PERSONS MAKING THE SOLICITATION

This information circular is furnished in connection with the solicitation of proxies by the management of Sierra Grande Minerals Inc. (the “**Company**”) for use at the annual general meetings of shareholders for the years 2005, 2018, 2019 and 2023 and the annual general & special meeting of shareholders for the year 2024 which meetings will all be held in virtual format on Monday, October 28, 2024 (each, a “**Meeting**” and collectively, the “**Meetings**”) and any adjournments thereof at the time and place and for the purposes set forth in the accompanying notices of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company at nominal cost. All costs of solicitation by Management will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING FORMS OF PROXY ARE DIRECTORS OF THE COMPANY. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING MAY DO SO, EITHER BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORMS OF PROXY OR BY COMPLETING OTHER PROPER FORMS OF PROXY AND IN EITHER CASE DELIVERING THE COMPLETED PROXIES TO THE OFFICE OF ODYSSEY TRUST COMPANY, (A) BY INTERNET AT [HTTPS://VOTE.ODYSSEYTRUST.COM](https://vote.odysseytrust.com), (B) BY MAIL OR PERSONAL DELIVERY TO ODYSSEY TRUST COMPANY, ATTN: PROXY DEPARTMENT, SUITE 702, 67 YONGE ST., TORONTO, ON M5E 1J8, OR (C) BY FAX TO ODYSSEY TRUST COMPANY, ATTN: PROXY DEPARTMENT TO 1-800-517-4553 (TOLL-FREE WITHIN CANADA AND THE U.S.) OR 416-263-9524 (INTERNATIONAL) NOT LESS THAN FORTY-EIGHT (48) HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.**

Each instrument of proxy must be signed by the shareholder or by his or her attorney in writing, or, if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A shareholder who has given a proxy may revoke it by an instrument in writing delivered to the said office of Odyssey Trust Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the chairman of the Meeting on the day of the Meeting or any adjournment of it, or in any manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

ADVICE TO BENEFICIAL SHAREHOLDERS

If common shares are registered under the name of a shareholder's broker or an agent of that broker (rather than in the name of the beneficial shareholder), then such shares can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Beneficial shareholders should ensure that instructions respecting the voting of their common shares are communicated to management by completing and signing a voting information form and returning it to management. The voting instruction form supplied to beneficial shareholders is identical to the form of proxy provided to registered shareholders.

Beneficial shareholders who complete and return voting instruction forms must indicate on each form the person (usually a brokerage house) who holds their shares as a registered shareholder. However, its purpose is limited to instructing management how to vote as proxy holder of the registered holder. Management will execute the voting instructions as instructed by the beneficial shareholder to the extent that the management of the reporting issuer holds the corresponding proxy.

If a beneficial shareholder wants to attend any or all of the Meetings and vote in person, then the beneficial shareholder should write the beneficial shareholder's name in the place provided for that purpose in the voting instruction form(s). A beneficial shareholder can also write the name of someone else who he/she/it wishes to attend the meeting and vote on his/her/its behalf. Unless prohibited by law, the person whose name is written in the space provided will have full authority to attend and present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in the voting instruction form or in this information circular.

The Company is not relying on the "notice-and-access" provisions set out in NI 54-101 to distribute copies of the proxy-related materials in connection with the Meetings. The Company is not sending proxy-related materials directly to non-objecting beneficial owners ("NOBOs").

Management of the Company does not intend to pay for intermediaries to deliver to objecting beneficial owners ("OBOs") under NI 54-101 the meeting materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. OBOs will not receive the meeting materials and Form 54-101F7 unless the intermediary holding shares on behalf of the OBO assumes the cost of delivery.

All references to shareholders in this information circular and the accompanying forms of proxy and notices of Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The securities represented by the proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for, and if the shareholder specifies a choice with respect to any matter to be acted upon, the securities shall be voted accordingly. The form of proxy confers authority upon the named proxyholder with respect to matters identified in the accompanying notices of Meeting.

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IF A CHOICE WITH RESPECT TO SUCH MATTERS IS NOT SPECIFIED, IT IS INTENDED THAT THE PERSON DESIGNATED BY MANAGEMENT IN THE FORM OF PROXY WILL VOTE THE

SECURITIES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF MANAGEMENT FOR DIRECTORS AND AUDITOR. AN ALTERNATE PROXYHOLDER HAS DISCRETION TO VOTE THE SHARES AS HE OR SHE CHOOSES.

