Management Information Circular and Proxy Statement

(Unless otherwise stated, information contained herein is given as of November 15, 2021)

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This management information circular and proxy statement (the "Management Proxy Circular") is furnished in connection with the solicitation of proxies by the management of General Gold Resources Inc. (the "Corporation") for use at the annual general meeting (the "Meeting") of the holders (the "Shareholders") of common shares ("Common Shares") of the Corporation to be held at 1558 West Hastings Street, Vancouver, British Columbia, V6G 3J4, on Wednesday, December 15, 2021 at 11:00 a.m. (Vancouver time), for the purposes set forth in the notice of annual general meeting (the "Notice") accompanying this Management Proxy Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, internet, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Appointment of Proxyholders

Accompanying this Management Proxy Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person and wish to be represented by proxy are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **All properly executed instruments of proxy for Shareholders must be mailed so as to reach or be deposited at the offices of Computershare Investor Services (Attention: Proxy Department) at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) prior to the time set for the Meeting or any adjournment thereof.** An instrument of proxy may also be voted using a touch tone telephone at 1-866-732-VOTE (8683). Alternatively, a registered shareholder can complete internet voting by logging on at www.investorvote.com and entering the CONTROL NUMBER located on the address box of the shareholder's instrument of proxy.

The persons designated in the instrument of proxy are officers and directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the accompanying instrument of proxy, to attend at and represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy and strike out the names of management's nominees. Alternatively, a Shareholder may complete another appropriate instrument of proxy.

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the Corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournments thereof, at which the instrument of proxy is to be used; or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designees named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" the proposed resolutions at the Meetings. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Management Proxy Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Management Proxy Circular, none of the directors or senior officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on, other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares, Record Date and Principal Shareholders

As at the date of this Management Proxy Circular, the authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value. The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting is November 10, 2021 (the "Record Date"). As at the Record Date, there were 41,145,790 Common Shares issued and outstanding as fully paid and non-assessable.

To the knowledge of the directors and executive officers of the Corporation, there are no beneficial owners or persons exercising control or direction over Common Shares carrying more than 10% of the outstanding voting rights as of the Record Date.

Common Shares

The holders of Common Shares are entitled to notice of and to vote at all annual and special meetings of shareholders (except meetings at which only holders of a specified class or series of shares are entitled to vote) and are entitled to one vote per Common Share. The holders of Common Shares are entitled to receive such dividends as the board of directors of the Corporation (the "Board of Directors" or the "Board") declare and, upon liquidation, to receive such assets of the Corporation as are distributable to holders of Common Shares.

Voting of Common Shares – General

Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on the Record Date and holders of Common Shares issued by the Corporation after the Record Date and prior to the Meeting will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals within respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "CDS").

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, this Management Proxy Circular and the instrument of proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service Corporation (such as Broadridge Financial Solutions, Inc. ("Broadridge")) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through Internet based voting procedures; or
- b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services at the address referred to above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.**

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set above.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Compensation is required to be disclosed for each (i) Chief Executive Officer (or individual who served in a similar capacity during the most recently completed financial year), (ii) each Chief Financial Officer (or individual who served in a similar capacity during the most recently completed financial year), (iii) each of the three most highly compensated executive officers (other than the Chief Executive Officer and the Chief Financial Officer) who were serving as executive officers at the end of the most recently completed fiscal year (or three most highly compensated individuals) and whose total compensation was, individually, more than \$150,000; and (iv) each individual who would meet the definition set forth in (iii) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year (the "Named Executive Officers").

The Named Executive Officers of the Corporation during the most recently completed financial year were Michelle Gahagan, President and Chief Executive Officer, Kelsey Chin, Chief Financial Officer, and David Hughes, former Chief Financial Officer, who resigned July 29, 2020. There were no other Named Executive Officers during the most recently completed financial year, as no other employees earned in excess of \$150,000 in the financial year ended August 31, 2020.

Philosophy and Objectives

As the Corporation does not have a compensation committee, the functions of a compensation committee are performed by the Board of Directors as a whole and the compensation of the Named Executive Officers is reviewed and approved annually by the Board of Directors.

