

REQUEST FOR FINANCIAL STATEMENTS AND MANAGEMENT'S DISCUSSION AND ANALYSIS

National Instrument 51-102 "Continuous Disclosure Obligations" ("NI 51-102") adopted by the Canadian securities regulatory authorities requires that the Company send annually a request form to the registered and beneficial holders of its shares to allow those shareholders to request a copy of the Company's annual and interim financial statements and the Management's Discussion and Analysis ("MD&A") for those statements.

Please note that under NI 51-102, the Company is only required to send its financial statements and MD&A if you request them. The Company may however, in its discretion, choose to send the financial statements and MD&A to you.

If you wish to receive the Company's financial statements and MD&A, please complete the bottom of this Request Form and return it to the address specified. You may revoke this request at any time.

This Request Form will apply to the Company's annual financial statements and MD&A for the current fiscal year and all interim statements and MD&A which the Company may send after the date hereof and prior to the Company sending a subsequent Request Form. This Request Form will only apply to the extent you are still a shareholder of the Company on the date those materials are to be sent to you.

The Company is also continually seeking ways to improve the dissemination of shareholder materials and to reduce the costs and delay associated with printing and mailing those materials. Shareholders are reminded that a copy of all financial statements and MD&A is filed by the Company and available on the System for Electronic Document Analysis and Retrieval at www.sedar.com maintained by the Canadian securities regulatory authorities.

The undersigned hereby requests that I be sent (please indicate):

- Annual Financial Statements and the MD&A for those statements
- Interim Financial Statements and the MD&A for those statements

I confirm that I am a shareholder of the Company.
