

## CONSENT OF QUALIFIED PERSON

I, Even Stavre, state that I am responsible for preparing parts of the technical report titled "**National Instrument 43-101 Technical Report: Update Report for the Chapais Property**" with an effective date of: September 21<sup>st</sup>, 2019, as signed and certified by me (the "Technical Report").

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by Windfall Geotek Inc., previously Albert Mining, (Albert);
- (b) The document that the Technical Report supports is the press release titled "**WITH AN UPDATED NI 43-101, WINDFALL GEOTEK SEEKS OPTIONEE FOR ITS**
- (c) **CHAPAIS PROJECT; HIRES PARADOX FOR INVESTOR RELATIONS**" (the "Document") dated November 21<sup>st</sup> 2019;
- (d) I consent to the use of extracts from, or a summary of, the Technical Report in the Document disclosed by Windfall Geotech Inc., previously Albert Mining (Albert)
- (e) I confirm that I have read the Document being filed by Windfall Geotech Inc., previously Albert Mining (Albert) and that it fairly and accurately represents the information in the Technical Report for which I am responsible.

Dated at Timmins, Ontario this, 23rd of April, 2020.

*Original Signed*
