## Corporate Update

**Surrey, British Columbia** – June 15, 2015 – Musgrove Minerals Corp. (“Musgrove” or the “Company”) (TSX.V: MGS) announces that in connection with its news release dated June 8, 2015, it has completed a share consolidation (the “Consolidation”). The Company obtained approval from the Toronto Venture Exchange on June 15, 2015 and is completing the necessary corporate filings in order to effect the Consolidation. Before the consolidation there were a total of 5,335,092 common shares in the capital of the Company that were issued and outstanding. On a three (3) old for one (1) new basis (the “Consolidation Ratio”) a total of approximately 1,778,364 common shares of the Company will be issued and outstanding following the Consolidation. The exact number of post consolidation shares will vary depending on the treatment of fractional shares which will occur when each shareholder’s holdings in the Company are consolidated. Outstanding stock options and warrants will be similarly adjusted by the Consolidation Ratio. A Letter of Transmittal was sent to shareholders on June 15, 2015 and is also available on Sedar under the Company’s profile.

At the opening of trading on June 16, 2015, the shares will trade under a new CUSIP number. The Stock symbol will remain as: “MGS”.
