The management of the Corporation solicits proxies to be used at the Annual General and Special Meeting of shareholders (the “Meeting”) to be held at the time and place and for the purposes set forth in the attached notice of meeting and at any adjournment thereof. The cost of this solicitation will be borne by the Corporation. Accordingly, the management of the Corporation has drafted this information circular (the “Information Circular”) that it is sending to all the security holders entitled to receive a notice of meeting.

If you cannot attend the Meeting virtually, complete and return the enclosed form of proxy following the instructions therein.

**HOW TO ATTEND, PARTICIPATE AND VOTE AT THE VIRTUAL MEETING**

While it is the Corporation's intention to resume holding in-person meetings under normal circumstances, the Meeting will be a completely virtual meeting of Shareholders via webcast in order to deal with the impact of the COVID-19 pandemic and to mitigate risks to the health and safety of our community, Shareholders, employees and other stakeholders. Shareholders will not be able to attend the Meeting in person. Instead, Registered Shareholders (as defined herein) and duly appointed proxyholders will be able to virtually attend, participate and vote at the virtual Meeting on the date and time of the Meeting (being December 8, 2022 at 11:00 a.m. (Eastern Time)) by clicking registering at the following link:

<https://bit.ly/3DuQlf2>

After registering, you will receive a confirmation email with access instructions.

**QUORUM FOR THE TRANSACTION OF BUSINESS**

The Corporation’s By-Laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of two or more shareholders, present virtually or represented by proxy, holding at least 10% of the votes attached to outstanding voting shares.

**RIGHT OF REVOCATION OF PROXIES AND APPOINTMENT OF PROXYHOLDER**

The persons named in the enclosed form of proxy are directors and officers of the Corporation. **A shareholder has the right to appoint as his or her proxy a person, who need not be a shareholder, other than those whose names are printed on the accompanying form of proxy.** A shareholder who wishes to appoint some other person to represent him or her at the Meeting may do so either by inserting such other person’s name in the blank space provided in the form of proxy and signing the form of proxy or by completing and signing another proper form of proxy.

A shareholder may revoke a proxy at any time by sending an instrument in writing executed by him or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized in writing, at the same address where the form of proxy was sent and within the delays mentioned therein, or two business days preceding the date the Meeting resumes if it is adjourned, or remit to the chairman of such Meeting on the day of the Meeting or any adjournment thereof, if applicable.

#### **EXERCISE OF DISCRETION BY PROXIES**

The management undertakes to respect the holder's instructions.

**In the absence of any indication by the mandatory or in the event the right to vote ought not to be exercised with regard to a question, the agent will exercise the right to vote IN FAVOUR of each question defined on the form of proxy, in the notice of meeting or in the Information Circular.**

**Unless otherwise specified herein, all resolutions will be adopted by a simple majority of the votes represented at the Meeting.**

Management does not know and cannot foresee at the present time any amendments or new points to be brought before the Meeting. If such amendments or new points were to be brought before the Meeting, the persons named in the enclosed form of proxy will vote on such matters in the way they consider advisable.

#### **ADVICE TO NON-REGISTERED SHAREHOLDERS**

**The information set forth in this section should be reviewed carefully by the non-registered shareholders. Shareholders who do not hold their shares in their own name (the “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records maintained by the Corporation’s registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting.** If shares are listed in an account statement provided to a shareholder by a broker, those shares will, in all likelihood, *not* be registered in the shareholder’s name. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

National Instrument 54-101 of the Canadian Securities Administrators requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (*i.e.*, the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

In Canada, the vast majority of brokers now delegate responsibility of obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**BFSI**”). BFSI typically prepares a machine-readable voting

instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to BFSI, or otherwise communicate voting instructions to BFSI (by way of the Internet or telephone, for example). BFSI then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives a BFSI voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction forms must be returned to BFSI (or instructions respecting the voting of shares must otherwise be communicated to BFSI) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through a broker or other intermediary, please contact your broker or other intermediary of assistance.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his or her broker (or his or her broker's agent), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the shares as proxyholder for the registered shareholder by entering his or her own name in the blank space on the proxy form provided to him or her by his or her broker (or his or her broker's agent) and return it to that broker (or that broker's agent) in accordance with the broker's instructions (or the agent's instructions).

**All references to shareholders in this Information Circular, the enclosed form of proxy and the notice of meeting are to the registered shareholders unless specifically stated otherwise.**

#### **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

The Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any of the following persons in any matter to be acted upon at the Meeting:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year;
- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

The authorized capital stock of the Corporation consists of an unlimited number of common shares without par value. Each common share entitles its holder to one vote. On November 3, 2022, there were 133,595,628 common shares of the Corporation issued and outstanding.

The Board of Directors of the Corporation (the "**Board**") fixed the close of business on November 3, 2022 as the record date (the "**Record Date**") for determining which shareholders shall be entitled to receive notice of the Meeting and to vote in person or by proxy at the Meeting or any adjournment thereof. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten (10) days after the Record Date, an alphabetical list of the shareholders entitled to vote as of the record date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting. The list of shareholders is available for inspection during usual business hours at the management office of the Corporation.

