LAKESIDE MINERALS INC. ANNOUNCES AMENDMENT TO LAUNAY PROPERTY AGREEMENT

For Immediate Release:

June 18, 2014: Toronto, Ontario – Lakeside Minerals Inc. (TSX-V: LAK) (the "Company") is pleased to announce it has amended the terms to its Launay property agreement (which had been entered into prior to listing).

The final payment of the \$45,000 which had been due on June 1st, 2014 has now been restructured as follows:

- \$30,000 will be payable in shares for a total issuance of 600,000 shares at \$0.05
- \$15,000 will be payable on June 30th, 2014
- An additional \$15,000 will be payable on December 15th, 2014

The December 15th payment will be the final property payment after which Lakeside will have no further obligations to the vendors under the agreement. All other terms of the agreement of the Launay property remain the same. The issuance of common shares of the Company as consideration for the amendment of the Launay property agreement is subject to the final approval of the TSX Venture Exchange. The issuance of the Shares will not result in a change of control of the Company and will be subject to a four-month hold period from the date of issuance.

About Lakeside Minerals Inc.

Lakeside Minerals Inc. is engaged in acquiring, exploring, and developing mineral properties. The Company's flagship Launay property is 102.5 km² land package located in the heart of the Abitibi, 48 km northeast of Rouyn-Noranda. The Launay property straddles nearly 22 km of the Macamic deformation zone: a major deformation zone in the Abitibi subprovince located north of the Porcupine-Destor deformation zone. Claims cover a 17 km long trend of known gold occurrences, several of which display significant historical and recent gold drill intersections. Lakeside is also pursuing potential acquisitions of interests in undervalued mineral exploration properties with a view to long term value appreciation and the eventual development of a "project generator" business model.
