PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed form of Proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the Proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised that they intend to oppose any action intended to be taken by Management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying instrument of Proxy are Directors and/or Officers of the Company. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM/HER ON HIS/HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A REGISTERED SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. THE COMPLETED INSTRUMENT OF PROXY SHOULD BE DEPOSITED WITH THE COMPANY'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA, 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, AT LEAST 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.**

The instrument of Proxy must be dated and be signed by the registered shareholder or by his attorney in writing, or, if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A registered shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder may revoke a proxy (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, or (b) signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at the Company's Registrar and Transfer Agent, Computershare Trust Company of Canada and within the time aforesaid or with the chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING BY PROXY

Common shares of the Company (the “**Shares**”) represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and if the Registered Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a Registered Shareholder as proxyholder, such person will vote in favour of each matter identified in the notice of Meeting and for the nominees of management for directors and auditor.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this information circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

NON-REGISTERED HOLDERS OF COMPANY’S SHARES

The record date for determination of the holders of common shares of the Company entitled to receive notice of, and to vote at, the Meeting is July 28, 2014 (the “**Record Date**”). Only shareholders whose names have been entered in the register of common shareholders at the close of business on the Record Date (“**Registered Shareholders**”) will be entitled to receive notice of, and to vote at, the Meeting.

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the common shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the common shares. More particularly, a person is not a registered Shareholder in respect of common shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the common shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFFs, RESPs and similar plans); or (b) in the name of a clearing agency of which the Intermediary is a participant. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration for the Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms).

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBO**’s”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBO**’s”.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has elected to send the Notice of Meeting, this Information Circular and the Proxy (collectively, the “**Meeting Materials**”) directly to the NOBO’s, and indirectly through Intermediaries to the OBO’s. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to Non-Registered Holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”) instead of a proxy. By returning the VIF in accordance with the instructions noted on it a Non-Registered Holder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIF’s, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the common shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

These Meeting Materials are being sent to both Registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Company or its agent has sent these Meeting Materials directly to you,

your name and address and information about your holding of common shares of the Company have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

All references to shareholders in this information circular, the accompanying form of proxy and the notice of meeting are to Registered Shareholders unless specifically stated otherwise.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of Proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution will do so in accordance with such direction.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, to the knowledge of the Company, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, save and except for those matters pertaining to the Company's incentive stock option plan.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "shares"). At the close of business on July 28, 2014, 70,865,139 common shares are issued and outstanding, each share carrying the right to one vote. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he is the holder.

Only shareholders of record on the close of business on the 28th day of July, 2014, who either personally attend the Meeting or who complete and deliver a Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her shares voted at the Meeting or any adjournment thereof.

Principal Security-holders

To the best knowledge of the directors and senior officers of the Company, as at the date of the circular, there are no persons who beneficially owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company. Management understands that the shares registered in the name of CDS & Co. are beneficially owned through various dealers and other intermediaries on behalf of their clients and other parties. The names of the beneficial owners of such shares are not known to the Company.

Quorum

Under the Company's Articles, the quorum for the transaction of business at the Meeting consists of one Shareholder or one proxy holder representing Shareholders holding at least 5% of the issued and outstanding Shares of the Company entitled to vote at the Meeting.

COMPENSATION DISCUSSION AND ANALYSIS

Each executive officer may receive a base salary (or compensation), which constitutes the largest share of the officer's compensation package. Base salary is recognition for discharging job responsibilities and reflects the officer's performance over time, as well as that individual's particular experience and qualifications. An officer's

base salary would be reviewed by the Board of Directors on an annual basis and may be adjusted to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years. Officers are also eligible to receive discretionary bonuses as determined by the Board of Directors based on each officer's responsibilities, his achievement of corporate objectives and the Company's financial performance.

In addition, officers are eligible under the Company's Stock Option Plan (the "Plan") to receive grants of stock options. The Plan is an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of the Common Shares over a stated period of time. The Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long-term contribution to the Company will be key to its long-term success.