As at the date hereof, to the knowledge of management of the Corporation, there is no one holding 10% or more of the issued shares of the Corporation.

## **COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS**

### **A – EXECUTIVE OFFICERS**

#### **Compensation Discussion and Analysis**

##### ***Interpretation***

“Named executive officer” (“NEO”) means:

- (a) a Chief Executive Officer (“CEO”);
- (b) a Chief Financial Officer (“CFO”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Mr. Dinesh Kandanchatha, interim CEO, Scott Kelly CFO, Daniel Bélisle former CFO and Michel Fontaine former President and CEO.

##### ***Compensation Program Objectives***

The objectives of the Corporation’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Corporation’s continued success;
- to align the interests of the Corporation’s executives with the interests of the Corporation’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Corporation is a mining company involved in exploration and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the NEOs.

### ***Purpose of the Compensation Program***

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's business objectives and values, for achieving the Corporation's performance objectives and for their individual performances.

### ***Elements of Compensation Program***

The executive compensation program consists of a combination of base salary (or consulting fees) and stock option incentives.

### ***Purpose of Each Element of the Executive Compensation Program***

The base salary (or consulting fees) of the NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary (or consulting fees), the NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. Awards under this plan are made by way of stock options which are granted the following fiscal year.

Stock options are generally awarded to NEOs on an annual basis based on performance. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

### ***Determination of the Amount of Each Element of the Executive Compensation Program***

#### ***Intervention of the Compensation Committee***

Compensation of the NEO's of the Corporation, other than the CEO, is reviewed annually by the CEO, who makes recommendations to the Compensation Committee. The Compensation Committee reviews the recommendations of the CEO and makes its own recommendations to the Board, which approves the compensation of the NEOs based on the recommendations of the Compensation Committee. Compensation for the CEO is reviewed annually by the Compensation Committee, which then makes recommendations to the Board. The Board approves the base salary of each NEO based on the recommendations of the Compensation Committee.

During the most recently completed financial year, the members of the Compensation Committee were Mr. Nathan Tribble and Mr. Dinesh Kandanchatha.

#### ***Base Salary***

The review of the NEO's base salary takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

#### ***Performance Bonus***

Performance bonuses are granted on a case by case basis with no pre-established goals.

### *Stock Options*

The Corporation has established a formal stock option plan (the “**Stock Option Plan**”) under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board, based on recommendations of the Compensation Committee where appropriate, determines which NEOs (and other persons) are entitled to participate in the Stock Option Plan, determines the number of options granted to such individuals and determines the date on which each option is granted and the corresponding exercise price. For further information regarding the Stock Option Plan refer to “Securities Authorized for Issuance Under Equity Compensation Plans”.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange.

### *Link to Overall Compensation Objectives*

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary (or consulting fees) of each NEO, combined with a performance bonus and with the granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

### Terms and Conditions of Stock Option Plan

The Corporation's stock option plan (the "Plan") was adopted by the Board in 1997 and amended on November 9, 1999, August 30, 2001, August 30, 2002, September 16, 2005, March 27, 2007, June 23, 2009, September 2, 2010 and August 25, 2011. Pursuant to the Plan:

- The number of common shares which may be reserved under the Plan is limited to 10% of the aggregate number of common shares of the Corporation issued and outstanding, as the case may be.

Consequently, the number of common shares reserved under the Plan could automatically increase or decrease as the number of issued and outstanding common shares of the Corporation increases or decreases. This is known as a “rolling” stock option plan;

## **CORPORATE GOVERNANCE PRACTICES**

*Regulation 58-101 respecting Disclosure of Corporate Governance Practices and Policy Statement 58-201 to Corporate Governance Guidelines* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

### **Board of Directors**

1. Independent Directors

Mr. Nathan Tribble and Mr. Kulvir Singh Gill are the independent directors of the Corporation.

2. Non-Independent Directors

Mr. Dinesh Kandanchatha in light of his position as Chief Executive Officer and Mr. Simran Kamboj in light of his position as President are non-independent members of the Board.

### **Directorships**

The following directors are currently directors of other issuers that are reporting issuers (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction:

<b>Name of Director</b>	<b>Issuer</b>
Dinesh Kandanchatha	Macadamian Technologies Inc.
Nathan Tribble	Generic Gold Corp Huntsman Exploration Inc. Lion Rock Resources Inc.
Kulvir Singh Gill	Canada Nickel Company Inc.

### **Orientation and Continuing Education**

The Corporation does not currently have a formal orientation program for new directors. The Board has not at this time taken any measures to provide continuing education for the Directors. However, the Directors of the Corporation are encouraged to attend, at the Corporation's expense, any seminar given by the TSX Venture Exchange or the Canadian Securities Administrators relating to the management of a public company or relating to their responsibilities as a Director of a public company. Furthermore, the Directors are given access to the Corporation's legal advisors for any questions they may have relating to such responsibilities.

