INFORMATION CIRCULAR

(as at November 12, 2013 except as otherwise indicated)

SOLICITATION OF PROXIES

This information circular (the “**Circular**”) is provided in connection with the solicitation of proxies by the management of Abenteuer Resources Corp. (the “**Company**”). The form of proxy which accompanies this Circular (the “**Proxy**”) is for use at the annual general and special meeting of the shareholders of the Company to be held on Wednesday, December 18, 2013 (the “**Meeting**”), at the time and place set out in the accompanying notice of Meeting (the “**Notice of Meeting**”). The Company will bear the cost of this solicitation. The solicitation will be made by mail, but may also be made by telephone.

APPOINTMENT AND REVOCATION OF PROXY

The persons named in the Proxy are directors and/or officers of the Company. **A registered shareholder who wishes to appoint some other person to serve as their representative at the Meeting may do so by striking out the printed names and inserting the desired person’s name in the blank space provided.** The completed Proxy should be delivered to Olympia Trust Company (“**Olympia**”) by 10:00 a.m. (local time in Vancouver, British Columbia) on Monday, December 16, 2013, or before 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting at which the Proxy is to be used.

The Proxy may be revoked by:

- (a) signing a proxy with a later date and delivering it at the time and place noted above;
- (b) signing and dating a written notice of revocation and delivering it to Olympia, or by transmitting a revocation by telephonic or electronic means, to Olympia, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or delivering a written notice of revocation and delivering it to the Chairman of the Meeting on the day of the Meeting or adjournment of it; or
- (c) attending the Meeting or any adjournment of the Meeting and registering with the scrutineer as a shareholder present in person.

Provisions Relating to Voting of Proxies

The shares represented by Proxy in the form provided to shareholders will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him. If there is no direction by the registered shareholder, those shares will be voted for all proposals set out in the Proxy and for the election of directors and the appointment of the

auditors as set out in this Circular. The Proxy gives the person named in it the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, the management of the Company (the “Management”) knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold common shares in their own name. Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those common shares will, in all likelihood, not be registered in the shareholder’s name. Such common shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such common shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote common shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

The Notice of Meeting, Circular, Proxy and VIF, as applicable, are being provided to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who

object to their identity being known to the issuers of securities which they own (“OBOs”) and those who do not object to their identity being made known to the issuers of the securities which they own (“NOBOs”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

The Company has distributed copies of the Notice of Meeting, Circular and VIF to intermediaries for distribution to NOBOs. Unless you have waived your right to receive the Notice of Meeting, Circular and VIF, intermediaries are required to deliver them to you as a NOBO of the Company and to seek your instructions on how to vote your common shares.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents. The Company will assume the costs associated with the delivery of the Notice of Meeting, Circular and VIF, as set out above, to OBOs by intermediaries.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:00 a.m. (local time in Vancouver, British Columbia) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their common shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

All references to shareholders in the Notice of Meeting, Circular and the accompanying Proxy are to registered shareholders of the Company as set forth on the list of registered shareholders of the Company as maintained by the registrar and transfer agent of the Company, Olympia, unless specifically stated otherwise.

The audited financial statements of the Company for the year ended December 31, 2012, together with the auditor’s report on those statements and Management Discussion and Analysis, will be presented to the shareholders at the Meeting.

EXECUTIVE COMPENSATION

Named Executive Officers

During the financial year ended December 31, 2012, the Company had two Named Executive Officers (“NEOs”) being, J. Lewis Dillman, the President and Chief Executive Officer (“CEO”), and Sean McGrath, the Chief Financial Officer (“CFO”) and Corporate Secretary of the Company.

“Named Executive Officer” means: (a) each CEO, (b) each CFO, (c) each of the three most highly compensated executive officers of the company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000; and

(d) each individual who would be a NEO under (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, qualified and effective executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary, bonus compensation and equity participation through its stock option plan. The compensation of each of the NEOs is approved annually by the Board. Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

Base Salary

Base salaries are set by the Board after consultation with Management. Competitive salary information for executives in companies in a similar industry and stage of development was obtained from a variety of sources, including surveys conducted by independent employment consultants such as Robert Half International Inc. At this time in the Company's stage of development, however, the Board does not utilize any benchmarking in order to determine base salaries for management.

Cash Incentive Compensation

The Company's primary objective is to aim to achieve certain strategic objectives and milestones. The Company's Board approves executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses.

Equity Participation

The Company's Board believes that encouraging its executives and employees to become shareholders is the best way to align the interests of its executives and employees with those of its shareholders. Equity participation is accomplished through the Company's stock option plan. Stock options are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors.