The objective of the Board of Directors in setting compensation levels is to attract and retain individuals of high calibre to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of executive officers with the long-term interests of the Shareholders. These objectives are designed to ensure that the Corporation continues to grow on an absolute basis as well as to grow cash flow and earnings for Shareholders. The Board of Directors set the compensation received by Named Executive Officers so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin. In setting such levels, the Board of Directors relies primarily on their own experience and knowledge.

Compensation

The Corporation compensates its executive officers based on their skill and experience levels and the existing stage of development of the Corporation. Executive officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Corporation's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board of Directors has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, executive officers are paid a monthly consulting fee or salary determined by the Board of Directors, if appropriate. Second, the Board of Directors awards executive officers long term incentives in

the form of stock options. Finally, and only in special circumstances, the Board of Directors may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Corporation does not provide pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board of Directors. The Chief Executive Officer has substantial input in setting annual compensation levels. The Chief Executive Officer is directly responsible for the financial resources and operations of the Corporation. In addition, the Chief Executive Officer and Board of Directors from time to time determine the stock option grants to be made pursuant to the incentive plan of the Corporation (the "Plan"). Previous grants of stock options are taken into account when considering new grants. The Board of Directors awards bonuses at its sole discretion. The Board of Directors does not have pre-existing performance criteria or objectives.

The Board of Directors considers the implications of the risks associated with the Corporation's compensation policies and practices when determining rewards for its executive officers and ensures that those policies do not encourage management to take inappropriate or excessive risks. The Board of Directors does not believe that there are any risks arising from the compensation programs that would be reasonably likely to have a material adverse effect on the Corporation.

The Corporation's compensation program includes certain mechanisms to ensure risk taking behaviour falls within reasonable risk tolerance levels, including (i) the establishment of a compensation package that is competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin; and (ii) utilizing long term incentive plans (option based awards) for diversification and alignment with risk realization periods.

Neither executive officers nor directors are permitted to take any derivative or speculative positions in the Corporation's securities. This is to prevent the purchase of financial instruments that are designed to hedge or offset any decrease in the market value of the Corporation's securities.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Corporation's financial resources and prospects.

- Options will be exercisable for a term of up to ten years, subject to earlier termination in the event of the optionee's death or the cessation of the optionee's services to the Corporation.

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement.

Termination and Change of Control Benefits

Pursuant to the terms of the Plan, if an optionee holds his or her option as director, employee or consultant of the Corporation and such optionee ceases to be a director, employee or consultant of the Corporation, other than by reason of death, then the optionee may exercise such part of the option as is exercisable immediately prior to the time of ceasing to be a director, employee or consultant of the Corporation within a period which is the earlier of the normal expiry date of the option and 90 days following ceasing to be a director, employee or consultant of the Corporation and all unexercised options of the optionee will immediately terminate forthwith without further notice.

If an optionee engaged in investor relations activities ceases to be employed to perform investor relations activities, other than by reason of death, then the optionee may exercise such part of the option as is exercisable immediately prior to the time of ceasing to be employed to perform investor relations activities within a period which is the earlier of the normal expiry date of the option and 30 days following ceasing to be employed to perform investor relations activities and all unexercised options of the optionee will immediately terminate forthwith without further notice.

In the event of a consolidation or merger in which the Corporation is not the surviving company, or in the event the Common Shares are converted into securities of another entity or exchanged for other consideration, or in the event of an offer for fifty percent or more of shares being made by a third party that constitutes a take-over bid as that term is defined in the *Securities Act* (British Columbia) or would constitute a take-over bid as that term is defined in the *Securities Act* (British Columbia) but for the fact that the offeree is not in British Columbia, the Board may make such arrangements as the Board deems appropriate for the exercise of outstanding options or continuance of outstanding options.

Other than the aforementioned agreements, there are no compensatory plans, contracts or arrangements with any Named Executive Officer (including payments to be received from the Corporation or any subsidiary), which result or will result from the resignation, retirement or any other termination of employment of such Named Executive Officer or from a change of control of the Corporation or any subsidiary thereof or any change in such Named Executive Officer's responsibilities, where the Named Executive Officer is entitled to payment or other benefits.

