

VINERGY RESOURCES INC.

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular is furnished in connection with the solicitation of proxies by the management of VINERGY RESOURCES INC. (the "Corporation") for use at the Annual General Meeting (the "Meeting") of holders of common shares of the Corporation (collectively, the "Shareholders" or individually, a "Shareholder") to be held at the time and place and for the purposes set forth in the attached Notice of Annual Meeting of Shareholders (the "Notice"). The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

The Corporation has distributed or made available for distribution, copies of the Notice, this Management Information Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the "Intermediaries") for distribution to Shareholders (the "Non-Registered Shareholders") whose shares are held by or in the custody of such Intermediaries. Such Intermediaries are required to forward such documents to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. The solicitation of proxies from Non-Registered Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Non-Registered Shareholders are provided to the Corporation by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of these materials.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation's transfer agent and registrar, Computershare Investor Services Inc., 8th Floor, 100 University Ave., Toronto, ON, M5J 2Y1 not later than 11:00 AM, Pacific Daylight Time, Monday, September 28, 2015 or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a corporation, under its corporate seal, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - (i) at the registered office, Computershare Investor Services Inc., 8th Floor, 100 University Ave., Toronto, ON, M5J 2Y1 not later than 11:00 AM, Pacific Daylight Time, Monday, September 28, 2015; or
 - (ii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this management information circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the**

management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to a substantial number of Shareholders who do not hold their shares in their own name (referred to in this section as “Beneficial Shareholders”). Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in such Shareholder’s name on the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the registration name for *The Canadian Depository for Securities Inc.*, which company acts as a nominee of many Canadian brokerage firms. Shares held by brokers or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients. The directors and officers of the Corporation do not know for whose benefit the shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. - (“Broadridge”). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of their broker or other intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered holder and vote their shares in that capacity if they have properly instructed their broker or other intermediary to authorize them to do so. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own shares as proxyholder for the registered holder must enter their own names in the blank space on the form of proxy or voting instruction form provided to them and return the same to their broker or other intermediary (or the agent of such broker or other intermediary) in accordance with the instructions provided by such broker, intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their intermediaries and their service companies.**

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

All references to shareholders in this management information circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed the close of business on August 26, 2015 as the record date (the “Record Date”) for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 26,333,330 common shares of the Corporation (the “Common Shares”), carrying the right to one vote per share at the Meeting, were issued and outstanding.

In accordance with the provisions of the *Business Corporations Act (British Columbia)*, the Corporation will prepare a list of the holders of Common Shares on the Record Date. Each holder of such shares named on the list will be entitled to vote the shares shown opposite its name on the list at the Meeting.

To the knowledge of the directors and senior officers of the Corporation, the shareholders who beneficially own directly or indirectly equity shares carrying more than 10% of the voting rights of the outstanding equity shares of the Corporation, are as follows:

Directors are individually responsible for updating their skills required to meet their obligations as directors. In addition, the Board undertakes thorough strategic planning sessions with Management.

Ethical Business Conduct

The Board is responsible for promoting an ethical business culture and fostering an environment that places an emphasis on compliance. The Board monitors compliance, including through receipt by the Audit Committee of reports of unethical behaviour. To ensure that an ethical business culture is maintained and promoted, directors are encouraged to exercise their independent judgment. If a director has a material interest in any transaction or agreement that the Corporation proposes to enter into, such director is expected to disclose such interest to the Board in compliance with the applicable laws, rules and policies which govern conflicts of interest in connection with such transaction or agreement. Further, any director who has a material interest in any proposed transaction or agreement will be excluded from the portion of the Board meeting concerning such matters and will be further precluded from voting on such matters.

Nomination of Directors

The Board is responsible for the identification and assessment of potential directors. While no formal nomination procedures are in place to identify new candidates, the Board does review the experience and performance of nominees for election to the Board. Members of the Board are canvassed with respect to the qualifications of a prospective candidate and each candidate is evaluated with respect to his or her experience and expertise, with particular attention paid to those areas of expertise that could complement and enhance current management. The Board also assesses any potential conflicts, independence or time commitment concerns that the candidate may present.