During the most recently completed financial year, the Company had a written agreement with Zachery Dingsdale, pursuant to his executive management services at a cost of \$7,500 per month and with Ickbal Boga, pursuant to CFO services provided at a cost of \$5,000 per month.

The directors and officers of the Company as a group beneficially own, directly or indirectly, an aggregate of approximately 1,595,419 common shares, which together represent approximately 2.26% of the total votes attached to the issued and outstanding shares of the Company.

4. Approval and Ratification of Stock Option Plan

The Company presently has in place a "rolling" stock option plan (the "Plan"), first implemented December 3, 2003, whereby the Company is authorized to grant stock options of up to 10% of its issued and outstanding shares, from time to time. The TSX Venture Exchange (the "TSX.V") requires listed companies who have "rolling" stock option plans in place to receive shareholder approval to such plan on a yearly basis at the Company's annual general meeting. As such, the directors of the Company wish to ratify and approve the Plan.

The material terms of the Plan are as follows:

1. The term of any options granted under the Plan will be fixed by the board of directors at the time such options are granted, provided that options will not be permitted to exceed a term of five years (or ten years if the Company is reclassified by the TSX.V as a Tier 1 Issuer).
2. The exercise price of any options granted under the Plan will be determined by the board of directors, in its sole discretion, but shall not be less than the closing price of the Company's common shares on the day preceding the day on which the directors grant such options, less any discount permitted by the TSX.V to a minimum of \$0.10 per share.
3. No vesting requirements will apply to options granted hereunder, however a four month hold period will apply to all shares issued under each option, commencing from the date of grant.
4. All options will be non-assignable and non-transferable.
5. No more than (i) 5% of the issued shares may be granted to any one individual in any 12 month period; and (ii) no more that 2% of the issued shares may be granted to a consultant, or an employee performing investor relations activities, in any 12 month period.

6. If the option holder ceases to be a director of the Company (other than by reason of death), then the option granted shall expire on no later than the 90th day following the date that the option holder ceases to be a director of the Company, subject to the terms and conditions set out in the Plan. If the option holder ceases to be an employee, consultant or management company employee of the Company (other than by reason of death), then the option granted shall expire on no later than the 30th day following the date that the option holder ceases to be employed or contracted by the Company, subject to the terms and conditions set out in the Plan.
7. Disinterested shareholder approval must be obtained for (i) any reduction in the exercise price of an outstanding option, if the option holder is an insider; (ii) any grant of options to insiders, within a 12 month period, exceeding 10% of the Company's issued shares; and (iii) any grant of options to any one individual, within a 12 month period, exceeding 5% of the Company's issued shares.
8. For stock options granted to employees, consultants or management company employees, the Company represents that the proposed optionee is a bona fide employee, consultant or management company employee, as the case may be.
9. Options will be reclassified in the event of any consolidation, subdivision, conversion or exchange of the Company's common shares.
10. The board of directors may make certain amendments to the Plan or any option without shareholder approval. The directors have the authority to make changes such as: amendments of a "housekeeping" nature; and a change to the termination provisions of an option or the Plan which does not entail an extension beyond the original expiry date. Amendments which reduce the exercise price or extend the term of an option held by an insider will require approval of the shareholders and the TSX.V.

The Plan is subject to receipt of annual TSX.V acceptance to its filing. Shareholders will be asked to consider, and if thought fit to approve a resolution ratifying and approving the Company's existing Plan.

Reference should be made to the full text of the Plan which will be made available at the offices of the Company, #608 – 409 Granville Street, Vancouver, BC, V6C 1T2 until the business day immediately preceding the date of the Meeting.

