

NORSEMONT CLOSSES CONVERTIBLE DEBENTURE FINANCING WITH STRATEGIC INVESTORS

News Release - Vancouver, British Columbia, October 22, 2024 – Norsemont Mining Inc. (CSE: NOM, OTCQB: NRRSF, FWB: LXZ1) (“**NOM**” or the “**Company**”) is pleased to announce that further to its news release dated October 11, 2024, it has closed its private placement of a secured two-year convertible debenture (each, a “**Debenture**”) in the aggregate principal amount of \$3,000,000. The Debentures bear interest at a rate of 8% per annum and are convertible into units (each, a “**Unit**”) of the Company at a conversion price of eleven cents per Unit.

Each Unit is comprised of one common share (each, a “**Share**”) and one-half of one transferable share purchase warrant (each, a “**Warrant**”) of the Company, with each Warrant exercisable into one additional Share at a price of twenty cents per Share for a period of two years from the date of conversion.

In the event that the Shares trade at a price of thirty-five cents per share or greater for ten consecutive trading days, the Company may accelerate the Warrant expiry date by providing notice (the “**Acceleration Notice**”) to the Warrant holders by way of a news release that the Warrants will expire on the thirtieth day from the date of the Acceleration Notice.

The Debentures contain certain provisions (the “**Blocker Provision**”), which provide that a Holder of the Debentures, as applicable, together with any person or company acting jointly or in concert with such Holder, shall not be able to convert their Debentures, as applicable, to the extent that such exercise, as applicable, would result in the Holder beneficially owning or exercising control over, in the aggregate, 9.99% of the total issued and outstanding Shares, immediately after giving effect to such conversion, as applicable.

The proceeds from the Offering are intended to be used for general corporate obligations, repayment of debts and working capital.

All securities issued under the Offering will be subject to a hold period of four months and one day from the date of Closing of the Offering in accordance with applicable Canadian securities laws.

Marc Levy, CEO & Chairman of Norsemont said, “I am excited to have several new strategic European investors along with key existing investors participate in this financing. This support will enable us to advance our Choquelimpie project.”
