Toronto, Ontario--(Newsfile Corp. - February 15, 2018) - Christopher Hugh Dollard (the "**Acquiror**") announces that he has filed an early warning report (the "**Report**") announcing that he acquired 3,799,787 common shares of Luminor Medical Technologies Inc. (the "**Issuer**") in connection with the completion of the acquisition by the Issuer of 100% of the issued and outstanding shares of RISE Research Inc. ("**RISE**") pursuant to an amalgamation agreement dated February 2, 2018 involving the Issuer, a newly formed wholly-owned subsidiary of the Issuer and RISE (the "**Acquisition**").

Prior to the Acquisition, the Acquiror owned 1,900,000 common shares representing approximately 5.51% of the issued and outstanding common shares of the Issuer. The Acquiror has acquired the common shares of the Issuer for investment purposes and may, depending on market and other conditions, increase or decrease his beneficial ownership, control or direction over the common shares or other securities of the Issuer, through market transactions, private agreements, treasury issuances, exercise of convertible securities or otherwise.