It may occur that the Company will grant stock options pursuant to the Company's stock option plan, from time to time during the next 12 months, to insiders that in aggregate will exceed 10% of the Company's issued shares. Accordingly, shareholders will be asked to pass resolutions authorizing the directors to implement the above. **Granting the directors the right to issue such options does not mean that the same will occur.** Rather it allows the directors the flexibility to undertake the same should the circumstances warrant, without the expense of calling another shareholder meeting to specifically approve each issuance.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting or in person or by proxy must be voted in favour of the resolution. The persons named in the enclosed Proxy intend to vote for such resolution:

"BE IT RESOLVED THAT:

the Company's Stock Option Plan be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the Policies of the Exchange, as the directors of the Company may deem necessary or advisable"

5. Share Consolidation

At the Meeting, shareholders will be asked to vote for a special resolution (the full text of which is set forth below) amending the Company's share structure by consolidating the Company's issued share capital on the basis of up to ten (10) old common shares of the Company for one (1) new common share of the Company (the "**Share Consolidation**"), with the actual consolidation ratio to be determined by the directors following the Meeting (such ratio not to exceed ten (10) old common shares for one (1) new common share). As of the date of this Information Circular, the Company has 70,865,139 common shares issued and outstanding. The proposed Share Consolidation, assuming the maximum 10:1 ratio, would reduce the number of outstanding common shares to approximately 7,086,514 common shares before taking into account any fractional shares resulting from the Share Consolidation. Fractional shares issuable as a result of the Share Consolidation will be converted into whole shares as follows:

(a) any fractional shares comprising less than one-half of one common share will be deemed to have been tendered by the registered owner to the Company by way of gift for cancellation, and will be returned to the authorized but unissued shares of the Company; and

(b) any fractional shares comprising greater than or equal to one-half of one common share will be converted into one whole common share.

Subject to the approval of the TSX Venture Exchange (the “*Exchange*”), the Share Consolidation will be effective on the date on which the directors of the Company determine to carry out the Share Consolidation.

It is anticipated that a letter of transmittal containing instructions with respect to the surrender of share certificates for the Company’s pre-Share Consolidation common shares will be furnished to the shareholders of the Company for use in exchanging their share certificates. Following the return of a properly completed and executed letter of transmittal, together with the share certificate for the pre-Share Consolidation common shares, the certificates for the appropriate number of post-Share Consolidation common shares will be issued.

Management of the Company is of the opinion that the Share Consolidation is in the best interests of the Company. Management believes the Share Consolidation will allow the Company greater possibilities with respect to future financings. The Board of Directors recommends that the shareholders of the Company vote in favour of the Share Consolidation. The persons designated in the enclosed form of proxy, unless instructed otherwise, intend to vote FOR the Share Consolidation resolutions.

The following is the text of the special resolution which will be put forward at the Meeting:

“IT IS RESOLVED as a special resolution that, subject to the acceptance by the TSX Venture Exchange:

1. the Company’s authorized share structure be altered by consolidating (the “**Share Consolidation**”) all of the issued and outstanding common shares without par value in the capital of the Company on the basis of up to a maximum of ten (10) old common shares of the Company for one (1) new common share of the Company, such that the 70,865,139 issued and outstanding common shares of the Company (or such other number of fully paid and issued common shares that are outstanding on the effective date of the Share Consolidation) are consolidated into approximately 7,086,514 common shares (or such other number of fully paid and issued common shares resulting from the Share Consolidation);

2. any fractional shares of the Company arising from the Share Consolidation be converted into whole common shares of the Company as follows:

(a) any fractional shares arising upon the Share Consolidation comprising less than one-half of one common share will be deemed to have been tendered by the registered owner to the Company by way of gift for cancellation, and will be returned to the authorized but unissued share capital of the Company; and

(b) any fractional shares arising upon the Share Consolidation comprising greater than or equal to one-half of one common share will be converted into one whole common share;

3. the directors of the Company, in their sole and complete discretion, may act upon this special resolution to effect the Share Consolidation and to determine the actual Share Consolidation ratio (such ratio not to exceed ten (10) old common shares for one (1) new common share), or if deemed appropriate and without any further approval from the shareholders of the Company, may choose not to act upon this special resolution notwithstanding shareholder approval of the Share Consolidation.

4. should the directors of the Company choose to act upon this special resolution to effect the Share Consolidation and subject to the deposit of this resolution at the Company’s records office, the Company’s agents are authorized and directed to electronically file a Notice of Alteration with the Registrar of Companies of British Columbia, if required: and

5. any one director or officer of the Company is authorized and directed on behalf of the Company, to take all necessary steps and proceedings, and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things as may be necessary or desirable to give effect to this special resolution.”

