Dear Sir:

Re: Grasslands Entertainment Inc. - SEDAR Project No. 180776

Please find attached an amended and restated Circular dated September 29, 2011 replacing the Circular filed under SEDAR Project No. 180776, submission 1. The name of Mendel Ekstein, director, on page 136 was inadvertently omitted from the prior filing and has now been added.

Yours truly,

FOGLER, RUBINOFF LLP
