The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. All costs of this solicitation will be borne by the Company. The Company has made arrangements for intermediaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by those intermediaries and the Company may reimburse the intermediaries for reasonable fees and disbursements incurred by them in so doing.

Notice of the Meeting was provided to the securities commissions in each jurisdiction where the Company is a reporting issuer under applicable securities laws.

### **Date of Information Circular**

Information contained in this Information Circular is given as at June 7, 2023, unless otherwise indicated.

## **GENERAL PROXY INFORMATION**

### **Revocability of Proxies**

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or
- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder's authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with Computershare Investor Services Inc., or at the address of the registered office of the Company at 700 – 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or

- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

### **Appointment of Proxyholders**

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **Computershare Investor Services Inc., at 8<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) or internet at [www.investorvote.com](http://www.investorvote.com)** not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

### **Exercise of Discretion**

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

**In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.**

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

### **Proxy Voting Options**

If you are a registered Shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc., at 8<sup>th</sup> Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) or internet at [www.investorvote.com](http://www.investorvote.com) at any time up to and including 10:00 a.m. (Vancouver time) on July 24, 2023.

## **Advice to Beneficial Holders of Common Shares**

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

## **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing

persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The board of directors (the “**Board**”) of the Company has fixed June 7, 2023, as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value. As of June 7, 2023, the Company had outstanding 48,066,563 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the Directors and executive officers of the Company, no shareholder owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company.

### **VOTES NECESSARY TO PASS RESOLUTIONS**

Except at otherwise described in this Information Circular, a simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. At least a two-thirds majority of affirmative votes cast by disinterested shareholders at the Meeting are required to pass the special resolutions described herein. If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

### **Recommendation of the Board**

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

### **ELECTION OF DIRECTORS**

The Board currently consists of three directors. Management proposes to fix the number of directors of the Company at three and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director’s office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares which each beneficially owns or over which control or direction is exercised:

### **Oversight and Description of Director and NEO Compensation**

The Board as a whole has the responsibility of determining the compensation for the CEO and the CFO and of determining compensation for directors and senior management.

The Company's compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's NEOs may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objectives and reasons for this system of compensation are to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to mineral exploration, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

### Pension Arrangements

The Company does not have a pension plan that provides for payments or benefits to the NEOs, directors or employees at, following, or in connection with retirement.

### SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan that the Company has in place is its March 2008 as amended on December 13, 2019 stock option plan (the “Plan”). The Plan was established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company’s other previously established or proposed share compensation agreements, may not exceed 10% of the total number of issued and outstanding Common Shares at the date of grant. All options expire on a date not later than five years after the issuance of such option.

The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company’s most recently completed fiscal year:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by securityholders	1,250,000	0.09	3,556,656
Equity compensation plans not approved by securityholders	N/A	N/A	N/A
<b>Total</b>	1,250,000	0.09	3,556,656

None of the proposed nominees for election as a director of the Company, or any associate of any director, executive officer or proposed nominee, was indebted to the Company as at the date hereof or at any time during the most recently completed financial year of the Company.

The Company has not provided any guarantees, support agreements, letters of credit or other similar arrangement or understanding for any indebtedness of any of the Company’s directors, executive

officers, proposed nominees for election as a director, or associates of any of the foregoing individuals as at the date hereof or at any time during the most recently completed financial year of the Company.

### **INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS**

An “**informed person**” means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its shares.

Since the commencement of the Company’s most recently completed financial year, no informed person of the Company, nominee for director or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

### **APPOINTMENT OF AUDITOR**

Management recommends that Shareholders vote to appoint D&H Group LLP, Chartered Professional Accountants of 10<sup>th</sup> Floor, 1333 West Broadway, Vancouver, BC, V6H 4C1, as auditors for the Company and to authorize the directors to fix their remuneration. D&H Group LLP has served as the Company’s auditors since May 2008. See “*External Auditor Service Fees*” under “*Audit Committee And Relationship With Auditor*”.

### **MANAGEMENT CONTRACTS**

There are no management functions of the Company, which are to any substantial degree performed by a person or company other than the directors or executive officers of the Company.

### **CORPORATE GOVERNANCE**

#### **General**

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”).

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the “**CSA**”) have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

#### **Board of Directors**

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The current independent members of the Board of Directors are Mark Rutledge and Kalum Lee Hourd. The non-independent director is Michael Edwards, the CEO and President of the Company.

## Directorships

The participation of the directors in other reporting issuers is described in the following table:

Name of Director	Names of Other Reporting Issuers of which the Director is a Director
Michael Edwards	East Side Games Group Inc and, Pioneer Media Holdings Inc.
Mark Rutledge	Kua Investments Inc., Pioneer Media Holdings Inc. and Spectrum Digital Holdings Inc.
Kalum Lee Hourd	None

## Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available to discussions with all Board members.

## Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

## Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

## Other Board Committees

The Board has no committees other than the Audit Committee.

The Audit Committee provides an open avenue of communication between management, the Company's independent auditors and the Board and to assist the Board in its oversight of:

- (a) the integrity, adequacy and timeliness of the Company's financial reporting and disclosure practices;
- (b) the Company's compliance with legal and regulatory requirements related to financial reporting; and
- (c) the independence and performance of the Company's independent auditors.

The Audit Committee also performs any other activities consistent with the Audit Committee Charter, the Company's Articles and governing laws as the Audit Committee or Board deems necessary or appropriate. See "*Audit Committee and Relationship with Auditor*".

## **Assessments**

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee.

## **Compensation**

The Board is not compensated for acting as directors, except for being granted incentive stock options pursuant to the policies of applicable stock exchange on which the Company's shares are listed for trading, and the Company's stock option plan. The Board acts as a whole to determine and approve the final stock grants and compensation amounts.

It is common to have shareholders approve such plans on a yearly basis at the Company’s Annual General Meeting. Accordingly, Shareholders will be asked at the Meeting to ratify and approve the Plan.

The purpose of the Plan is to provide certain directors, officers and key employees of, and certain other persons who provide services to the Company and any subsidiaries with an opportunity to purchase Common Shares of the Company and benefit from any appreciation in the value of the Company’s Common Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Common Shares for the benefit of all the Shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The Plan provides for a floating maximum limit of 10% of the outstanding Common Shares. As of June 7, 2023, this represents 4,806,565 Common Shares available under the Plan, of which 1,250,000 are issued and 3,556,656 are reserved and available for issuance under the Plan.
