## LAKESIDE MINERALS INC.

### NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

**NOTICE IS HEREBY GIVEN THAT** the annual and special meeting (the "**Meeting**") of shareholders (the "**Shareholders**") of Lakeside Minerals Inc. (the "**Corporation**") will be held at 77 King Street West, Suite 2905, Toronto Ontario on July 19, 2017, at 10:00 a.m. (Eastern Standard time), for the following purposes:

- (1) to receive the consolidated financial statements of the Corporation for its fiscal year ended report of the January 31, 2017, report of the auditor thereon and related management discussion and analysis;
- (2) to elect the directors of the Corporation for the ensuing year;
- (3) to re-appoint the auditor of the Corporation for the ensuing year and to authorize the directors to fix the auditor's remuneration;
- (4) to consider, and if deemed advisable, to confirm and ratify the 10% rolling stock option plan of the Company, as more particularly described in the Information Circular;
- (5) to consider, and if deemed advisable, pass a special resolution, the full text is set forth in the Information Circular (the "**Name Change Resolution**"), to approve changing Lakeside's name to "Lineage Grow Company Ltd."; and
- (6) to transact such other business as may properly come before the Meeting or any adjournment thereof.

An "**ordinary resolution**" is a resolution passed by at least a majority of the votes cast by Shareholders who voted in respect of that resolution at the Meeting or any adjournment thereof.

The nature of the business to be transacted at the Meeting is described in further detail in the Information Circular under the section "Matters to be Acted Upon". <http://lakesideminerals.com>

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof is May 30, 2017, (the "**Record Date**"). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof.

#### **Notice-and-Access**

The Company is utilizing the notice-and-access mechanism (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

#### **Website Where Meeting Materials are Posted**

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials, such as the Information Circulars and annual financial statements, ("**Proxy-Related Materials**") on-line, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Information Circular, financial statements of the Company for the year ended January 31, 2017 ("**Financial Statements**") and management's discussion and analysis of the Company's results of operations and financial condition for 2017 ("**MD&A**") may be found on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com) and also on the Company's website at [www.lakesideminerals.com](http://www.lakesideminerals.com) under "News". The Company will not use procedures known as "stratification" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Information Circular nor the Financial Statements.

#### **Obtaining Paper Copies of Materials**

The Company anticipates that using the Notice-and-Access Provisions for delivery to all Shareholders will directly

benefit the Company through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders with questions about notice-and-access can call the Company's transfer agent CST Trust Company ("CST") toll-free at 1-800-387-0825. Shareholders may also obtain paper copies of the Information Circular, Financial Statements and MD&A free of charge by contacting CST toll-free at 1-888-433-6443 or outside Canada and U.S. call 1-416-682-3860; or [fulfilment@canstockta.com](mailto:fulfilment@canstockta.com) or upon request to the Company's Corporate Secretary.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Company or CST, as applicable, by Wednesday, July 5, 2017 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries before July 17, 2017, at 10:00 a.m. local time, being the date that is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the "Proxy Deadline").

### **Voting**

**All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy.**

### **FORM OF PROXY FOR REGISTERED SHAREHOLDERS**

Completed proxies, for Registered Shareholders, must be returned to CST, the Company's transfer agent, (i) by mail c/o Proxy Department, P.O. Box 721, Agincourt, Ontario, M1S 0A1; or (ii) by facsimile at (416)368-2502 or 1(866)781-3111 (within Canada and the United States); or (iv) via the Internet at [www.cstvotemyproxy.com](http://www.cstvotemyproxy.com); (v) telephone voting number 1-888-489-5760; or (vi) via email to [proxy@canstockta.com](mailto:proxy@canstockta.com) by 10:00 am (Eastern time) July 17, 2017, or, being the date that is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the "Proxy Deadline").

### **VOTING INSTRUCTION FORMS FOR NON-REGISTERED SHAREHOLDERS**

Non-Registered Shareholders, who have not waived the right to receive the Proxy-Related Materials will either: (i) receive a voting instruction form; or (ii) be given a proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted to the number of common shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed.

Non-Registered Shareholders should carefully follow the instructions that accompany the voting instruction form or the proxy, including those indicating when and where the voting instruction form or the proxy is to be delivered. Voting instructions must be deposited by 10:00 p.m. on July 17, 2017, however your voting instruction form may provide for an earlier date in order to process your votes in a timely manner. Voting instruction forms permit the completion of the voting instruction form online or by telephone. A Non-Registered Shareholder wishing to attend and vote at the Meeting in person should follow the corresponding instructions on the voting instruction form or, in the case of a proxy, strike out the names of the persons named in the proxy and insert the Non-Registered Shareholder's name in the space provided.