The Corporation adopted an advance notice policy on September 26, 2014 (the "Advance Notice Policy"). The purpose of the Advance Notice Policy is to ensure that all Shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Policy fixes a

deadline by which holders of Common Shares must submit director nominations to the Corporation prior to any annual or special meeting of Shareholders and sets forth the minimum information that a Shareholder must include in the notice to the Corporation for the notice to be in proper written form.

The foregoing is merely a summary of the Advance Notice Policy, is not comprehensive and is qualified by the full text of such policy which is available under the Corporation's SEDAR profile at www.sedar.com.

As of the date of the Management Proxy Circular, the Corporation has not received notice of a nomination in compliance with the Advance Notice Policy.

SCHEDULE "A"

CORPORATE GOVERNANCE POLICY

CORPORATE GOVERNANCE DISCLOSURE (FORM 58-101F2)

1. **Board of Directors** — Disclose how the board of directors (the board) facilitates its exercise of independent supervision over management, including

- (i) the identity of directors that are independent, and
Michael Curtis, James Newall, J. Garry Clark
- (ii) the identity of directors who are not independent, and the basis for that determination.
Michelle Gahagan

In determining whether a director is independent, the Corporation chiefly considers whether the director has a relationship which could, or could be perceived to interfere with the director's exercise of independent judgement.

Michelle Gahagan is currently President and Chief Executive Officer of the Corporation and therefore does not satisfy the definition of Independent as that term is defined in NI 52-110.

2. **Directorships** — If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.

The directors of the Corporation are directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

<i>Name of Director</i>	<i>Issuer</i>
<i>Michelle Gahagan</i>	<i>Canadian Palladium Resources Inc. Moovly Media Inc. Versus Systems Inc.</i>

4. **Ethical Business Conduct** — Describe what steps, if any, the board takes to encourage and promote a culture of ethical business conduct.

The Corporation does not currently have a formal code of business conduct or policy in place for its directors, officers, employees and consultants. The Board believes that the Corporation's size facilitates informal review of and discussions with employees and consultants.

The Board monitors ethical conduct of the Corporation and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

5. Nomination of Directors — Disclose what steps, if any, are taken to identify new candidates for board nomination, including:

- (i) who identifies new candidates, and
- (ii) the process of identifying new candidates.

The Board has not appointed a nominating committee as the Board fulfills these functions as a whole. When the Board identifies the need to fill a position on the Board, the Board requests that current directors forward potential candidates for consideration.

6. Compensation — Disclose what steps, if any, are taken to determine compensation for the directors and CEO, including:

- (i) who determines compensation, and

Management of the Corporation is responsible for making recommendations to the Board with respect to compensation for the directors and the CEO. The Board has the ability to adjust and approve such compensation.

- (ii) the process of determining compensation.

Market comparisons as well as evaluation of similar positions in different industries in the same geography are the criteria used in determining compensation.

7. Other Board Committees — If the board has standing committees other than the audit and compensation identify the committees and describe their function.

The Corporation does not have any other committees other than the audit committee.

8. Assessments — Disclose what steps, if any, that the board takes to satisfy itself that the board, its committees, and its individual directors are performing effectively.

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, its committees, including reviewing the Board's decision making processes and the quality of information provided by management.

The Corporation must obtain disinterested shareholder approval of stock options if a stock option plan, together with all of the Corporation's previously established and outstanding stock option plans or grants, could result at any time in the number of Shares reserved for issuance under stock options granted to insiders exceeding 15% of the issued shares.

5. PARTICIPATION: Stock Options shall be granted under the Plan only to Eligible Persons as shall be designated from time to time by the Board and shall be subject to the approval by such regulatory authorities as may have jurisdiction. This Plan shall not confer upon the optionee any right with respect to continuation of employment by the Corporation. Leave of absence approved by an officer of the Corporation authorized to give such approval shall not be considered an interruption of employment for any purpose of the Plan. Subject to the provisions of the Plan, a Stock Option may be exercised from time to time by delivery to the Corporation of written notice of exercise specifying the number of shares with respect to which the Stock Option is being exercised and accompanied by payment in full, by cash or certified cheque, of the purchase price of the Shares then being purchased.