The enclosed forms of proxy when properly completed and delivered and not revoked confer discretionary authority upon the named proxyholder with respect to amendments to or variations in matters identified in the accompanying notices of Meeting and other matters which may properly come before the Meetings.

In order to approve a motion proposed at any of the Meetings, a majority of greater than 50% of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a special resolution, in which case a majority of not less than 66 2/3% of the votes cast will be required. In the event a motion proposed at any of the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Company who are also “insiders”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed in this information circular, no person who is or has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year, or any associate of affiliate of such person, or any person on behalf of whom this solicitation is made, has any material interest, direct or indirect, in any matter to be acted upon at the Meetings.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company has an authorized capital consisting of an unlimited number of common shares without par value. Wednesday, September 25, 2024 was fixed in advance by the directors as the record date (the “**Record Date**”) for the purposes of determining those shareholders entitled to receive notice of, and to vote at, the Meetings. Only those shareholders who were shareholders of record by the Record Date and who either personally attend any or all of the Meetings or who have completed and delivered a form of proxy for each Meeting they wish to vote at in the manner and subject to the provisions described herein will be entitled to vote or to have their shares voted at the Meeting(s). As of the date hereof and as at the Record Date, the Company had 29,311,215 common shares issued and outstanding, each such share carrying the right to one (1) vote at each Meeting.

The articles of the Company provide that the quorum for shareholder meetings is one holder, present in person or by represented by proxy at the meeting, entitled to vote at meeting. Any persons entitled or required under the *Business Corporations Act* (British Columbia) or the Company’s articles to be present at the Meetings are entitled to attend at any general meeting but no such person will be counted in the quorum or be entitled to vote at the Meeting unless he is a shareholder or proxyholder entitled to vote at the Meetings. Unless otherwise indicated, each resolution that will be placed before the Meetings will be an ordinary resolution requiring for its approval a simple majority of the votes cast in respect of the resolution.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the voting rights attached to the voting securities of the Company except as follows:

Name of Shareholder	Number of Common Shares Held	Percentage of Issued and Outstanding Common Shares

The Company has no arrangements, standard or otherwise, under which directors are compensated for their services in their capacity as directors, or for committee participation or involvement in special assignments during the most recently completed financial year or subsequently, up to and including the date of this information circular.

Stock options are an important part of the Company’s incentive strategy for its directors and officers, permitting them to participate in any appreciation of the market value of the Company’s shares over a

stated period of time, and is intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall corporate performance as measured through the price of the Company's shares and enables executives to acquire and maintain an ownership position in the Company.

Stock options grants may be made periodically to ensure that the number of options granted to any particular officer or director is commensurate with the officer's level of ongoing responsibility within the Company. The Board will evaluate the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants.

EQUITY COMPENSATION PLAN INFORMATION

⁽¹⁾ Financial year ended December 31.

The Company is asking shareholders to approve the Company's September 23, 2024 stock option plan (the "Plan"). The Plan authorizes the directors to issue options to directors, officers, key employees and others who are in a position to contribute to the future success and growth of the Company.

The Plan is in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the Plan a maximum of 10% of the issued and outstanding shares of the Company at the date of the grant. See "Particulars of Matters to be Acted Upon – Stock Option Plan".

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

At no time during the Company's last completed financial year, was a director, executive officer, employee, proposed management nominee for election as a director of the Company nor any associate of any such director, executive officer, or proposed management nominee of the Company or any former director, executive officer or employee of the Company or any of its subsidiaries indebted to the Company or any of its subsidiaries or was indebted to another entity where such indebtedness is or has been the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries, other than routine indebtedness.

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies.

The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the board of directors considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore such guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

1. Board of Directors

Shaun Dykes, Daryl Ware-Lane and Ben Kramer-Miller are considered to be "independent" as defined by National Policy 58-101. As the size of the Board is small, the Board has no formal procedures designed to facilitate the exercise of independent supervision over management, relying instead on the integrity of the individual members of its management team to act in the best interests of the Company.

2. Directorships

The following table sets out the directors who are currently directors of other reporting issuers in all Canadian and foreign jurisdictions:

Name of Director	Name of Other Reporting Issuer(s)
Sonny Janda	Desert Gold Ventures Inc., Grand Peak Capital Corp.
Shaun Dykes	Lucky Minerals Inc., Multi-Metal Development Ltd.
Daryl Ware-Lane	Adaptogenics Health Corp.
Jared Scharf	Desert Gold Ventures Inc.
Ben Kramer-Miller	None

3. Orientation and Continuing Education

Orientation and education of new members of the Board is conducted informally by management and the Board. The orientation provides background information on the Company's history, performance and strategic plans.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However there is no formal orientation for new members of the Board and this is considered to be appropriate, given the Company's size and current operations.

4. Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. The Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges but, to date, has not adopted a formal written Code of Business Conduct and Ethics.

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the audit

committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process. The current limited size of the Company's operations and the small number of officers and consultants allow the independent members of the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

5. Nomination of Directors

The Board of Directors will consider the size of the Board of Directors each year when it considers the number of directors to recommend for director nominees. The criteria for selecting new directors shall reflect the requirements of the listing standards of the Canadian Securities Exchange (or such other exchange or self-regulatory organization on which the Company's shares are listed for trading) with respect to independence and the following factors:

- (a) the appropriate size of the Company's Board;
- (b) the needs of the Company with respect to the particular talents and experience of its directors;
- (c) personal and professional integrity of the candidate;
- (d) level of education and/or business experience;
- (e) broad-based business acumen;
- (f) the level of understanding of the Company's business and the industry in which it operates and other industries relevant to the Company's business;
- (g) the ability and willingness to commit adequate time to Board and committee matters;
- (h) the fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Company;
- (i) the ability to think strategically and a willingness to share ideas; and diversity of experiences, expertise and background.

6. Compensation

The Board of Directors reviews the compensation of the directors and its executive officers once a year. To make its recommendations on such compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies, as well as the success of the directors and officers in helping the Company to achieve its objectives and the Company's financial resources.

7. Other Board Committees

The Board of Directors has no other committees other than the Audit Committee.

8. Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal periodic assessments of the effectiveness of the Board, its committees and the individual directors to satisfy itself that they are performing effectively. The assessment of the Board relates to the ongoing governance and operation of the Board and its effectiveness in discharging its responsibilities. The assessment of individual directors is comprised of an examination of each individual director's ability to contribute to the effective decision-making of the Board.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth in this information circular, in the notes to the Company's financial statements for the financial year ended December 31, 2023, and other than transactions carried out in the ordinary course of business of the Company or any of its subsidiaries, none of the directors or executive officers of the Company, a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company, nor any shareholder beneficially owning, directly or indirectly, common shares of the Company, or exercising control or direction over common shares of the Company, or a combination of both, carrying more than 10% of the voting rights attached to the outstanding shares of the Company nor an associate or affiliate of any of the foregoing persons has since January 1, 2023 any material interest, direct or indirect, in any transactions which materially affected or would materially affect the Company or any of its subsidiaries.

Effective February 27, 2023, the Company issued 83,333 units in its capital at a deemed price of \$0.08 per unit to Jared Scharf, a director of the Company, in settlement of debt in the amount of \$5,444 (US\$4,000).

Effective February 27, 2023, the Company issued 2,500,000 units in its capital at a price of \$0.06 per unit for a subscription amount of \$150,000 to Lucky Janda, a >10% security holder of the Company, pursuant to a private placement.

The directors and officers of the Company also have an interest in the resolutions concerning (a) the election of directors and (b) the approval of the stock option plan (see below). Otherwise, no director or executive officer of the Company or any associate of the foregoing has any substantial interest, direct or indirect, by way of beneficial ownership of shares or otherwise in the matters to be acted upon at the said Meeting, except for any interest arising from the ownership of shares of the Company where the shareholder will receive no extra or special benefit or advantage not shared on a pro rata basis by all holders of shares in the capital of the Company.

APPOINTMENT AND REMUNERATION OF AUDITOR

Unless otherwise instructed, the proxies given to management pursuant to this solicitation will be voted for the appointment of Buckley Dodds CPA, Chartered Professional Accountants (“**Buckley Dodds**”), as auditor of the Company to hold office until the close of the next annual general meeting of the Company, at a remuneration to be fixed by the directors of the Company. Buckley Dodds is the successor of Dale Matheson Carr-Hilton Labonte LLP, Chartered Professional Accountants, who resigned as the Company’s auditor effective April 11, 2024. Buckley Dodds was first appointed auditor of the Company effective April 12, 2024.

