MANAGEMENT INFORMATION CIRCULAR

(containing information as at February 9, 2017, unless otherwise stated)

For the Annual General Meeting to be held on Thursday, March 16, 2017

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of Norsemont Capital Inc. (the “**Company**”), for use at the annual general meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on Thursday, March 16, 2017, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another suitable form of proxy.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters to be presented for action at the Meeting. However, if any other matters which are not now known to

Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

REVOCABILITY OF PROXY

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited with the Company's registrar and transfer agent, Computershare Trust Company of Canada ("**Computershare**") by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Computershare, by hand or mail at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-952, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (the “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials directly to you, your name, address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company's transfer agent, Computershare, or Broadridge Investor Communications (“**Broadridge**”), or such other firm. These VIFs are to be completed and returned in accordance with the mailing, and/or telephone voting, and/or internet voting instructions contained therein. Results of the VIFs received from NOBOs will be tabulated and appropriate instructions will be provided at the Meeting with respect to the shares represented by the VIFs received.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge. Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors or officers of the Company, at any time since the beginning of the Company's last financial year, nor any proposed nominee for election as a director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Board of Directors of the Company (the "**Board**") has fixed Thursday, February 9, 2017, as the record date (the "**Record Date**") for determining persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares. As of the Record Date, there were 11,228,162 Common Shares without par value issued and outstanding, each carrying the right to one vote. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, no individuals or corporations beneficially own, directly or indirectly, or exercised control or direction over, Common Shares carrying

more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date.

- (a) each individual who during any part of the most recently completed financial year served as a Chief Executive Officer (“**CEO**”);
- (b) each individual who during any part of the most recently completed financial year served as a Chief Financial Officer (“**CFO**”);

- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was not an executive officer of the Company, and was not acting in a similar capacity, at the end of that financial year.

1 Financial year ended December 31st.

2 Anita Algie was appointed CEO and CFO of the Company on October 30, 2015.

3 Jordan Shapiro ceased to be CEO, President and a director of the Company on October 30, 2015.

4 The fair value of option-based awards is calculated using the Black-Scholes option pricing model with the following weighted average assumptions:

	<u>2015</u>	<u>2014</u>
Risk-free interest rate	2.18%	1.67%
Expected dividend yield	0%	0%
Expected stock price volatility	141.63%	105.57%
Expected life of options	10 years	5.56 years

Option pricing models require the input of highly subjective assumptions, particularly as to the expected volatility of the stock. Changes in these assumptions can materially affect the fair value estimate and, therefore, it is management's view that the existing models may not provide a single reliable measure of the fair value of the Company's stock option grants. The Company uses an option-pricing model because there is no market for which employee options may be freely traded. Readers are cautioned not to assume that the value derived from the model is the value that an employee might receive if the options were freely traded, nor assume that these amounts are the same as those reported for income tax purposes.

5 Nilda Rivera ceased to be CFO and a director of the Company on October 30, 2015.

6 Sheri Rempel was appointed a director of the Company on October 30, 2015.

7 Kant Trivedi was appointed a director of the Company on October 30, 2015.

The Board approved a 10% rolling stock option plan effective June 16, 2009 (the “Plan”) and last obtained Shareholder approval of the Plan at the Company’s shareholder meeting held January 14, 2016. As such, re-approval of the Plan by Shareholders will be sought at the Meeting.

The Plan was established to attract and motivate directors, senior officers, employees, consultants and others providing services to the Company and its subsidiaries, and thereby advance the Company’s interests, by affording such persons with an opportunity to acquire an equity interest in the Company through the issuance of stock options.

The following information is intended to be a brief description of the Plan and is qualified in its entirety by the full text of the Plan:

- the aggregate number of shares that may be issued pursuant to options granted under the Plan, unless otherwise approved by Shareholders, may not exceed that number which is equal to 10% of the issued and outstanding shares of the Company at the time of the grant;

- if the optionee ceases to be an officer, director, employee, consultant or service provider because of optionee's death or disability all stock options held by the optionee shall become immediately exercisable and shall be exercisable by the optionee, the personal representative of the optionee's estate, or the person(s) to whom the stock options are transferred pursuant to the optionee's will in accordance with the laws of descent and distribution, as applicable, for a period of 12 months following the Termination Date;

- the optionee must be a director, senior officer, employee, consultant or management company employee of the Company or a subsidiary of the Company at the time of grant;
- all options are non-assignable and non-transferable;
- an option may only be exercised while the optionee is a director, senior officer, employee, consultant or management company employee or within a period of 30 days thereafter; and

- disinterested Shareholder approval must be obtained for any reduction in the exercise price of an option if the optionee is an insider of the Company at the time of the proposed reduction.