## **Ethical Business Conduct**

The Board has taken steps to encourage and promote a culture of ethical business conduct by adopting a code of business conduct and ethics (the “**Code**”) applicable to all employees, officers, directors, consultants and contractors of the Corporation and its subsidiaries. All such persons are expected to adhere to the principles contained in the Code and failure to observe the terms of the Code may result in disciplinary action, including suspension, termination of employment or removal from the Board.

The Code covers a wide range of business practices and principles including the need for: (i) compliance with applicable laws and regulations, (ii) acting honestly and in good faith having in view the Corporation’s best interest (iii) advancing the Corporation’s legitimate interests, (iv) compliance at all times with prescribed accounting, internal accounting, and auditing procedures and controls (to this regard, the Corporation has instituted a “whistleblower” program whereby any infractions can be reported to the Chair of the Audit Committee), (v) compliance with applicable securities laws prohibiting trading in the securities of a company while in possession of material, non-public information regarding such company (insider trading), (vi) respect of confidential information regarding the Corporation, (vii) protection and proper use of the Corporation’s assets (viii) property of inventions, developments and improvements conceived by employees during their period of employment, (ix) respect of co-workers, their integrity and their dignity and (x) respect of applicable environmental laws and regulations. The Corporation expects employees and directors to take all responsible steps to prevent a violation of the Code and in this regard, are encouraged to report any violations thereto.

No material change report has been filed that pertains to any conduct of a director or executive officer that constitutes a departure from the Code.

## **Nomination of Directors and Disclosure Relating to Diversity**

The Board does not have a nominating committee. The current size and composition of the Board allow the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences and ability to devote the required time.

The Corporation has not adopted term limits for its directors or other mechanisms of Board renewal. The Corporation is aware of the positive impacts of bringing new perspectives to the Board, and therefore does occasionally add new members; however, it values continuity on the Board and the in-depth knowledge of the Corporation held by those members who have a long-standing relationship with the Corporation.

The Corporation does not currently have a written policy relating to the identification and nomination of women, Aboriginal peoples, persons with disabilities or members of visible minorities as directors. Historically, the Corporation has not felt that such a policy was needed. However, the Corporation is currently considering the adoption of such a policy.

When the Board selects candidates for executive or senior management positions or for director positions, it considers not only the qualifications, personal qualities, business background and experience of the candidates, it also considers the composition of the group of nominees, to best bring together a selection of candidates allowing the Corporation’s management or Board, as the case may be to perform efficiently and act in the best interest of the Corporation and its shareholders. The Corporation is aware of the benefits of diversity at the executive and senior management levels and on the Board, and therefore the level of representation of women, Aboriginal peoples, persons with disabilities and members of visible

minorities is one factor taken into consideration during the search process for executive and senior management positions or for directors.

The Corporation has not adopted a “target” number or percentage regarding women, Aboriginal peoples, persons with disabilities or members of visible minorities on the Board or in executive or senior management positions. The Corporation considers candidates based on their qualifications, personal qualities, business background and experience, and does not feel that targets necessarily result in the identification or selection of the best candidates.

### **Compensation**

The process used by the Board to determine the compensation of the CEO of the Corporation is described in the section “Executive Compensation - Compensation Discussion and Analysis”. The compensation of the directors of the Corporation is determined by the Board, as a whole, upon the recommendation of the Compensation Committee. Compensation decisions are made based on regular reviews of industry specific standards, the corporation’s capacity to provide such compensation and the particular requirements of the position.

### **Other Board Committees**

There are currently no committees other than the Audit Committee and the Compensation Committee.

### **Assessments**

The Board regularly reviews the necessity of setting up other committees as well as the role of its Directors, and individual Directors are encouraged to give feedback regarding the effectiveness of the Board as a whole, its committees and individual Directors.

## **PARTICULARS OF OTHER MATTERS TO BE ACTED UPON**

### **RATIFICATION AND CONFIRMATION OF THE STOCK OPTION PLAN**

The material terms and conditions of the Plan are set out under the heading “Terms and Conditions of Stock Option Plan” in this Information Circular.

Under the Plan, the Board may, from time to time and at its discretion, grant to directors, officers, employees or consultants of the Corporation options entitling them to subscribe for common shares of the Corporation, provided that the number of options granted does not exceed a maximum of 10% of the aggregate number of common shares of the Corporation issued and outstanding.

Consequently, the number of common shares that are reserved under the Plan is automatically increased or decreased as the number of issued and outstanding common shares of the Corporation increases or decreases. This is known as a “rolling” stock option plan.

Accordingly, shareholders will be asked to adopt a resolution in the form annexed hereto as Schedule B, ratifying and confirming the Plan. In order to be adopted, the resolution must be approved by a majority of the votes cast by the holders of the common shares, either present in person or represented by proxy at the Meeting. **Unless otherwise specified, the persons named in the accompanying form of proxy intend to vote FOR the**

**resolution ratifying and confirming the Plan.**

#### **OTHER MATTERS**

However, if any other matters which are known to the management should properly come before the Meeting, the accompanying form of proxy confers discretionary authority upon the persons' name therein to vote on such matters in accordance with their best judgement.