**MANAGEMENT PROXY CIRCULAR**  
as at May 30, 2017 *(unless otherwise indicated)*

**This Management Proxy Circular ("Circular") is furnished in connection with the solicitation of proxies by the management of Lakeside Minerals Inc. (the "Corporation") for use at the annual and special meeting (the "Meeting") of the holders ("Shareholders") of common shares of the Corporation ("Common Shares") to be held on July 19, 2017 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.**

**GENERAL PROXY INFORMATION**

The Corporation is utilizing the notice-and-access mechanism (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**") for distribution of this Circular to registered and non-registered (or beneficial). Further information on the Notice-and-Access Provisions is contained below under the heading "General Information – "Notice-and-Access" and Shareholders are encouraged to read this information for an explanation of their rights.

**Solicitation of Proxies**

The cost of solicitation by or on behalf of management will be borne by the Corporation. The Corporation may reimburse brokers, custodians, nominees and other fiduciaries for their reasonable charges and expenses incurred in forwarding the proxy material to beneficial owners of shares. It is expected that such solicitation will be primarily by mail. In addition to solicitation by mail, certain officers, directors and employees of the Corporation may solicit proxies by telephone or personally. These persons will receive no compensation for such solicitation other than their regular salaries.

**Appointment of Proxy holders**

The Common Shares represented by the accompanying form of proxy (if the same is properly executed in favour of Mr. David Drutz, Chief Executive Officer of the Corporation, or failing him Mr. Adam Szweras, Corporate Secretary of the Corporation, the management nominees, and is received at the offices of CST Trust Company ("CST") not later than 10:00 a.m. (Toronto time) Monday, July 17, 2017, or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting) will be voted at the Meeting, and where a choice is specified in respect of any matter to be acted upon, will be voted in accordance with the specifications made. **In the absence of such a specification, such Common Shares will be voted in favour of such matter. The form of proxy sets out specific instructions for completing and returning the proxy in order to be properly counted at the Meeting.**

**The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the annexed notice of Meeting, and with respect to other matters which may properly come before the Meeting.** At the date hereof, management of the Corporation knows of no such amendments, variations or other matters.

**Each Shareholder has the right to appoint a person other than the persons named in the accompanying form of proxy, who need not be a shareholder, to attend and act for him and on his behalf at the Meeting.** Any Shareholder wishing to exercise such right may do so by inserting in the blank space provided in the accompanying form of proxy the name of the person whom such Shareholder wishes to appoint as proxy and by duly depositing such proxy, or by duly completing and depositing another proper form of proxy.

A Shareholder who has given a proxy may revoke it at any time insofar as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing or, if the Shareholder is a body corporate, by an officer or attorney thereof duly authorized, and deposited with the Corporation c/o CST at the address set out in the proxy, at any time up to and including the close of business on July 17, 2017 or thereafter with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law.

If you are a registered Shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Corporation's transfer agent, CST Trust Company ("CST"), Attention: Proxy Department by email to [proxy@canstockta.com](mailto:proxy@canstockta.com) or via fax to 866-781-3111 (toll free in North America) or to 416-368-2502, or by mail, Attention: Proxy Department, PO Box 721, Agincourt, Ontario M1S 0A1, at any time up to and including 10:00 a.m. (Eastern Standard Time) July 17, 2017.

In all cases, to be represented at the Meeting, proxies submitted must be received no later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or adjournment thereof.

### **Beneficial Shareholders**

The information set forth in this section is of significant importance to many public Shareholders as a substantial number of the public Shareholders do not hold Common Shares in their own names. A Shareholder is a non-registered shareholder (referred to in this Circular as "**Beneficial Shareholders**") if (i) an intermediary (such as a bank, trust company, securities dealer or broker, trustee or administrator of a registered retirement savings plan, registered retirement income fund, deferred profit sharing plan, registered education savings plan, registered disability savings plan or tax-free savings account), or (ii) a clearing agency (such as CDS Clearing and Depository Services Inc. or Depository Trust and Clearing Corporation), of which the intermediary is a participant (in each case, an "**Intermediary**"), holds the shareholder's shares on behalf of the shareholder.