A copy of the Plan will be available for inspection at the Meeting. A Shareholder may also obtain a copy of the Plan by contacting the Company at Suite 610, 700 West Pender Street, Vancouver, BC V6C 1G8.

As at February 9, 2017, there were 1,101,000 stock options outstanding.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director's responsibilities.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of directors of the Company is reviewed annually and determined by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with

compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The Company had no arrangements, standard or otherwise, pursuant to which directors were compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as a consultant or expert during the financial year ended December 31, 2015, or subsequently, up to and including the date of this Information Circular with the exception of stock-based compensation as detailed in this Information Circular.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers option grants to directors under the Stock Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of stock options. Other than the Stock Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Elements of NEO Compensation

As discussed above, the Company provides a Stock Option Plan to motivate NEOs by providing them with the opportunity, through stock options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of stock options to NEOs. Other than the Stock Option Plan, the Company does not offer any long term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

CORPORATE GOVERNANCE

General

This section sets out the Company's approach to corporate governance pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), which requires issuers to disclose their corporate governance practices, and addresses the Company's compliance with National Policy 58-201 - *Corporate Governance Guidelines* ("**NP 58-201**"), which provides guidance on corporate governance practices.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to a company's shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management.

The Board is committed to sound corporate governance practices as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the Board's opinion, be reasonably expected to interfere with the exercise of a director's independent judgment. All Board members are independent.

The Board facilitates its independent supervision over management of the Company through frequent meetings of the Board.

Management was delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board reviews executive compensation and recommends stock option grants.

Mandate of the Board

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer's business, and ensuring the implementation of appropriate systems to manage these risks.

Directorships

The following directors of the Company are currently directors of the following other reporting issuers:

Director	Reporting Issuer
Sheri Rempel	Fantasy 6 Sports Inc. NU2U Resources Corp.
Allan Larmour	EmerGeo Solutions Worldwide Inc.

Orientation and Continuing Education

The Board does not have a formal process for the orientation of new Board members. Orientation is done on an informal basis. New Board members are provided with such information as is considered necessary to ensure that they are familiar with the Company's business and understand the responsibilities of the Board.

The Board does not have a formal program for the continuing education of its directors. The Company expects its directors to pursue such continuing education opportunities as may be required to ensure that they maintain the skill and knowledge necessary to fulfill their duties as members of the Board. Directors can consult with the Company's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Company and the Board.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics applicable to directors, officers and employees of the Company to promote integrity and to deter wrongdoing with respect to the following issues:

- (a) conflicts of interest, including transactions and agreements in respect of which a director or executive officer has a material interest which must be disclosed in writing to the board of directors immediately upon becoming aware of the conflict;
- (b) protection and proper use of corporate assets and opportunities;
- (c) confidentiality of corporate information;
- (d) fair dealing with the Company's security holders, customers, suppliers, competitors and employees;
- (e) compliance with laws, rules and regulations; and
- (f) reporting of any illegal or unethical behaviour.

Any waivers from the code that are granted for the benefit of the Company's directors or executive officers must be granted by the Board (excluding the director seeking the waiver).

Conduct by a director or executive officer, which constitutes a material departure from the code will likely constitute a "material change" within the meaning of National Instrument 51-102 - *Continuous Disclosure Obligations*, and the Company will issue a material change report to disclose a full description of the material change.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The identification of potential candidates for nomination as directors of the Company is a function performed by the Board with assistance from the CEO as the entire management team is encouraged to participate in the identification and recruitment of new directors. Potential candidates are primarily identified through referrals by business contacts.

Compensation

The compensation of directors and the CEO is determined by the Board as a whole. Such compensation is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Directors are not currently paid any compensation for acting as directors and compensation is not contemplated at this time. Directors have been awarded incentive stock options – please refer to *STATEMENT OF EXECUTIVE COMPENSATION – Stock Options and Other Compensation Securities* on page 8. The quantity and quality of Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time and in the opinion of the Board, should the size and activities of the Company and the number of management employees warrant the formation of a formal compensation committee, one shall be appointed at such time.

Other Board Committees

The Board does not have any standing committees other than the Audit Committee.

Assessments

The Board does not have any formal process for assessing the effectiveness of the Board, its committees, or individual directors. Such assessments are done on an informal basis by the CEO and the Board as a whole.

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the audit committee on an ongoing basis.

AUDIT COMMITTEE

The Company is a venture issuer as defined under National Instrument 52-110 - *Audit Committees (“NI 52-110”)* and each venture issuer is required to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

Audit Committee Charter

The audit committee has a charter as adopted by the Board, a copy of which is attached to this Circular as Schedule “A”, and is specifically incorporated by reference into, and forms an integral part of this Circular.

Composition of the Audit Committee
