

Planet 13 Begins Drafting Application to Add a Consumption Lounge to SuperStore

Las Vegas, Nevada – July 12, 2022 – Planet 13 Holdings Inc. (CSE: PLTH) (OTCQX: PLNHF) (“**Planet 13**” or the “**Company**”), a leading vertically-integrated multi-state cannabis company, applauds the Nevada Cannabis Compliance Board (“CCB”) on the passing of Nevada cannabis lounge legislation. The Company intends to apply for a lounge license and expects to be a successful applicant. The initial plan is to convert Planet 13’s Trece restaurant space to a consumption lounge, restaurant and entertainment experience. The Planet 13 Entertainment Complex will be the first of its kind space where a consumer can watch products being made, purchase and consume all under one roof. A true luxury, tourist friendly lounge close to the Las Vegas Strip.

“Our location close to the Las Vegas strip is ideal for a cannabis consumption lounge and we look forward to converting Trece restaurant to a full-service lounge to host our visitors in a first of its kind, exciting environment characteristic of the Planet 13 experience,” said Bob Groesbeck, Co-CEO of Planet 13. “By converting our existing restaurant, we can quickly build a world class lounge in a cost-efficient manner and begin to serve customers sooner.”

Trece is currently an approximately 4,500 sq. ft. restaurant permitted for occupancy of up to 388 people. The planned conversion would allow onsite consumption under the Nevada regulations approved on June 28, 2022.
