raising capital in conventional securities markets. The result is a team that combines expertise from both the token, and the conventional public capital markets.
