Musgrove Minerals Corp. has refiled the Management's Discussion and Analysis ("MD&A") and Certificates for the financial period ending May 31, 2011.

The Company has filed on SEDAR a revised MD&A for the 2nd quarter ended May 31, 2011. The original MD&A was filed on July 25, 2011.

The revised MD&A does not reflect a material change in the financial position of the Corporation but is rather intended to clarify the Company's earlier disclosure to address the requirements of the National Instrument 52-109 – Certification of Disclosure in Issuers Annual and Interim Filings ("NI 52-109").
