

Planet 13 Announces New Flagship Experience Center with PAX

Las Vegas, Nevada – June 17, 2019 – Planet 13 Holdings Inc. (CSE: PLTH) (OTCQB: PLNHF) (“Planet 13” or the “Company”), a leading vertically-integrated Nevada cannabis company, announced today that it has aligned with PAX Labs (“PAX”), the leading vaporizer technology brand, to create a premium flagship display space within the Planet 13 Complex, featuring PAX devices and other accessories.

“We are pleased to partner with PAX to provide Planet 13 customers with a unique shopping experience. PAX products will be displayed in a significant merchandising area within the Planet 13 Superstore. The new PAX merchandising area will be designed to help educate consumers, and promote PAX devices, all while offering new experiences to Planet 13 customers,” said Larry Scheffler, Co-CEO of Planet 13. “The Superstore continues to see over 3,000 visitors a day on average, ~85% from out of state, making it the perfect place to introduce, educate, and create a lasting connection between a brand and a national customer base.”

“We are excited that Planet 13’s Las Vegas Entertainment Complex has chosen to feature PAX products,” said Paige Guzman VP of Marketing at PAX Labs. “As one of the largest retailers in Nevada, Planet 13 represents a great opportunity to showcase PAX’s complete line-up of technologically advanced vaporizers to consumers from all over the world.”

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward looking-statements relate to, among other things, future expansion plans.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: final regulatory and other approvals or consents; fluctuations in general macroeconomic conditions; fluctuations in securities markets; expectations regarding the size of the Nevada cannabis market and changing consumer habits; the ability of the Company to successfully achieve its business objectives; plans for expansion; political and social uncertainties; inability to obtain adequate insurance to cover risks and hazards; and the presence of laws and regulations that may impose restrictions on cultivation, production, distribution and sale of cannabis and cannabis related products in the State of Nevada; and employee relations. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law. The Company is indirectly involved in the manufacture, possession, use, sale and distribution of cannabis in the recreational and medicinal cannabis marketplace in the United States through its subsidiary MMDC. Local state laws where MMDC operates permit such activities however, these activities are currently illegal under United States federal law. Additional information regarding this and other risks and uncertainties relating to the Company's business are contained under the

heading "Risk Factors" in the Company's annual information form dated October 18, 2018 filed on its issuer profile on SEDAR at www.sedar.com.
