

Harborside Inc. Reports Fourth Quarter 2021 Financial Results

– Name change and share consolidation to be rescheduled for June 2022 –

OAKLAND, Calif. and TORONTO, April 27, 2022 /CNW/ - Harborside Inc. ("Harborside" or the "Company") (CNSX: HBOR), (OTCQX: HBORF), a California-focused, vertically integrated cannabis enterprise, today filed its audited annual financial statements and management's discussion & analysis for the twelve months ended December 31, 2021 (collectively, the "Annual Financial Results") under the Company's profile on SEDAR at www.sedar.com.

The Annual Financial Results encompass a period prior to the Company's acquisitions of UL Holdings Inc. ("Urbn Leaf") and LPF JV Corporation ("Loudpack"), which were completed in March and April 2022, respectively. The Loudpack and Urbn Leaf acquisitions have transformed the Company into one of the largest vertically integrated cannabis enterprises in California.

With the acquisitions of Loudpack and Urbn Leaf completed, the Company now plans to effect its previously announced name change to StateHouse Holdings Inc. (the "Name Change") and concurrent share consolidation (the "Consolidation") in June 2022. Pursuant to the Consolidation, shareholders are expected to receive one post-Consolidation subordinate voting share (a "Share") for every six pre-Consolidation Shares (the "Consolidation Ratio"), subject to the Company continuing to meet minimum listing requirements of the Canadian Securities Exchange (the "CSE"). Accordingly, following the Name Change and Consolidation, shareholders currently holding six Shares of Harborside will instead own one Share of StateHouse Holdings Inc. The trading price of the Shares is expected to reflect the Consolidation Ratio immediately upon the resumption of trading of the Shares following the Name Change and Consolidation. The Name Change and Consolidation were approved by the shareholders of the Company on February 22, 2022. The Company's new corporate website, statehouseholdings.com, will be updated with fulsome corporate information following completion of the Name Change and Consolidation. More information on the Consolidation is available on the Company's website at www.investharborside.com.

The Company, through several of its subsidiaries, is indirectly involved in the manufacture, possession, use, sale, and distribution of cannabis in the recreational and medicinal cannabis marketplace in the United States. Local state laws where the Company operates permit such activities however, investors should note that there are significant legal restrictions and regulations that govern the cannabis industry in the United States. Cannabis remains a Schedule I drug under the US Controlled Substances Act, making it illegal under federal law in the United States to, among other things, cultivate, distribute or possess cannabis in the United States. Financial transactions involving proceeds generated by, or intended to promote, cannabis-related business activities in the United States may form the basis for prosecution under applicable United States federal money laundering legislation.

While the approach to enforcement of such laws by the federal government in the United States has trended toward non-enforcement against individuals and businesses that comply with recreational and medicinal cannabis programs in states where such programs are legal, strict compliance with state laws with respect to cannabis will neither absolve the Company of liability under United States federal law, nor will it provide a defense to any federal proceeding which may be brought against the Company. The enforcement of federal laws in the United States is a significant risk to the business of the Company and any proceedings brought against the Company thereunder may adversely affect the Company's operations and financial performance.
