

CERTIFICATE OF QUALIFIED PERSON

I, Robert G. Komarechka, of 545 Granite Street, Sudbury, Ontario, hereby certify with respect to 'The Technical Report NI 43-101 on the RCU Property in Roberts and Creelman Townships, District of Sudbury Ontario for Vinergy Resources Ltd. dated January 9, 2014' that:

1. I am an independent consulting geologist operating under the name of Bedrock Research Corp. with an office located at 545 Granite Street, Sudbury, Ontario.
2. I co-authored this report with LDS Winter, my role being personally responsible for:
Item 5: Accessibility, Climate, Local Resources, infrastructure and Physiography
Item 6: History
Item 7: Geological Setting
Item 8: Deposit Types
Item 11: Sampling Method and Approach
Item 23: Adjacent Properties
Item 27: References

3. I graduated from Laurentian University in Sudbury with a B.Sc. (1978) with a major in Geology and have practised my profession since graduation.
4. I have been a registered member of the Association of Professional Engineers Geologists and Geophysicists of Alberta (APEGGA) since 1985 with membership number M39059.
5. I have been a registered member of the Association of Professional Geoscientists of Ontario since 2004 with membership number 1150.
6. I am a Fellow of the Canadian Gemmological Association since graduation as a Gemmologist in 1990.
7. I have practiced my profession as a geologist for over 30 years since my graduation from university with government and in the private sector in Eastern, Central and Western Canada and in parts of the United States and Mexico reporting on, and managing projects in mineral exploration and mining. Commodities included gold, silver, platinum group elements, base metals, uranium, diamonds, dimension stone and industrial minerals.
8. I personally examined and studied the literature, assessment reports and company surveys on the property for Falcon Ventures Inc., renamed Firebird Resources Inc. as well as work undertaken for GTO Resources Inc. and I am familiar with the project area. I personally spoke several times with Gord Leliever, who was responsible for most of the exploration work done on this property. I also visited the property on May 4, 2007, October 23-24, 2012 and August 6, 2013.

9. I have knowledge of the geology and mineralization in this area having undertaken geological mapping in rocks of similar age in the area for various clients and having undertaken contracts and being employed by the government to record and examine the mineral deposits in the area both under the MDI and AMIS programs. This work included uranium and rare earth elements.
10. I have had no prior involvement with the property that is the subject of the Technical Report.
11. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
12. I am independent of the issuer applying all of the tests in section 1.5 of National Instrument 43-101. I do not own, directly or indirectly, nor am I under an agreement, arrangement or understanding or expect to acquire any securities of Firebird Resources Inc., GTO Resources Inc., Vinergy Resources Ltd or any affiliated entity of these Companies. I hold no interest, directly or indirectly, in the mineral properties that are the subject of the forgoing report or in any adjacent mineral properties.
13. I have read Chapter 5 Rules and Policies of the Ontario Securities Commission Bureau, June 24, 2011, regarding National Instrument 43-101 Standards of Disclosure for Mineral Projects, Form 43-101F1 Technical Report and the Companion Policy 43-101 Standards of Disclosure for Mineral Projects and this report has been prepared in accordance with National Policies.
14. I have no direct or indirect interest in the Property, nor do I expect to receive any direct or indirect interest in the Property.
15. I consent to the filing of this Technical Report with any stock exchange and other regulatory body and any publication by them, including electronic publication in the public company files on their websites accessible by the public, or any extract or summary from the Technical Report in the management information circular of Vinergy Resources Ltd. dated January 30, 2014, subject to keeping information in context. I confirm that I have read the management information circular dated January 30, 2014 and that it fairly and accurately represents the information in the Technical Report.
