TSX-V: LAK

LAKESIDE ANNOUNCES BOARD APPOINTMENT

For Immediate Release:

December 3, 2014: Toronto, Ontario – Lakeside Minerals Inc. (TSX-V: LAK) (the "**Company**") is pleased to announce that effective immediately it has appointed Peter Cashin to its board of directors.

Mr. Cashin has over 30 years of experience in all facets of the mines and minerals industry. Mr. Cashin is currently President, Chief Executive Officer and Director of Quest Rare Minerals Ltd., a TSX-listed company focused on the development of its Strange Lake rare earth (REE) deposit in northeastern Québec, the identification and discovery of new REE deposit opportunities, and the engineering and construction of a processing facility in southern Québec. Mr. Cashin graduated from McGill University with a Masters of Science degree in 1985. Mr. Cashin has worked for Major and Junior mining exploration companies in Québec, Ontario, the Maritimes, the United States and overseas. Peter also worked for a period with the Ontario Ministry of Northern Development and Mines in the area of mineral resource promotion and marketing.

Yannis Banks, Lakeside's CEO, commented: "We are pleased to welcome Mr. Cashin to the Lakeside team. His track record of exploration success in Québec will be extremely valuable to the Company and we look forward to his perspective as a director."

About Lakeside Minerals Inc.

Lakeside Minerals Inc. is engaged in acquiring, exploring, and developing mineral properties. The Company's flagship Launay property is located in the heart of the Abitibi, 48 km northeast of Rouyn-Noranda. The Launay property straddles a significant extent of the Macamic deformation zone: a major deformation zone in the Abitibi subprovince located north of the Porcupine-Destor deformation zone. The property covers a 17 km long trend of known gold occurrences, several of which display significant historical and recent gold drill intersections. Lakeside is also pursuing potential acquisitions of interests in undervalued mineral exploration properties.
