**Report on Reserves Data**

To the board of directors of Abenteuer Resources Corp.(referred to as “the Company” herein):

1. We have evaluated the Company’s reserves data as at January 1, 2011. The reserves data consists of the following:
  - (a) (i) proved plus probable oil and gas reserves estimated as at January 1, 2011 using forecast prices and costs; and
  - (ii) the related estimated future net revenue; and
2. The reserves data are the responsibility of the Company's management. Our responsibility is to express an opinion on the data based upon our evaluation.

We carried out our evaluation in accordance with standards set out in the Canadian Oil and Gas Evaluation Handbook (the “COGE” Handbook) prepared jointly by the Society of Petroleum Evaluation Engineers (Calgary Chapter) and the Canadian Institute of Mining, Metallurgy & Petroleum (Petroleum Society).

3. Those standards require that we plan and perform an evaluation to obtain reasonable assurance as to whether the reserves data are free of material misstatement. An evaluation also includes assessing whether the reserves data are in accordance with principles and definitions presented in the COGE Handbook.
4. The following table sets forth the estimated future net revenue (before deduction of income taxes) attributed to proved plus probable reserves, estimated using forecast prices and costs and calculated using a discount rate of 10 percent, included in the reserves of the Company evaluated by us for the year ended January 1, 2011, and identifies the respective portions thereof that we have evaluated and reported on to the Company’s board of directors:
