## **St. Anthony Gold Corp. Provides Update on ST. Anthony Project**

**VANCOUVER, BC / ACCESSWIRE / April 4, 2022 / St. Anthony Gold Corp. (“St. Anthony” or the “Company”) (CSE: STAG) (Frankfurt: M1N) (OTC: MTEHF)** announces it has received a notice of default under its option agreement dated March 15, 2022 with Magabra Resources Corp. (“Magabra”). While the 30 day default correction period has not yet expired, the Company has determined that it would take the conservative approach and impair the property in its just filed quarterly statements, resulting in a write down of \$2,725,119.

While the Company disputes the legal and factual basis of the default notice, it is in ongoing discussions with Magabra. However, since Magabra created the basis of the alleged defaults by repeatedly refusing to provide the information needed to allow the Company to complete the earn in of its interest in the St. Anthony property, there is no certainty that this matter will not end up before the courts.

### **About St. Anthony Gold Corp.**

St. Anthony Gold Corp., a Canadian-based mineral exploration corporation, is focused on identifying and advancing high-value mineral properties.
