October 24, 2022 Vancouver, BC – Quizam Media Corporation (“the Company”) (C: QQ) (USA:QQQFF) is pleased to announce it has launched its new online training platform called OntrackTV.com

OntrackTV features 1000’s of learning vignettes on a variety of topics from computer skills such as Microsoft Excel and Adobe to Soft Skills including Customer Service and Roberts Rules for Meetings. The Library is FREE to browse and for a minimal subscription you can supercharge your experience.

Russ Rossi, Ontracktv President commented, “The best thing about Ontracktv.com is that it is organized into short 3-minute vignettes. Inch by Inch learning is a synch. Yard by Yard learning is hard. You can hone your skills on a variety of subjects by logging in for a few minutes each day.”

David Lee, director of marketing stated, “We are proud of our Library of Learning videos. Our presenters are entertaining and experienced. The new platform works great on a desktop but is super friendly on cell phones.”
