

Platinex Announces Private Placement Financing

TORONTO, May 23, 2019 -- **Platinex Inc.** (CSE: PTX) (the "**Company**" or "**Platinex**") wishes to announce a non-brokered private placement up to \$500,000.

Non-Brokered Private Placement

The Company wishes to announce a non-brokered private placement (the "**Private Placement**") of up to 10,000,000 units ("**Units**") at \$0.05/Unit to raise \$500,000. Each Unit will consist of one common share ("**Common Share**") of the Company and one Common Share purchase warrant (each a "**Warrant**"). The closing date of the Offering is anticipated to occur on or about June 7, 2019 or such other date determined by the Company. Also it is anticipated that the Private Placement will be closed in one or more tranches.

Each Warrant is exercisable into a Common Share at an exercise price of \$0.10 for 24 months following the first closing. The warrants will provide that, if the average closing price of the common shares on the Canadian Securities Exchange is at least \$0.20 for 20 consecutive trading days and the 20th trading day is at least four months after the first closing of the offering, the Corporation may elect to change the expiry of the warrants to a date which is at least 30 days following notice of that change given to warrant holders.

The Company will use the proceeds for working capital purposes.

The Company may pay a cash commission equal to 8% of the subscription price for the securities sold to purchasers introduced to the Corporation by the finder, and non-transferable finder's warrants having a one year term to purchase shares equal in number to 8% of the units sold to the finder's clients and consisting of one common share.

All securities issued in connection with this Private Placement will be subject to a four month plus one day hold period from the date of issuance in accordance with applicable securities laws.

Insiders of the Company are expected to participate in the Private Placement (the "**Insider Participation**"), which will be considered a related party transaction within the meaning of Multilateral Instrument 61-101 ("**MI 61-101**"). The Company intends to rely on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in Sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of any Insider Participation.

Cannabis Business Update

Platinex continues to operate as a mining issuer under the Policies of the Canadian Securities Exchange ("**CSE**") with the Shining Tree Property being its primary asset. Platinex has acquired interests in certain cannabis businesses, which are described in more detail in the Company's MD&A for the year ended December 31, 2018. The Company has not completed a fundamental change of business ("**COB**") but may seek to do so in the future, which remains subject to shareholder and CSE approvals. The Company will continue to operate as a mining issuer and allocate the majority of its resources to advancing its mineral exploration properties until the requisite approvals for the COB have been obtained. While the Company has undertaken certain initiatives in the cannabis sector in the United States, these activities will remain of secondary priority until the Company completes the COB and obtains the approvals required thereto. There is no assurance the CSE will provide conditional or final approval of the COB.
