This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful. The securities issued, or to be issued, under the Private Placement have not been, and will not be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

Existing Security Holder Exemption

The Private Placement is being made available to existing shareholders of the Company ("**Existing Security Holders**") who qualify under the "existing security holder prospectus exemption" available in certain jurisdictions in Canada (the "**Existing Security Holder Exemption**").

As the Existing Security Holder Exemption contains certain restrictions and is only available in certain jurisdictions in Canada, others that do not qualify under the Existing Security Holder Exemption may qualify to participate under other prospectus exemptions.

Terms and Restrictions Relating to the Existing Security Holder Exemption

The criteria of the Existing Security Holder Exemption are set out in various regulatory instruments of the participating jurisdictions in Canada. To comply with the criteria of the Existing Security Holder Exemption, the offering to Existing Security Holders shall be subject to, among other criteria, the following:

- April 10, 2017 has been set as the record date (the "**Record Date**") for the purpose of determining existing security holders entitled to purchase Units pursuant to the Existing Shareholder Exemption.

- To participate, a qualified shareholder must deliver (a) an executed subscription agreement in the required form, which will include requirements of the Existing Security Holder Exemption (e.g., that the subscriber was as of the Record Date and continues to be as of the date of closing, a shareholder of the Company) and (b) pay the subscription amount no later than June 2, 2017. Contact information to obtain the subscription form is set out below.
- The aggregate acquisition cost to a subscriber under the Existing Security Holder Exemption cannot exceed \$15,000 per twelve month period unless that subscriber has obtained advice from a registered investment dealer regarding the suitability of the investment.
- A maximum of 2,500,000 Units of the Company will be offered to shareholders as of the Record Date under the Existing Security Holder Exemption, which, assuming all Warrants underlying the Units are exercised, amounts to 5,000,000 Common Shares, being less than 100% of the issued and outstanding Common Shares, the maximum permitted to be issued under the Existing Security Holder Exemption.
- Subscriptions will be accepted by the Company on a 'first come, first served' basis. Therefore, if the Private Placement is over-subscribed it is possible that a shareholder's subscription may not be accepted by the Corporation. Additionally, in the event of an imbalance of large subscriptions compared to smaller subscriptions, management reserves the right in its discretion to reduce large subscriptions in favour of smaller shareholder subscriptions.
- In accordance with the Existing Security Holder Exemption, the Company confirms there is no material fact or material change related to the Company that has not been generally disclosed and that the Company's "core documents" and "documents" as defined under applicable securities laws do not contain a misrepresentation.

Further terms and conditions shall be set out in the form of subscription agreement that will be made available to interested shareholders, who are directed to contact the Company as follows:
