GRENVILLE GOLD CORP.

NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

June 30, 2016

(Unaudited, expressed in Canadian dollars)

1. NATURE AND CONTINUANCE OF OPERATIONS

Grenville Gold Corp. (the “Company”) was incorporated under the laws of the province of Ontario by articles of incorporation effective November 17, 1994. On June 19, 2009, the Company completed a continuance of business from Ontario to British Columbia. The Company is listed on the TSX Venture Exchange (“TSX-V”) under the symbol “GVG”, the Berlin and Frankfurt stock exchanges in Germany under the symbol “F91Q”, and a pink sheet listing (“OTCPP”) in the United States under the symbol “GVLGF”.

The head office, principal address and records office of the Company are 8338 – 120th Street, Surrey, British Columbia, Canada, V3W 3N4.

These condensed consolidated interim financial statements have been prepared on the assumption that the Company and its subsidiaries will continue as a going concern, meaning it will continue in operation for the foreseeable future and will be able to realize assets and discharge liabilities in the ordinary course of operations. As at June 30, 2016, the Company had not advanced its property to commercial production and is not able to finance day-to-day activities through operations. The Company’s continuation as a going concern is dependent upon the successful results from its mineral property exploration activities and its ability to attain profitable operations and generate funds therefrom and/or raise equity capital or borrowings sufficient to meet current and future obligations. These factors indicate the existence of a material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern. Management intends to finance operating costs over the next twelve months with loans from directors and companies controlled by directors and/or private placement of common shares. Should the Company be unable to continue as going concern, the net realizable value of its assets may be materially less than the amounts on its consolidated statement of financial position.

These condensed consolidated interim financial statements were approved and authorized for issue by the Board of Directors on August 22, 2016.

2. BASIS OF PRESENTATION**Statement of Compliance**

These condensed consolidated interim financial statements have been prepared in accordance with International Accounting Standards (“IAS”) 34 *Interim Financial Reporting* and should be read in conjunction with the annual financial statements for the year ended December 31, 2015, which have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”).

2. BASIS OF PRESENTATION (Continued)

Significant Estimates and Assumptions (Continued)

The estimates and underlying assumptions are reviewed on an ongoing basis. Estimates and assumptions where there is significant risk of material adjustments to assets and liabilities in future accounting periods the recoverability and measurement of exploration and evaluation assets, and provisions for restoration and environmental obligations.

Significant Judgments

The preparation of these financial statements in accordance with IFRS requires the Company to make judgments, apart from those involving estimates, in applying accounting policies. The most significant judgments in applying the Company's condensed consolidated interim financial statements include:

- the assessment of the Company's ability to continue as a going concern and whether there are events or conditions that may give rise to significant uncertainty; and
