1. CORPORATE INFORMATION, NATURE AND CONTINUANCE OF OPERATIONS

Quizam Media Corporation (the "Company") was incorporated on September 15, 2000 under the provisions of the Company Act of British Columbia and is listed on the TSX Venture Exchange ("TSX-V"). The Company's principal business activities consist of providing computer training and consulting services, marketing of a computer based educational program and film production. The address of the Company's corporate office and its principal place of business is 4th Floor, 885 West Georgia Street, Vancouver, BC, V6C 3E8.

These interim consolidated financial statements have been prepared on the basis of accounting principles applicable to a going concern. This assumes the Company will operate for the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of business rather than through a process of forced liquidation. The Company has a history of significant losses, sizeable accumulated deficits and working capital deficits. These factors form a material uncertainty that casts significant doubt about the Company's ability to continue as a going concern. The Company's ability to continue as a going concern is dependent on completing equity financings, obtaining support from related parties or generating consistent profitable operations in the future.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Statement of Compliance and Basis of Presentation

These interim consolidated financial statements, including comparatives, have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") applicable to the preparation of interim financial statements, including IAS 34, *Interim Financial Reporting*.

These interim consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries, On-Track Computer Training Ltd. and Quizam Entertainment LLC. All inter-company balances and transactions have been eliminated on consolidation.

The consolidated financial statements have been prepared on a historical cost basis. The financial statements are presented in Canadian dollars, which is the Company's functional currency.

b) New accounting standards not yet adopted

Certain new standards, interpretations and amendments to existing standards have been issued by the International Accounting Standards Board ("IASB") or the International Financial Reporting Interpretations Committee ("IFRIC") that are mandatory for the Company's accounting periods beginning after June 1, 2017, or later periods. Some updates that are not applicable or are not consequential to the Company may have been excluded from the list below.

Annual Improvements to IFRSs 2012-2014 Cycle
In September 2014, the IASB issued Annual Improvements to IFRSs 2012-2014 cycle, effective for annual periods beginning on or after July 1, 2016. These annual improvements made necessary but non-urgent amendments to existing IFRSs.

IAS 7 Statement of Cash Flows
The amendments will require entities to provide disclosures that enable investors to evaluate changes in liabilities arising from financing activities, including changes arising from cash flows and non-cash changes. The standard is effective for annual periods beginning on or after January 1, 2017.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

b) New accounting standards not yet adopted (continued)

IFRS 15 Revenue from Contracts with Customers

In May 2014, the IASB issued IFRS 15 – Revenue from Contracts with Customers ("IFRS 15") which supersedes IAS 11 – Construction Contracts, IAS 18 – Revenue, IFRIC 13 – Customer Loyalty Programmes, IFRIC 15 – Agreements for the Construction of Real Estate, IFRIC 18 – Transfers of Assets from Customers, and SIC 31 – Revenue – Barter Transactions Involving Advertising Services. IFRS 15 establishes a comprehensive five-step framework for the timing and measurement of revenue recognition. The standard is effective for annual periods beginning on or after January 1, 2018.

IFRS 9 – Financial Instruments

The IASB intends to replace IAS 39 – Financial Instruments: Recognition and Measurement in its entirety with IFRS 9 – Financial Instruments (“IFRS 9”) which is intended to reduce the complexity in the classification and measurement of financial instruments. The standard is effective for annual periods beginning on or after January 1, 2018.

IFRS 7 Financial Instruments: Disclosure

IFRS 7 was amended to required additional disclosures on transition from IAS 39 to IFRS 9. The amendment is effective for annual periods beginning on or after January 1, 2018.

IFRS 2 Share-Based Payment

In June 2016, the Board issued the final amendments to IFRS 2 *Share-Based Payment* as follows:

(a) Effects that vesting conditions have on the measurement of a cash-settled share-based payment;

(b) Accounting for modification to the terms of a share-based payment that changes the classification of the transaction from cash-settled to equity settled;

(c) Classification of share-based payment transactions with net settlement features.

The amendments are effective for annual periods beginning on or after January 1, 2018.

IFRS 16 Leases

IFRS 16 establishes principles for the recognition, measurement, presentation and disclosure of leases, with the objective of ensuring that lessees and lessors provide relevant information that faithfully represents those transactions. IFRS 16 substantially carries forward the lessor accounting requirements in IAS 17. Accordingly, a lessor continues to classify its leases as operating leases or finance leases, and to account for those two types of leases differently. However, lessees are no longer classifying leases as either operating leases or finance leases as it is required by IAS 17. The standard is effective for annual periods beginning on or after January 1, 2019.

Management is currently evaluating any impact that the above standards may have on the Company’s consolidated financial statements and this assessment has not yet been finished.