Share-Based and Option-Based Awards

The Company does not grant share-based awards. Stock option grants are made on the basis of the number of stock options currently held, position, overall individual performance, anticipated contribution to the Company's future success and the individual's ability to influence corporate and business performance. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating the officers, directors and employees of the Company and to closely align the personal interest of such persons to the interest of the shareholders.

The recipients of incentive stock options and the terms of the stock options granted are determined from time to time by the Board. The exercise price of the stock options granted is generally determined by the market price at the time of grant.

The Board has not proceeded with a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation program, and the Board does not believe that the Company's compensation program results in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

The Company has not established a policy on whether or not a NEO or director is permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. During the financial year ended December 31, 2012, the Company did not use any financial hedges.

MANAGEMENT CONTRACTS

AUDIT COMMITTEE

The Company is required to have an audit committee (the "**Audit Committee**") comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company.

Audit Committee Charter

The text of the Audit Committee's charter is attached as Schedule "A" to this Circular.

Composition of Audit Committee and Independence

The Company's current Audit Committee consists of J. Lewis Dillman, David Parry and Stephen Polakoff.

National Instrument 52-110 - *Audit Committees* ("**NI 52-110**") provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Company's Board, reasonably interfere with the exercise of the member's independent judgment. Of the Company's current Audit Committee members, David Parry and Stephen Polakoff are "independent" within the meaning of NI 52-110. J. Lewis Dillman is not "independent" as he is also the President and CEO of the Company.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. All of the members of the Audit Committee are "financially literate" as that term is defined. The following sets out the Audit Committee members' education and experience that is relevant to the performance of his responsibilities as an audit committee member.

J. Lewis Dillman

From 1995 to present, Mr. Dillman has been the President and CEO of Western Eagle Resources Corporation, a private investment company with oil and gas interests. Mr. Dillman has a Masters Degree in Banking from Columbia University in New York State and is a former licensed stockbroker in the United States. He is a director of Hellix Ventures Inc., AAN Ventures Inc., Phoenix Copper Corporation, Abington Resources Ltd. and Edgewater Wireless Systems Inc.

David Parry

Mr. Parry has been working with public and private companies in the natural resource sector over the past 16 years. He has an extensive network of contacts and relationships throughout Europe, the Former Soviet Union (FSU), Asia and Africa and significant experience in mergers and acquisitions.

Stephen Polakoff

Mr. Polakoff is a New York qualified lawyer with several years of experience working on capital markets, project finance, banking and corporate transactions. He currently serves as General Counsel with the Integra Group, a Russian oil services and field equipment manufacturing company listed on the London Stock Exchange. Mr. Polakoff was previously General Counsel and Head of the Legal Department for Deutsche UFG in Moscow. While with Deutsche UFG, he served as the Bank's senior in-house advisor on numerous financial offerings on Russian and International exchanges.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, the Audit Committee of the Company has not made any recommendations to nominate or compensate an external auditor which were not adopted by the Board.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

- (a) the exemption in section 2.4 (De Minimis Non-audit Services) of NI 52-110; or
- (b) an exemption from NI 52-110, in whole or in part, granted under Part 8 (Exemptions).

Pre-Approval Policies and Procedures

The Audit Committee has not adopted any specific policies and procedures for the engagement of non-audit services.

Exemption in Section 6.1

The Company is a "venture issuer" as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the "**Guidelines**") adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company's approach to corporate governance is set out below.

Board of Directors

Management is nominating four individuals to the Board, all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Company. The "material relationship" is defined as a relationship which could, in the view of the Company's Board, reasonably interfere with the exercise of a director's independent judgement. All of the current members of the Board are considered "independent" within the meaning of NI 52-110, except for J. Lewis Dillman,

who is the President and CEO of the Company and Sean McGrath, who is the CFO and Corporate Secretary of the Company. The Company does not currently have a Chairman of the Board.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to Management, evaluate Management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and the President. The Board will give direction and guidance through the President to Management and will keep Management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors and immediately following each annual general meeting appoints an audit committee and an audit committee chairperson. The Board establishes and periodically reviews and updates the audit committee mandates, duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO and the President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board shall meet not less than three times during each year and will endeavour to hold at least one meeting in each fiscal quarter. The Board will also meet at any other time at the call of the President, or subject to the Articles of the Company, of any director.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “Act”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees.