Assessments

The Board is currently responsible for assessing the effectiveness of the Board, the individual directors and the Audit Committee.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Setting the number of Directors to be Elected

Management of the Corporation proposes that the shareholders set the number of directors to be elected at the Meeting at four, which is the number of persons proposed to be nominated for election by the management of the Corporation.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF SUCH RESOLUTION.

2. Election of Directors

Management of the Corporation proposes that the persons named in the following table be nominated for election as directors of the Corporation. All of the nominees for director are now directors of the Corporation and have been since the dates set opposite their names. An affirmative vote of a majority of the votes cast at the Meeting is sufficient for the election of directors. Each of the directors elected will hold office from the beginning of their respective terms until the close of the next annual meeting of Shareholders or until such director’s successor is duly elected or appointed.

In the event a nominee is unable to serve or will not serve, an event that management of the Corporation has no reason to believe will occur, the persons named in the accompanying form of proxy reserve the right to vote for another person at their discretion, unless a Shareholder has specified in the form of proxy that these shares are to be withheld from voting for the election of directors.

The following table sets forth the name of each person to be nominated by the management of the Corporation for election as a director, such person’s principal occupation, the period or periods of his service as a director of the Corporation, and the approximate number of Common Shares of the Corporation beneficially owned, or controlled or directed, directly or indirectly by such person as at September 2, 2015:

- (1) The information as to principal occupation, business or employment and shares beneficially owned or controlled is not within the knowledge of the management of the Corporation and has been furnished by the respective nominees. Each nominee has held the same or similar principal occupation with the organization indicated or a predecessor thereof for the last five years.
- (2) The approximate number of shares of the Corporation carrying the right to vote in all circumstances beneficially owned directly or indirectly, or over which control or direction is exercised by each proposed nominee as at the date hereof is based on information furnished by the transfer agent of the Corporation and by the nominees themselves.
- (3) Member of the Audit Committee

To the best of the Corporation's knowledge, no director or officer of the Corporation or a shareholder holding a sufficient number of securities of the Corporation to affect materially the control of the Corporation, is, or within the 10 years prior to the date hereof has been, a director or officer of any other issuer that, while that person was acting in that capacity, was the subject of a cease trade order or similar order or an order that denied the other issuer access to any statutory exemptions, for a period of more than 30 consecutive days, or became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets, except as follows:

Glen Macdonald was a director of Corniche Capital Ltd. ("Corniche") when it was halted by the TSX Venture Exchange ("TSXV") on August 4, 1999 and on October 5, 1999 for failure to complete a major transaction within the required time. Corniche was reorganized as Printlux.com, Inc. and on August 23, 2001 it completed its major transaction. Mr. Macdonald resigned as a director in August 2001 as part of this reorganization.

Mr. Macdonald has been a director of AVC Venture Corp. ("AVC") since November 1999. On November 25, 2002, AVC was halted by the TSXV for failure to complete a major transaction within the required time. Trading was reinstated on December 15, 2003. AVC was again halted on June 6, 2006 for failure to complete a major transaction. This halt remains in effect.

Mr. Macdonald has been a director of Dynamic Resources Corp. ("Dynamic") since September 1993. On May 1, 2009, a management cease trade order was issued against the securities of Dynamic held by Glen Macdonald for failure to file financial statements within the required time. The financial statements were subsequently filed, and the cease trade order expired as of July 10, 2009.

Mr. Macdonald has been a director of Maxim Resources Inc. ("Maxim") since May 2002. On May 4, 2009, a cease trade order was issued against Maxim for failure to file financial statements within the required time. The financial statements were subsequently filed, and the cease trade order expired August 4, 2009.