In accordance with NI 54-101, the Corporation is distributing copies of a voting instruction form in lieu of a Proxy provided by the Corporation, to Intermediaries for distribution to Beneficial Shareholders and such Intermediaries are to forward a voting instruction form in lieu of a Proxy provided by the Corporation, to each Beneficial Shareholders (unless the Beneficial Shareholders has declined to receive such materials). Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholders how to vote on behalf of the Beneficial Shareholder.

Such Intermediaries often use a service company (such as Broadridge Financial Solutions Inc. ("**Broadridge**")), to permit the Beneficial Shareholders to direct the voting of the Common Shares held by the Intermediary on behalf of the Beneficial Shareholder. The Corporation is paying Broadridge to deliver, on behalf of the Intermediaries, a copy of a voting instruction form in lieu of a Proxy provided by the Corporation, to each "non-objecting beneficial owner" and each "objecting beneficial owner" (as those terms are defined in NI 54-101). Broadridge typically applies a decal to the proxy forms, mails those forms

to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy with a Broadridge decal on it cannot use that proxy to vote shares directly at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.

Since the Corporation does not have access to the names of its non-registered Shareholders, if a Beneficial Shareholder attends the Meeting the Corporation will have no record of the Beneficial Shareholder's shareholdings or of its entitlement to vote unless the Beneficial Shareholder's nominee has appointed the Beneficial Shareholder as proxyholder. Therefore, a Beneficial Shareholder who wishes to vote in person at the Meeting must insert its own name in the space provided on the voting instruction form sent to the Beneficial Shareholder by its nominee, and sign and return the voting instruction form by following the signing and returning instructions provided by its nominee. By doing so, the Beneficial Shareholder will be instructing its nominee to appoint the Beneficial Shareholder as proxyholder. The Beneficial Shareholder should not otherwise complete the voting instruction form as its vote will be taken at the Meeting.

### **Notice and Access**

As noted above, the Corporation is utilizing the Notice-and-Access Provisions under NI 54-101 and NI 51-102 for distribution to this Circular to Beneficial Shareholders and for Registered Shareholders.

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials, such as proxy, information circulars, and annual financial statements, (the "**Proxy-Related Materials**") on-line, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Registered and Beneficial Shareholders. Electronic copies of the Circular, financial statements of the Corporation for the year ended January 31, 2017 ("**Financial Statements**") and management's discussion and analysis of the Corporation's results of operations and financial condition for 2017 ("**MD&A**") may be found on the Corporation's SEDAR profile at [www.sedar.com](http://www.sedar.com) and also on the Corporation's web site [www.lakesideminerals.com](http://www.lakesideminerals.com). The Corporation will not use procedures known as "stratification" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Circular to some Shareholders with the notice package. In relation to the Meeting, Registered and Non-Registered Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Circular. Shareholders are reminded to review this Circular before voting.

Although this Circular, the Financial Statements and the MD&A will be posted electronically on-line as noted above, Shareholders will receive paper copies of a "notice package" via prepaid mail containing the Notice with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Corporation's supplementary mailing list for receipt of the Corporation's annual financial statements for the 2016 fiscal year.

The Corporation anticipates that relying on the Notice-and-Access Provisions will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about the Notice-and-Access can call the Corporation's transfer agent, CST Trust Company at 1-888-433-6443 or outside of Canada and the US 1- 416-682-3860. Shareholders may also obtain paper copies of Proxy Related Material free of charge by contacting CST Trust Company at 1-888-433-6443 or [fulfilment@canstockta.com](mailto:fulfilment@canstockta.com). or upon request to the Corporate Secretary of the Corporation.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation or CST Trust Company, as applicable, by Wednesday, July 5, 2017, in order to allow sufficient time for Shareholders to receive their paper copies and to return a) their form of proxy

to the Corporation or CST Trust Company, or b) their voting instruction form ("VIF") to their Intermediaries by the deadline for submitting their proxy or VIF, as applicable.

### **Notice to Shareholders in the United States**

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the federal corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the Canadian securities laws applicable to the Corporation. Shareholders should be aware that disclosure requirements under the Canadian securities laws applicable to the Corporation differ from the disclosure requirements under United States securities laws.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

No director or executive officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the ability of such persons to receive options under the Corporation's option plan.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The board of directors (the "**Board**") of the Corporation has fixed May 30, 2017, as the record date (the "**Record Date**") for determination of persons entitled to receive notice and vote at the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Common Shares are listed for trading on the Canadian Securities Exchange (the "**CSE**"). As of May 30, 2017, there were 32,446,115 Common Shares issued and outstanding, each carrying the right to one vote.

