

Planet 13's Phase II Expansion Drove Increased Customer Engagement and a Record Number Of Average Daily Tickets in February

~48% YoY revenue growth through the first two months of 2020

All figures are reported in United States dollars (\$) unless otherwise indicated

Las Vegas, Nevada – March 9, 2020 – Planet 13 Holdings Inc. (CSE: PLTH) (OTCQX: PLNHF) (“Planet 13” or the “Company”), a leading vertically-integrated Nevada cannabis company, today announced it served an average of ~2,200 customers per day in February while maintaining an average ticket of ~\$100.00. The addition of Phase II – the customer-facing production facility, restaurant, and event space – along with increased awareness of the SuperStore has driven year over year same store growth of ~48% through the first two months of 2020.

“The customer-facing production facility and restaurant have been a clear driver of customer traffic and have led to our visitors spending more time enjoying all the unique features of the SuperStore complex, increasing average ticket size. Our vision for the SuperStore is coming to fruition. It is a one of a kind complex full of related activities and attractions that improve the cannabis shopping experience, drives cross-promotion, provides entertainment, and increases sales,” said Bob Groesbeck, Co-CEO of Planet 13.

dispensary operations and a creator of innovative cannabis products. Planet 13's shares trade on the Canadian Stock Exchange (CSE) under the symbol PLTH and OTCQX under the symbol PLNHF.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward looking-statements relate to, among other things, future expansion plans.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: final regulatory and other approvals or consents; fluctuations in general macroeconomic conditions; fluctuations in securities markets; expectations regarding the size of the Nevada cannabis market and changing consumer habits; the ability of the Company to successfully achieve its business objectives; plans for expansion; political and social uncertainties; inability to obtain adequate insurance to cover risks and hazards; and the presence of laws and regulations that may impose restrictions on cultivation, production, distribution and sale of cannabis and cannabis related products in the State of Nevada; and employee relations. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.

The Company is indirectly involved in the manufacture, possession, use, sale and distribution of cannabis in the recreational and medicinal cannabis marketplace in the United States through its subsidiary MM Development Company, Inc. (or "MMDC"). Local state laws where MMDC operates permit such activities however, these activities are currently illegal under United States federal law. Additional information regarding this and other risks and uncertainties relating to the Company's business are contained under the heading "Risk Factors" in the Company's annual information form dated April 30, 2019 filed on its issuer profile on SEDAR at www.sedar.com.
