

Maxtech Ventures Inc. to Attend the IMnI International Manganese Institute Annual Conference

Vancouver, British Columbia – June 2nd 2017 – Maxtech Ventures Inc. (CSE: MVT) (Frankfurt: M1N) (OTC: MTEHF), (“Maxtech” or the “Company”) is pleased to announce that the Company will attend the global International Manganese Institute (“IMnI”) Annual Conference in Miami, Florida, USA on June 5th to June 7th.

Maxtech will join more than 120 delegates at the IMnI conference in Miami. The Company will be one of very few Canadian representatives. Glencore International AG, Ferroglobe, Maringa Ferro Ligas, United Manganese of Kalahari, are just a few companies being showcased at the conference which will be attended by global manganese leaders traveling from South Africa, Japan, Singapore, Germany, Brazil to highlight just a few of the participating countries. It is a conference not only focused on networking amongst industry peers, but informative break out educational sessions led by the institute directors and professionals in the field to discuss the manganese industry evolution and its increasingly fast pace growth trajectory and affect on many industries and the worldwide green energy revolution.

Peter Wilson, CEO of Maxtech states “As Maxtech continues to broaden its direct interests in the manganese industry globally, it is imperative we know who all the players are. The IMnI is a 42 year old association of the industry itself and there is no better way to get involved than to attend their annual event and meet companies that are both upstream and downstream from Maxtech in the manganese supply chain. Maxtech is an exploration company acquiring only the highest grade manganese assets with a goal of becoming one of the largest Mn stakeholders in the world.”

About International Manganese Institute

The International Manganese Institute (IMnI) is a not-for-profit industry association that represents manganese ore and alloy producers, manufacturers of metallurgical products or chemical compounds, trading houses, industry service providers, companies involved in Mn business development, universities and research organizations around the world. Founded in 1975, with headquarters in Paris, France, IMnI's mission is to provide vision and guidance to the Mn industry by promoting economic, social and environmental responsibility and sustainability to all stakeholders.
