

DigiMax Global Solutions appoints ex Goldman Sachs Executive, Anthony Moore as Chairman of the Global Advisory Board

www.digimax.global

FOR IMMEDIATE RELEASE

Toronto, Ontario – July 17, 2019 (Access Wire) DigiCrypts Blockchain Solutions Inc., (CSE:DIGI) now doing business as **DIGIMAX GLOBAL SOLUTIONS** (the "Company" or "DigiMax") is pleased to announce that it has appointed Anthony ("Tony") Moore as Chairman of its Global Advisory Board.

In this role, Tony will bring a wealth of global investment banking experience to the team as well as new level of exposure for DigiMax in the global banking community. Tony will play a pivotal role in helping guide the company toward servicing continually higher quality opportunities and investors on behalf of DigiMax clients. His key priorities will include expanding the shareholder base of the public company; introduction to revenue-producing issuer clients; and introduction to a broader investor base for our issuer clients.

Tony will also take a leadership role in growing the involvement, and the complexion, of the Advisory Board to match the ongoing global development of DigiMax itself.

Tony brings more than 40 years of experience in the global financial services industry to his role as Chairman of the Board. At Goldman Sachs, he was Head of Investment Banking for Goldman Sachs Japan, Managing Director at Goldman Sachs Hong Kong, and Executive Director at Goldman Sachs London. He has also previously served in high profile management roles for Banque Nationale De Paris, Bankers Trust, and Barclays de Zoete Wedd.

Tony has transacted business in more than 20 countries across the globe. Tony has served as Chairman, CEO and/or Director of a large number of public and private companies where his experience covers capital markets financing, equity fund raising, cross-border mergers and acquisitions, and real estate and fund management. During his career, he has helped to take public more than 100 emerging companies in ten different countries.

“We are very excited to have Tony join our senior executive team at DigiMax,” said Chris Carl, CEO of DigiMax. “His depth of relevant experience, his incredible global contact base, and mostly his cheerful unending amount of energy will be a huge addition to our already active team of partners and managers. Tony has already been a great inspiration to us all, and we look forward to building a stronger company as a result of his involvement.”

“DigiMax is bringing both innovation, and conservatism to the ever-changing world of investment banking and digital securities,” said Tony Moore. “While having a high regard for securities laws around the globe, DigiMax is leading the way with responsible innovation to assist both issuers and investors find more profitable, and streamlined ways of utilizing capital to grow excellent profit-driven companies.”

About DigiMax – www.digimax.global

DigiMax is based in Toronto and is the first global company in the STO offering investment industry to achieve public company status (listed on the Canadian Securities Exchange-symbol: DIGI). It is also among the first digital securities companies approved by the Ontario Securities Commission as an 'Exempt Market Dealer' in Ontario, Canada.

Cautionary Note Regarding Forward-looking Statements

NEITHER THE CANADIAN SECURITIES EXCHANGE, NOR THEIR REGULATIONS SERVICES PROVIDERS HAVE REVIEWED OR ACCEPT RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE

This press release contains "forward-looking statements". Forward-looking statements can be identified by words such as: anticipate, intend, plan, goal, seek, believe, project, estimate, expect, strategy, future, likely, may, should, will and similar references to future periods. Examples of forward-looking statements include, among others, statements we make regarding changing the Company's name.

Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. Important factors that could cause our actual results and financial condition to differ materially from those indicated in the forward-looking statements include, among others, the following: shareholders approving the change of name to DigiMax, the adequacy of our cash flow and earnings, the availability of future financing and/or credit, and other conditions which may affect our ability to expand the App Platform described herein, the level of demand and financial performance of the cryptocurrency industry, developments and changes in laws and regulations, including increased regulation of the cryptocurrency industry through legislative action and revised rules and standards applied by the Canadian Securities Administrators, Ontario Securities Commission, and/or other similar regulatory bodies in other jurisdictions, disruptions to our technology network including computer systems, software and cloud data, or other disruptions of our operating systems, structures or equipment.

Any forward-looking statement made by us in this press release is based only on information currently available to us and speaks only as of the date on which it is made. Except as required by applicable securities laws, we undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