Directorships

The following directors of the Company are also directors of other reporting issuers as stated:

- J. Lewis Dillman is a director of Hellix Ventures Inc., AAN Ventures Inc., Phoenix Copper Corporation and Abington Resources Ltd. and Edgewater Wireless Systems Inc.
- Sean McGrath is a director of Natan Resources Ltd. and Cricket Resources Inc.;

Orientation and Continuing Education

The Board does not have any formal policies with respect to the orientation of new directors nor does it take any measures to provide continuing education for the directors. At this stage of the Company’s development the Board does not feel it necessary to have such policies or programs in place.

Ethical Business Conduct

To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. However, the current limited size of the Company’s operations, and the small number of officers and consultants, allow the Board to monitor on an ongoing basis the activities of Management and to ensure that the highest

standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination of Directors

The Board has not adopted a formal process in respect to selecting new nominees to the Board. The Board expects that when the time comes to appoint new directors to the Board that the nominees would be recruited by the current Board members, and the recruitment process would involve both formal and informal discussions among Board members and the CEO. The Board monitors, but does not formally assess, the performance of individual Board members and their contributions.

Compensation

The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. With respect to stock option compensation, the number of options granted is determined by the Board as a whole, which allows the directors to have input into compensation decisions. At this time, the Company does not believe its size and limited scope of operations requires a formal compensation committee.

Other Board Committees

At the present time, the only standing committee is the Audit Committee. The written charter of the Audit Committee, as required by NI 52-110, is attached in Schedule "A" to this Circular. As the Company grows, and its operations and management structure become more complex, the Board expects it will constitute more formal standing committees, such as a Corporate Governance Committee, and a Compensation Committee and a Nominating Committee.

Assessments

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

PARTICULARS OF MATTERS TO BE ACTED UPON

Confirming Stock Option Plan

Shareholders are being asked to confirm approval of the Stock Option Plan which was initially adopted by the directors of the Company on September 21, 2011. There have been no changes to the Stock Option Plan since it was adopted by the directors.

The following information is intended as a brief description of the Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan, which will be available for review at the Meeting.

1. The maximum aggregate number of shares that may be issued upon the exercise of stock options granted under the Stock Option Plan shall not exceed 10% of the issued and outstanding share capital of the Company, the exercise price of which, as determined by the Board in its sole discretion, shall not be less than the last closing price of the Company's shares traded through the

facilities of the TSX Venture Exchange (the “**Exchange**”) prior to the grant of the option, less any discount permitted by the Exchange, or such other price as may be required by the Exchange.

2. The Board shall not grant options to any one person in any 12 month period which could, when exercised, result in the issuance of shares exceeding 5% of the issued and outstanding shares of the Company unless the Company has obtained the requisite disinterested shareholder approval to the grant, or to any one consultant or to those persons employed by the Company who perform investor relations services which could, when exercised, result in the issuance of shares exceeding 2% of the issued and outstanding shares of the Company.
3. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Stock Option Plan. All options granted under the Stock Option Plan may not have an expiry date later than the tenth anniversary of the date the option is granted.
4. If the option holder ceases to be a director, officer, employee or consultant of the Company (other than by reason of death) then the option granted shall expire on a date stipulated by the Board at the time of grant and, in any event, must terminate within 60 days after the date on which the option holder ceases to be a director, officer, employee or consultant, subject to the terms and conditions set out in the Stock Option Plan. Options granted to those persons employed by the Company who perform investor relations services must terminate within 30 days after the date on which the option holder ceases to be employed in such capacity.

The Board retains the discretion to impose vesting periods on any options granted. In accordance with the policies of the Exchange, stock options granted to consultants performing investor relations services must vest in stages over a minimum of 12 months with no more than one-quarter of the stock options vesting in any three month period.

In accordance with the policies of the Exchange, a plan with a rolling 10% maximum must be confirmed by shareholders at each annual general meeting.

Accordingly, at the Meeting, the shareholders will be asked to pass the following resolution:

“IT IS RESOLVED THAT the Stock Option Plan is hereby approved and confirmed.”

Approval of Amendment to Articles to include Advance Notice Provisions

The Board is proposing that the Articles of the Company be amended to include the Advance Notice Provisions (the “**New Articles**”), which will: (a) facilitate orderly and efficient annual general or, where the need arises, special meeting, process; (b) ensure that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (c) allow shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

Purpose of Advance Notice Provisions

The purpose of the Advance Notice Provisions is to provide shareholders, directors and Management with a clear framework for nominating directors. The Advance Notice Provisions fix a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual general or special meeting of shareholders.