To the knowledge of the directors and executive officers of the Corporation, no person or Corporation beneficially owns, directly or indirectly, or exercises control or direction over, more than 10% of the issued and outstanding Common Shares.

### **VOTES NECESSARY TO PASS RESOLUTIONS**

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation. A majority of not less than two-thirds (2/3) of the votes cast at the Meeting is required to pass the resolution approving the Name Change Resolution.

The Board approved the Stock Option Plan in January 2011.

The following information is intended to be a brief description of the Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan, which is available for review by any Shareholder up until the day preceding the Meeting at the offices of the Corporation's solicitors, Fogler, Rubinoff LLP at 77 King Street W., Suite 3000, Toronto, Ontario, M5K 1G8 and will be available at the Meeting.

- The purpose of the Stock Option Plan is to authorize the grant to eligible persons (as such term is defined in the Stock Option Plan) of options to purchase Common Shares and thus benefit the Company by enabling it to attract, retain and motivate eligible persons by providing them with the opportunity, through share options, to acquire an increased proprietary interest in the Company.
- The Stock Option Plan is administered by the Board or a committee established by the Board for that purpose.
- The number of Common Shares reserved for issuance cannot exceed 10% of the issued and outstanding Common Shares at the time of the grant.

The maximum number of Common Shares which may be issued to any one insider and his or her associates under the Stock Option Plan, together with any other previously established or proposed share compensation arrangements, within a one year period shall be 5% of the Common Shares outstanding at the time of the grant (on a non-diluted basis).

In the event the Common Shares are listed on the TSXV, the price may be the market price less any discounts from the market price allowed by the TSXV. The approval of disinterested Shareholders will be required for any reduction in the price of a previously granted stock option to an insider of the Company.
- The stock options are exercisable for a period of up to five years from the date of grant.

- Upon exercise of an option, the optionee shall, upon notification of the amount due and prior to or concurrently with the delivery of the certificates representing the shares, pay to the Company amounts necessary to satisfy applicable withholding tax requirements or shall otherwise make arrangements satisfactory to the Company for such requirements. In order to implement this provision, the Company or any related corporation has the right to retain and withhold from any payment of cash or Common Shares under the Stock Option Plan the amount of taxes required to be withheld or otherwise deducted and paid with respect to such payment. At its discretion, the Company may require an optionee receiving Common Shares to reimburse the Company for any such taxes required to be withheld by the Company and withhold any distribution to the optionee in whole or in part until the Company is so reimbursed. In lieu thereof, the Company has the right to withhold from any cash amount due or to become due from the Company to the optionee an amount equal to such taxes. The Company may also retain and withhold or the optionee may elect, subject to approval by the Company at its sole discretion, to have the Company retain and withhold a number of Common Shares having a market value not less than the amount of such taxes required to be withheld by the Company to reimburse the Company for any such taxes and cancel (in whole or in part) any such shares so withheld.

## Compensation Discussion and Analysis

The Compensation Discussion and Analysis section sets out the objectives of the Corporation's executive compensation arrangements, the Corporation's executive compensation philosophy and the application of this philosophy to the Corporation's executive compensation arrangements. It also provides an analysis of the compensation design, and the decisions that the Board made in fiscal 2016 with respect to the Named Executive Officers. When determining the compensation arrangements for the Named Executive Officers, the Compensation and Nominating Committee considers the objectives of: (i) retaining an executive critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and Corporation's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to the business in general. See the "Compensation Governance" below for more discussion on the Compensation and Nominating Committee.

### Benchmarking

The Compensation and Nominating Committee considers a variety of factors when designing and establishing, reviewing and making recommendations for executive compensation arrangements for all executive officers of the Corporation. The Board typically does not position executive pay to reflect a single percentile within the industry for each executive. Rather, in determining the compensation level for

each executive, the Compensation and Nominating Committee looks at factors such as the relative complexity of the executive's role within the organization, the executive's performance and potential for future advancement, the compensation paid by the other companies in medicinal and recreational marijuana industry, and pay equity considerations.

### ***Elements of Compensation***

The compensation paid to Named Executive Officers in any year consists of two primary components:

- (a) base salary; and
- long-term incentives in the form of stock options granted under the Option Plan.