Mr. Sekora is a director of Loma Oil & Gas Ltd. ("Loma"). Loma was the subject of a cease trade order issued by the Alberta Securities Commission dated May 5, 2011 due to the failure to file its audited financial statements for the year ended December 31, 2010 within the required time. That order was revoked on September 12, 2011. Loma was the subject of a corresponding cease trade order issued by the British Columbia Securities Commission from May 10, 2011 to September 13, 2011. In addition, Loma is presently subject to cease trade orders issued by the Alberta Securities Commission dated May 3, 2012 and the British Columbia Securities Commission dated May 9, 2012 due to the failure to file its audited financial statements for the year ended December 31, 2011. Those orders have not yet been revoked.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED FOR SUCH RESOLUTION. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF SUCH NOMINEES WILL BE UNABLE TO SERVE AS DIRECTORS. HOWEVER, IF FOR ANY REASON, ANY OF THE PROPOSED NOMINEES DO NOT STAND FOR ELECTION OR ARE UNABLE TO SERVE AS SUCH, PROXIES IN FAVOUR OF MANAGEMENT DESIGNEES WILL BE VOTED FOR ANOTHER NOMINEE IN THEIR DISCRETION UNLESS THE SHAREHOLDER HAS SPECIFIED IN HIS OR HER PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

3. Appointment of Auditor

Management proposes to nominate Saturna Group Chartered Accountants LLP, Chartered Accountants as auditor of the Corporation to hold office until the next annual meeting of Shareholders.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF SATURNA GROUP, CHARTERED ACCOUNTANTS LLP, AS AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION. AN AFFIRMATIVE VOTE OF A

MAJORITY OF THE VOTES CAST AT THE MEETING IS SUFFICIENT FOR THE APPOINTMENT OF THE AUDITOR.

4. Approval of Stock Option Plan

The Corporation has adopted a Stock Option Plan. The purpose of the Plan established by the Corporation, pursuant to which it may grant incentive stock options, is to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to obtain and retain key individuals. The Plan provides an incentive for and encourages ownership of the Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Common Shares. The maximum number of options available under the Plan is equal to 10% of the outstanding shares of the Corporation from time to time. Pursuant to the Plan, the maximum number of Common Shares reserved for issuance in any 12 month period to any one optionee other than a consultant may not exceed 5% of the issued and outstanding Common Shares at the date of the grant. The maximum number of Common Shares reserved for issuance in any 12 month period to any consultant may not exceed 2% of the issued and outstanding Common Shares at the date of the grant and the maximum number of Common Shares reserved for issuance in any 12 month period to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding number of Common Shares at the date of the grant. Incentive stock options may not be exercised until the greater of 12 months after the completion of the Qualifying Transaction and 90 days following the date the optionee ceases to be a director, officer or employee of the Corporation or its Affiliates or a consultant or a management company employee, provided that if the cessation of such position or arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option.

To be consistent with the rules of the TSXV the Corporation has adopted a policy of submitting this “Rolling” Stock Option Plan for approval by shareholders each year at the Annual Meeting. As a result, the shareholders of the Corporation will be asked to consider and, if deemed advisable, pass a resolution to approve the Corporation’s Stock Option Plan and the granting of options thereunder.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF SUCH RESOLUTION.

SCHEDULE "A"

AUDIT COMMITTEE CHARTER

(Implemented pursuant to National Instrument 52-110 – *Audit Committees*)

National Instrument 52-110 – *Audit Committees* (the “Instrument”) relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Corporation. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Corporation wherein management solicits proxies from the security holders of the Corporation for the purpose of electing directors to the board of directors. The Corporation, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.

This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Committee in the oversight of the financial reporting process of the Corporation. Nothing in this Charter is intended to restrict the ability of the board of directors or Committee to alter or vary procedures in order to comply more fully with the Instrument, as amended from time to time.

PART 1

Purpose:

The purpose of the Committee is to:

- (a) improve the quality of the Corporation’s financial reporting;
- (b) assist the board of directors to properly and fully discharge its responsibilities;
- (c) provide an avenue of enhanced communication between the directors and external auditors;
- (d) enhance the external auditor’s independence;
- (e) increase the credibility and objectivity of financial reports; and
- (f) strengthen the role of the directors by facilitating in depth discussions between directors, management and external auditors.

1.1 Definitions

“Accounting principles” has the meaning ascribed to it in National Instrument 52-107 *Acceptable Accounting Principles, Auditing Standards and Reporting Currency*;

“Affiliate” means a Corporation that is a subsidiary of another Corporation or companies that are controlled by the same entity;
