## **DIGICRYPTS BLOCKCHAIN SOLUTIONS CHANGES NAME TO DIGIMAX GLOBAL INC.**

### **NEW WEBSITE AND INVESTOR PRESENTATION UNVEILED**

**TORONTO, ON / ACCESSWIRE / May 19th, 2021** / DigiCrypts Blockchain Solutions Inc. (CSE:DIGI) (OTC:DBKSF) is pleased to announce it has been undergoing a brand upgrade process and effective today it has officially changed its name to “**DigiMax Global Inc.**” The company will continue to trade under the symbols “DIGI” and “DBKSF” but the DigiCrypts name will be retired.

The new branding seeks to be more informative and more consistent across the different DigiMax platforms to demonstrate the organization’s commitment to leadership and innovation in disruptive technology and initiates a new chapter of communication for the company. The new branding will better align with the company’s mission to accelerate the adoption of disruptive Artificial Intelligence and Cryptocurrency technology solutions for companies and individuals.

DigiMax Co-Founder and CEO Chris Carl Commented: “The DigiMax name has continually evolved from one of our tradenames to become the name our company has been known for, so we wanted to make this official, and to remove the confusion that we know the multiple names can cause.”

Coinciding with the name change, DigiMax Global is pleased to announce that it has today launched an updated corporate website. With more seamless navigation, the new website highlights the most important aspects of the company including: our Projected Personality Interpreter Solution “PPI”; our predictive price indicator Cryptodivine.ai; and our financial and predictive services. DigiMax has also provided an updated Corporate Investor deck available for download for investors interested in learning more about the company and its future plans.

To view the new site and download the investor presentation please visit: [www.digimaxglobal.com](http://www.digimaxglobal.com)

[About DigiMax](#)

DigiMax Global Inc. is a technology company committed to unlocking the potential of disruptive technologies by providing advanced financial, predictive, and cryptocurrency solutions across various verticals. DigiMax is an official IBM Watson partner and the Company's engineering team has extensive experience in Machine Learning, Neural Language Processing, Artificial Intelligence, Big Data and Cryptocurrency technology.

The company's Projected Personality Interpreter (PPI) solution is currently used by various organizations including 17 law enforcement agencies that are gaining comparative insights for better hiring decisions, reducing employment attrition, and improving workplace culture.

The company's SAAS platform [CryptoDivine](#) allows cryptocurrency investors to simplify their decision making, reduce risk, exploit market volatility and improve investing performance. The company's proprietary AI engine analyzes millions of data points per hour to spot relevant patterns and generate accurate price trend predictions.

**Cautionary Note Regarding Forward-looking Statements**

This press release contains "forward-looking statements or information". Forward-looking statements can be identified by words such as: anticipate, intend, plan, goal, seek, believe, project, estimate, expect, strategy, future, likely, may, should, will and similar references to future periods. Examples of forward-looking statements in this press release include, among others, statements we make regarding the use of proceeds from the private placement, and information about future plans, expectations and objectives of the Company.

Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent

uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. The Company may not actually achieve its plans, projections, or expectations. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company, including expectations and assumptions concerning the use of net proceeds of the private placement. Important factors that could cause our actual results and financial condition to differ materially from those indicated in the forward-looking statements include, among others, the following: the adequacy of our cash flow and earnings, the availability of future financing and/or credit, and other conditions which may affect our ability to expand the App Platform described herein, the level of demand and financial performance of the cryptocurrency industry, developments and changes in laws and regulations, including increased regulation of the cryptocurrency industry through legislative action and revised rules and standards applied by the Canadian Securities Administrators, Ontario Securities Commission, and/or other similar regulatory bodies in other jurisdictions, disruptions to our technology network including computer systems, software and cloud data, or other disruptions of our operating systems, structures or equipment, the impact of Covid-19 or other viruses and diseases on the Company's ability to operate, consumer sentiment towards the Company's products and services, failure of counterparties to perform their contractual obligations, government regulations, competition, loss of key employees and consultants, and general economic, market or business conditions, the impact of technology changes on the products and industry, as well as those risk factors discussed or referred to in disclosure documents filed by the Company with the securities regulatory authorities in certain provinces of Canada and available at [www.sedar.com](http://www.sedar.com). Given these risks, uncertainties and assumptions, you should not place undue reliance on these forward-looking statements.

Any forward-looking statement made by us in this press release is based only on information currently available to us and speaks only as of the date on which it is made. Except as required by applicable securities laws, we undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