The key features of these two primary components of compensation are discussed below:

#### 1. Base Salary

Base salary recognizes the value of an individual to the Corporation based on his or her role, skill, performance, contributions, leadership and potential. It is critical in attracting and retaining executive talent in the markets in which Corporation competes for talent. Base salaries for the Named Executive Officers are reviewed annually. Any change in base salary of a Named Executive Officer is generally determined by an assessment of such executive's performance, a consideration of competitive compensation levels in companies similar to the Corporation (in particular, companies in the marijuana industry) and a review of the performance of the Corporation as a whole and the role such executive officer played in such corporate performance.

#### 2. Stock Option Awards

The Corporation provides long-term incentives to Named Executive Officers in the form of stock options as part of its overall executive compensation strategy. The Compensation and Nominating Committee believes that stock option grants serve the Corporation's executive compensation philosophy in several ways: firstly, it helps attract, retain, and motivate talent; secondly, it aligns the interests of the Named Executive Officers with those of the shareholders by linking a specific portion of the officer's total pay opportunity to the share price; and finally, it provides long-term accountability for Named Executive Officers.

### ***Risks Associated with Compensation Policies and Practices***

The oversight and administration of the Corporation's executive compensation program requires the Compensation and Nominating Committee to consider risks associated with the Corporation's compensation policies and practices. Potential risks associated with compensation policies and compensation awards are considered at annual reviews and also throughout the year whenever it is deemed necessary by the Compensation and Nominating Committee.

The Corporation's executive compensation policies and practices are intended to align management incentives with the long-term interests of the Corporation and its shareholders. In each case, the Corporation seeks an appropriate balance of risk and reward. Practices that are designed to avoid inappropriate or excessive risks include (i) financial controls that provide limits and authorities in areas such as capital and operating expenditures to mitigate risk taking that could affect compensation, (ii) balancing base salary and variable compensation elements and (iii) spreading compensation across short and long-term programs.

### ***Compensation Governance***

The Compensation and Nominating Committee intends to conduct a yearly review of directors' compensation having regard to various reports on current trends in directors' compensation and compensation data for directors of reporting issuers of comparative size to the Corporation. Except for director's fees paid to the Chairman of the Board, director compensation is currently limited to the grant of stock options pursuant to the Option Plan. It is anticipated that the Chief Executive Officer will review the

compensation of officers of the Corporation for the prior year and in comparison to industry standards via information disclosed publicly and obtained through copies of surveys. The Board expects that the Chief Executive Officer will make recommendations on compensation to the Compensation and Nominating Committee. The Compensation and Nominating Committee will review and make suggestions with respect to compensation proposals, and then makes a recommendation to the Board.

The Compensation and Nominating Committee is currently comprised of Aurelio Useche, Hamish Sutherland and Peter Bilodeau, two of whom are independent.

The Compensation and Nominating Committee's responsibility is to formulate and make recommendations to the directors of the Corporation in respect of compensation issues relating to directors and officers of the Corporation. Without limiting the generality of the foregoing, the Compensation and Nominating Committee has the following duties:

- (a) to review the compensation philosophy and remuneration policy for officers of the Corporation and to recommend to the directors of the Corporation changes to improve the Corporation's ability to recruit, retain and motivate officers;
- (b) to review and recommend to the Board the retainer and fees, if any, to be paid to directors of the Corporation;
- (c) to review and approve corporate goals and objectives relevant to the compensation of the CEO, evaluate the CEO's performance in light of those corporate goals and objectives, and determine (or make recommendations to the directors of the Corporation with respect to) the CEO's compensation level based on such evaluation;
- (d) to recommend to the directors of the Corporation with respect to non-CEO officer and director compensation including reviewing management's recommendations for proposed stock options and other incentive-compensation plans and equity-based plans, if any, for non-CEO officer and director compensation and make recommendations in respect thereof to the directors of the Corporation;
- (e) to administer the stock option plan approved by the directors of the Corporation in accordance with its terms including the recommendation to the directors of the Corporation of the grant of stock options in accordance with the terms thereof; and
- (f) to determine and recommend for the approval of the directors of the Corporation bonuses to be paid to officers and employees of the Corporation and to establish targets or criteria for the payment of such bonuses, if appropriate. Pursuant to the mandate and terms of reference of the Compensation and Nominating Committee, meetings of the Committee are to take place at least once per year and at such other times as the Chair of the Compensation and Nominating Committee may determine.