Management of the Company recommends that shareholders vote in favour of the foregoing resolution, and the persons named in the enclosed form of proxy intend to vote for the approval of the foregoing resolution at the Meeting unless otherwise directed by the shareholders appointing them.

6. Acts and Deeds of Directors

Shareholders will be requested to pass an ordinary resolution to confirm, ratify and approve all acts, deeds and things done by and the proceedings of the Directors and Officers of the Company on behalf of the Company during the preceding year.

As of the date of this circular, management knows of no other matters to be acted upon at this Annual General Meeting. However, should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the proxy.

OTHER MATTERS

Management knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the shares represented by the Instrument of Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting by proxy provided that such authority is granted to the proxyholder by the proxy.

The Company must also, pursuant to the provisions of National Instrument 52-110 *Audit Committees* ("NI 52-110"), have a written charter which sets out the duties and responsibilities of its audit committee. In providing the following disclosure, the Company is relying on the exemption provided under NI 52-110, which allows for the short form disclosure of the audit committee procedures of venture issuers.

Audit Committee's Charter

Mandate

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting, and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Audit Committee's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements. The members of the Audit Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting.

Meetings

The Audit Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

SCHEDULE "B"
CORPORATE GOVERNANCE

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day-to-day management of the Company. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Policy 58-101 *Disclosure of Corporate Governance Practices* ("NP 58-101") the Company is required to disclose its corporate governance practices, as summarized below. The Board of Directors will continue to monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

Board of Directors:

The Board of Directors is currently composed of four (4) directors, Messrs. Zachery Dingsdale, Mark Fekete, Patricia Wilson and Steve Smith. All the proposed nominees are current directors of the Company.

NP 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as "independent" directors. An "independent" director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. In addition, where a company has a significant shareholder, NP 58-101 suggests that the board of directors should include a number of directors who do not have interests in either the company or the significant shareholder. Of the proposed nominees of the Company, Steve Smith and Patricia Wilson are considered by the Board of Directors to be "independent" within the meaning of NP 58-101 and Zachery Dingsdale (CEO and President) and Mark Fekete, VP Exploration are management directors and accordingly are considered to be "non-independent".

The independent directors exercise their responsibilities for independent oversight of management and meet independently of management whenever deemed necessary.

The board of directors (the "board") facilitates its exercise of independent supervision over management, including

- i) the identity of directors that are independent, and
- (ii) the identity of directors who are not independent, and the basis for that determination

Orientation and Continuing Education

Each new director is given an outline of the nature of the Company's business, its corporate strategy, and current issues within the Company. New directors are also required to meet with management of the Company to discuss and better understand the Company's business and are given the opportunity to meet with counsel to the Company to discuss their legal obligations as directors of the Company.

In addition, management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Board of Directors will be preparing a written Code of Ethical Conduct (the "Code") for its directors, officers and employees. As one measure to ensure compliance with the Code, the Board of Directors will also establish a Whistleblower Policy which details complaint procedure for financial concerns. The full text of these standards will be available free of charge to any person upon request to the Company at Suite 608 – 409 Granville, Vancouver, BC, V6C 1T2 (Telephone: 604-642-0115).

In addition, as some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities, the Board of Directors must comply with the conflict of interest provisions of the British Columbia *Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

The Company's management is continually in contact with individuals involved in the mineral exploration industry and public sector resource issuers. From these sources the Company has made numerous contacts and in the event that the Company were in a position to nominate any new directors, such individuals would be brought to the attention of the Board of Directors. The Company conducts the due diligence, reference and background checks on any suitable candidate. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required and a willingness to serve.

Compensation

The Board of Directors has the responsibility for determining the compensation of the Company's Chief Executive Officer and does so with reference to industry standards and the Company's financial situation. The Board of Directors may choose to compensate independent directors \$500 per month in their capacity as directors and do receive stock options.

Other Board Committees

The Company does not have any committees other than an Audit Committee. See "Audit Committee" above.

Assessments

Being a venture issuer with limited administration resources, the Board of Directors work closely with management and, accordingly, are in a position to assess individual director's performance on an ongoing basis.
