CORPORATE INFORMATION, NATURE AND CONTINUANCE OF OPERATIONS

Quizam Media Corporation (the "Company") was incorporated on September 15, 2000 under the provisions of the Company Act of British Columbia. The Company's shares are listed on the Canadian Securities Exchange ("CSE") under the symbol "QQ". The Company's shares are also listed on OTC Markets Group (OTCQB) under the symbol "QQQFF". The Company's principal business activities consist of providing computer training and consulting services, marketing of a computer based educational program, film production, consulting services and cannabis retail sales. The Company has operated retail cannabis dispensaries since November 2019. The address of the Company's corporate office and its principal place of business is Suite 650 – 609 Granville Street, Vancouver, BC, V7Y 1G6.

These interim consolidated financial statements have been prepared on the basis of accounting principles applicable to a going concern. This assumes the Company will operate for the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of business rather than through a process of forced liquidation. The Company has a history of significant losses, sizeable, accumulated deficits and negative cash flows from operations. These factors form a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. The Company's ability to continue as a going concern is dependent on completing equity financings, obtaining support from related parties or generating consistent profitable operations in the future. These interim consolidated financial statements do not include any adjustments related to the recoverability of assets and classifications of liabilities that might be necessary should the Company be unable to continue as a going concern. Such adjustments could be material.

The Company's operations related to in-class training could continue to be significantly adversely affected by the effects of a COVID-19 pandemic. The Company cannot accurately predict the impact COVID-19 will have on its operations and the ability of others to meet their obligations with the Company, including uncertainties relating to the duration of the outbreak, and the length of travel and quarantine restrictions imposed by governments of affected countries.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance and Basis of Presentation

These interim consolidated financial statements have been prepared in accordance with the International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") applicable to the preparation of interim financial statements, including IAS 34, Interim Financial Reporting.

These interim consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries, On-Track Computer Training Ltd., Quizam Entertainment LLC and Quantum 1 Cannabis Corp. All inter-company balances and transactions, including unrealized income and expenses arising from intercompany transactions, have been eliminated on consolidation.

These interim consolidated financial statements have been prepared on a historical cost basis, except for certain financial instruments, which are measured at fair value. The interim consolidated financial statements are presented in Canadian dollars, which is the Company's functional currency.

The table below sets forth a summary of changes in the fair value of the Company's Level 3 financial liabilities:

	Ф
Balance, May 31, 2022	_
Additions	40,054

Significant changes in any of these inputs in isolation would result in a significant change in the fair value measurement. As required, these are classified based on the lowest level of input that is significant to the fair value measurement. The following table shows the assumptions used in the calculations:

	Expected volatility	Risk-free interest rate	Expected dividend yield	Expected life (in years)
