

MAXTECH TO LIST COMMON SHARES ON CNSX & VOLUNTARILY DELIST FROM TSX VENTURE EXCHANGE

Surrey, British Columbia, June 26, 2013 - Maxtech Ventures Inc. (TSX.V – MVT / Frankfurt: O3X) announces that it has received final approval to list its common shares on the Canadian National Stock Exchange (“CNSX”) and has obtained approval to voluntarily delist its common shares from the TSX Venture Exchange (“TSXV”). The Company’s common shares will commence trading on the CNSX effective July 2, 2013, under the symbol “MVT” and will be delisted from the TSX-V effective the close of business on Friday, June 28, 2013.

The Company expects the transition between the TSXV and the CNSX will be completed in a seamless manner.

ON BEHALF OF THE BOARD

“Curt Huber”

Curt Huber
President

This release may include certain statements that may be deemed to be "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration and development activities and events or developments that the Company expects, are forward-looking statements. Although management believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploration and development successes, continued availability of capital and financing, and general economic, market or business conditions. Please see our public filings at www.sedar.com for further information.

Neither the TSX Venture Exchange or the Canadian National Exchange or their respective Regulation Services Providers (as that term is defined in the policies of the applicable securities regulations) accepts responsibility for the adequacy or accuracy of this release.
