“May SuperStore results were fantastic exceeding the 2,000 customers per day at \$75 average ticket we guided to when opening the SuperStore,” said Larry Scheffler, Co-CEO of Planet 13. “The SuperStore saw over 100,000 visitors in May, 71% from states outside of Nevada, 15% from outside the United States. It is the perfect platform to launch a national brand. Tyson Ranch, which is sold exclusively in the SuperStore, is now 5th highest selling flower and the 4th highest selling pre-roll in Nevada¹. Proof of what a high-quality 3rd party brand can do when on the SuperStore’s platform. Between Tyson Ranch and *TRENDI*² the SuperStore is now the exclusive seller of a top 5 brand in three product categories. We expect over the course of the year to announce innovative marketing agreements with well-known companies that will develop lasting connections with the SuperStore’s unique customer base and to introduce more of our own branded products targeting additional product categories.”

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward looking-statements relate to, among other things, future expansion plans.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: final regulatory and other approvals or consents; fluctuations in general macroeconomic conditions; fluctuations in securities markets; expectations regarding the size of the Nevada cannabis market and changing consumer habits; the ability of the Company to successfully achieve its business objectives; plans for expansion; political and social uncertainties; inability to obtain adequate insurance to cover risks and hazards; and the presence of laws and regulations that may impose restrictions on cultivation, production, distribution and sale of cannabis and cannabis related products in the State of Nevada; and employee relations. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.

The Company is indirectly involved in the manufacture, possession, use, sale and distribution of cannabis in the recreational and medicinal cannabis marketplace in the United States through its subsidiary MMDC. Local state laws where MMDC operates permit such activities however, these activities are currently illegal under United States federal law.
