

**GRENVILLE GOLD CORP
AND NEWTON GOLD CORP END LITIGATION**

Vancouver, British Columbia, February 11, 2011: Grenville Gold Corp (TSX.V:GVG) ("Grenville" or the "Company") is pleased to report that the Company and Newton Gold Corp ("Newton") have agreed to end the litigation between them.

On March 4, 2008, Grenville and its subsidiaries launched litigation in BC Supreme Court (the "Court") against High Ridge Resources Inc. ("High Ridge", now Newton) relating to certain concessions in Peru known as the "Bella Rubia" concessions. High Ridge's Peruvian subsidiary was not a party to that claim.

Newton has since sold its Peruvian subsidiary and no longer has any interests in Peru, and claims no rights of any kind to the Bella Rubia Concessions.

Documentation will be filed with the Court dismissing the action without costs to any party.

ON BEHALF OF THE BOARD OF DIRECTORS

"*Brian G. Thurston*"
Director