It is the position of the Company that the Advance Notice Provisions are in the best interests of the Company, its shareholders and other stakeholders. The Advance Notice Provisions will be subject to an annual review, and will reflect changes as required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

Effect of Advance Notice Provisions

Subject only to the Act and the New Articles only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company. Nominations of persons for election to the Board may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors: (a) by or at the direction of the Board, including pursuant to a notice of meeting; (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the Act, or a requisition of the shareholders made in accordance with the provisions of the Act; or (c) by any person (a “**Nominating Shareholder**”): (A) who, at the close of business on the date of the giving by the Nominating Shareholder of the notice provided for below in the Advance Notice Provisions and at the close of business on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and (B) who complies with the notice procedures set forth below in the Advance Notice Provisions.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Secretary of the Company at the principal executive offices of the Company.

To be timely, a Nominating Shareholder’s notice to the Secretary of the Company must be made: (a) in the case of an annual meeting of shareholders, not less than 36 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder is to be made not later than the close of business on the 10th day after the Notice Date in respect of such meeting; and (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

The time periods for the giving of a Nominating Shareholder’s notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of such notice.

To be in proper written form, a Nominating Shareholder’s notice to the Secretary of the Company must set forth: (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (A) the name, age, business address and residential address of the person; (B) the principal occupation or employment of the person; (C) the citizenship of such person; (D) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (E) any other information relating to the person that would be required to be disclosed in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below); and (b) as to the Nominating Shareholder giving the notice, any

proxy, contract, agreement arrangement or understanding pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Company and any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below). The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such proposed nominee.

No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Provisions; provided, however, that nothing in the Advance Notice Provisions shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the Act. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

For purposes of the Advance Notice Provisions: (a) "**public announcement**" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on the System of Electronic Document Analysis and Retrieval at www.sedar.com; and (b) "**Applicable Securities Laws**" means the applicable securities legislation of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada.

Notwithstanding any other provision of the Advance Notice Provisions, notice given to the Secretary of the Company pursuant to the Advance Notice Provisions may only be given by personal delivery, facsimile transmission or by email (at such email address as stipulated from time to time by the Secretary of the Company for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery, email (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Secretary at the address of the principal executive offices of the Company; provided that if such delivery or electronic communication is made on a day which is a not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the next following day that is a business day.

Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement in the Advance Notice Provisions.

Accordingly, at the Meeting, the shareholders will be asked to consider, and if thought appropriate, to pass, with or without amendment, a special resolution as follows:

"IT IS RESOLVED, as a special resolution that:

- (a) the Articles of the Company be altered by adding the text substantially set forth in Schedule "B" to this Circular as and at Section 29 of the Articles;
- (b) the Company be authorized to revoke this special resolution and abandon or terminate the alteration of the Articles if the Board deems it appropriate and in the best interests of the

Company to do so without further confirmation, ratification or approval of the shareholders; and

- (c) any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver all such documents, instruments and assurances as in the opinion of such director or officer may be necessary or desirable to give effect to the foregoing resolutions.”

Under the Articles of the Company and the Act, the special resolution to approve the alteration of the Company’s Articles must be approved by at least two-thirds of the votes cast by the shareholders present in person or by proxy at the Meeting.

The Board has determined that the Advance Notice Provisions are in the best interests of the Company and its shareholders and accordingly, the Board recommends that shareholders ratify and confirm an alteration of the Company’s Articles by voting FOR the special resolution to approve the alteration of the Articles of the Company to include the Advance Notice Provisions. In the absence of contrary directions, the management designees of the Company intend to vote proxies in the accompanying form of proxy in favour of the special resolution approving the alteration of the Articles of the Company to include the Advance Notice Provisions.

General Matters

It is not known whether any other matters will come before the Meeting other than those set forth above and in the Notice of Meeting, but if any other matters do arise, the person named in the Proxy intends to vote on any poll, in accordance with his or her best judgement, exercising discretionary authority with respect to amendments or variations of matters set forth in the Notice of Meeting and other matters which may properly come before the Meeting or any adjournment of the Meeting.

 - (a) in the case of an annual meeting of shareholders, not less than 36 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement (as defined below) of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day after the Notice Date in respect of such meeting; and
 - (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

The time periods for the giving of a Nominating Shareholder’s notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of

shareholders or the announcement thereof commence a new time period for the giving of such notice.

4. To be in proper written form, a Nominating Shareholder's notice to the Secretary of the Company must set forth:

No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Section 29; provided, however, that nothing in this Section 29 shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the Act. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.