("**Branson**") to provide a Chief Financial Officer, controllership and bookkeeping services, administrative services and general and back office services for a monthly fee of \$5,000. Amy Stephenson is employed by Branson and is compensated by Branson.

### Compensation of Directors

The Compensation and Nominating Committee makes recommendations to the Board as to the appropriate level of remuneration for the directors and officers of the Corporation. The Board as a whole makes the final determination in respect of compensation matters. Remuneration is assessed and determined by taking into account such factors as the size of the Corporation and the level of compensation earned by directors and officers of companies of comparable size and industry.

Other than with respect to director fees paid to the Chairman of the Board, the only arrangements the Corporation has, standard or otherwise, pursuant to which directors are compensated by the Corporation

for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as consultants or experts for the financial year ended January 31, 2017, are through the issuance of stock options. The number of options to be granted from time to time is determined by the Board in its discretion.

## CORPORATE GOVERNANCE

### *Board of Directors*

The Board currently consists of five directors. The Board has concluded that Aurelio Useche, Hamish Sutherland, Robert Schwartz and David Posner are "independent" for purposes of Board membership, as defined in National Instrument 58-101 *Disclosure of Corporate Governance Practices*. By virtue of his management positions or his status as promoter of the Corporation, Peter Bilodeau is not considered to be "independent".

A member of the Board is considered to be independent if the member has no direct or indirect material relationship with the issuer. A material relationship means a relationship which could, in the view of the reporting issuer's Board, reasonably interfere with the exercise of a member's independent judgment.

## ***Directorships***

## ***Orientation and Continuing Education***

The Board is comprised of individuals with either prior experience as a director or publicly listed issuer or a private entity or with significant business experience as a senior business manager. While the Corporation currently has no formal orientation and education program for new Board members, sufficient information (such as annual reports, prospectuses, proxy solicitation materials, budgets and operations reports) is provided to new Board members to ensure that each new director is familiar with the business of the Corporation and the functions of the Board. In addition, new directors are encouraged to meet with senior management.

## ***Ethical Business Conduct***

Ethical business conduct and behaviour is of great importance to the Board and management of the Corporation. The Corporate Governance Committee and the Board have discussed the adoption of a written code of conduct but as yet have not adopted a written code. The Corporation does expect that each of the directors, officers and employees conduct themselves ethically and within the confines of professional behaviour, including the avoidance of conflicts of interest, protection and proper use of Corporation information, compliance with laws, rules and regulations and reporting of illegal or unethical behaviour.

Any director or officer of the Corporation shall disclose in writing or request to have it entered into the minutes of Board's meeting or any of the committees of the directors the nature and extent of any interest in a material contract or a material transaction, whether made or proposed, as soon as the director or officer becomes aware of such a contract or transaction. In such a case, the director shall abstain from voting on any resolution to approve such a contract or transaction.

## ***Nomination of Directors***

The Board is entrusted with reviewing on a periodic basis the composition of the Board and, when appropriate, with maintaining a list of potential candidates for Board membership and interviewing potential candidates for Board membership.

## ***Compensation***

At present, no compensation other than the grant of options is paid to the Corporation's directors, in such capacity. For a description of the process by which the Board determines compensation for the

Corporation's officers and directors, see "*Executive Compensation – Compensation of Directors*".

### ***Other Board Committees***

Other than the Audit Committee, the Corporation's Board has a Compensation and Nominating Committee and a Corporate Governance Committee.

The Compensation and Nominating Committee's responsibility is to formulate and make recommendations to the directors of the Corporation in respect of compensation issues relating to directors and officers of the Corporation. The Compensation and Nominating Committee is comprised of Aurelio Useche, Hamish Sutherland and Peter Bilodeau, two of whom are independent. See "*Executive Compensation – Compensation Governance*".

The Corporate Governance Committee's responsibility is to assist the Board in fulfilling its oversight responsibilities in the following principal areas: (i) developing a set of corporate governance rules; (ii) reviewing and recommending the compensation of the Corporation's directors; (iii) facilitating the evaluation of the Board and committees of the Board. The Corporate Governance Committee is comprised of Hamish Sutherland, Peter Bilodeau, and Aurelio Useche.

### ***Assessments***

The Board does not formally review the contribution and effectiveness of the Board, its members or committees. The Board believes that its size facilitates an informal review process through discussion and evaluation between the Chairman of the Board, the CEO, and the Chair of the Corporate Governance Committee.

### **Pension Plan Benefits**

The Corporation does not have a Pension Plan for its Named Executive Officers and directors.