MANAGEMENT CONTRACTS

There are no other management functions of the Company which are to any substantial degree performed other than by the executive officers and directors of the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

Stock Option Plan

Management of the Company believes that incentive stock options serve an important function in furnishing directors, officers, employees and consultants (collectively the “**Eligible Parties**”) of the Company an opportunity to invest in the Company in a simple and effective manner and better aligning the interests of the Eligible Parties with those of the Company and its shareholders through ownership of shares in the Company. Accordingly, at the 2024 Meeting the shareholders will be asked to consider, and the directors, believing it to be in the best interests of the Company, recommend that the shareholders re-approve, the Company's September 23, 2024 stock option plan (the “**Plan**”) and the allotment and reservation of sufficient common shares from treasury to provide the shares necessary for issuance upon the exercise from time to time of options granted pursuant to the Plan.

The Plan is in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the Plan a maximum of 10% of the issued and outstanding shares of the Company at any time, less any shares required to be reserved with respect to options granted by the Company prior to the implementation of the Plan. The Plan will be administered by a committee of at least three directors, if so appointed by the board, or, if no such committee has been authorized or appointed, the board of directors of the Company (the “**Committee**”). Subject to the provisions of the Plan, the Committee in its sole discretion will determine all options to be granted pursuant to the Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. The Committee will comply with all regulatory requirements in granting options and otherwise administering the Plan. A summary of some of the additional provisions of the Plan follows:

- (i) the number of securities reserved for issuance under options to acquire the securities granted to Related Persons, Employees and Consultants (all capitalized terms as defined in the Plan) shall not exceed 10% of the issued and outstanding shares of the Company calculated at the date the Option was granted;
- (ii) the number of securities reserved for issuance under options to acquire the securities granted to any one person shall not exceed 5% of the issued and outstanding shares of the Company calculated at the date the Option was granted;
- (iii) Options granted to any one Consultant to the Company as a total in any twelve-month period shall not exceed 2% of the issued and outstanding shares of the Company calculated at the date the Option was granted;
- (iv) in any twelve-month period the total number of Shares (either issued directly or represented by Grants in that period or represented by convertible securities issued in that period) provided as compensation to persons providing investor relations activities shall not exceed 1% of the issued Shares calculated at the date the Option was granted;
- (v) Options granted shall be non-assignable and not transferable and shall not have a term in excess of ten years;
- (vi) all Options granted shall be evidenced by written option agreements; and
- (vii) any amendment to reduce the exercise price of options granted to Related Persons of the Company shall be subject to approval of the disinterested shareholders of the Company, the majority vote of the shareholders other than the Related Persons to whom Options may be granted under the Plan and their Associates.

A copy of the Plan will be available at the 2024 Meeting for review by shareholders, if requested.

Pursuant to the policies of the Canadian Securities Exchange the Company is required to obtain the approval of its shareholders with respect to a rolling plan every three years.

At the 2024 Meeting, shareholders will be asked to consider and, if thought advisable, to pass, with or without modification, the following resolution:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

- (1) the Company’s stock option plan dated September 23, 2024 be and is hereby ratified, approved and confirmed including the reserving for issuance under the stock option plan at any time of a maximum of 10% of the issued and outstanding shares of the Company, subject to any amendments that may be required by any applicable stock exchange or regulatory authority;*
- (2) the Company be authorized to abandon or terminate all or any part of the stock option plan if the Board of the Company deems it appropriate and in the best interests of the Company to do so;*
- (3) the Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the stock option plan;*
- (4) any one or more of the directors and officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution; and*
- (5) the Company must seek shareholder approval to its stock option plan by October 28, 2027.”*

The directors of the Company believe the Plan is in the Company's best interests and recommend that the shareholders approve the Plan. It is the intention of the persons named in the enclosed instrument of proxy, if not expressly directed otherwise in such instrument of proxy, to vote such proxies FOR the ordinary resolution to approve the Plan.

OTHER MATTERS

MANAGEMENT KNOWS OF NO OTHER MATTERS TO COME BEFORE THE MEETINGS OF SHAREHOLDERS OTHER THAN AS SET FORTH ABOVE AND AS REFERRED TO IN THE NOTICES OF MEETING. HOWEVER, IF ANY OTHER MATTERS WHICH ARE NOT KNOWN TO THE MANAGEMENT OF THE COMPANY SHALL PROPERLY COME BEFORE THE SAID MEETINGS, THE FORM OF PROXY GIVEN PURSUANT TO THE SOLICITATION BY MANAGEMENT OF THE COMPANY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE PROXY.
