

First Harvest Underway at Nevada Cultivation Expansion

Las Vegas, Nevada – September 26, 2022 – Planet 13 Holdings Inc. (CSE: PLTH) (OTCQX: PLNHF) (“**Planet 13**” or the “**Company**”), a leading vertically-integrated multi-state cannabis company, today announced the receipt of the necessary approvals to operate its 22,000 square foot Nevada cultivation expansion and the planting of the first harvest from new grow rooms ahead of the previously forecasted timeline of Q4 2022.

“We are thrilled to be able to expand our supply of premium quality flower for our popular Medizin, TRENDI, and Leaf & Vine flower lines. The expanded cultivation will also support our TRENDI vape and concentrates and HaHa edibles which are among the top selling brands in their respective categories in Nevada,” said Larry Scheffler, Co-CEO of Planet 13. “I commend the team for their work getting this project done ahead of schedule enabling us to increase vertical integration, share of shelf at both the SuperStore and in the wholesale market, and ultimately profitability.”

Cautionary Note Regarding Forward-Looking Information

This news release contains “forward-looking information” and “forward-looking statements” (collectively, “forward-looking statements”) within the meaning of applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news

release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as “expects”, or “does not expect”, “is expected”, “anticipates” or “does not anticipate”, “plans”, “budget”, “scheduled”, “forecasts”, “estimates”, “believes” or “intends” or variations of such words and phrases or stating that certain actions, events or results “may” or “could”, “would”, “might” or “will” be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward looking statements relate to the Company’s recently completed Nevada cultivation facility expansion.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: risks associated with COVID-19 and other infectious diseases presenting as major health issues; fluctuations in general macroeconomic conditions; fluctuations in securities markets; expectations regarding the size of the Nevada and California cannabis market or other states in which the Company may operate and changing consumer habits; the ability of the Company to successfully achieve its business objectives; plans for expansion; political and social uncertainties; inability to obtain adequate insurance to cover risks and hazards; and the presence of laws and regulations that may impose restrictions on cultivation, production, distribution and sale of cannabis and cannabis related products in states in which we operate or contemplate future operations; and employee relations. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.

The Company is indirectly involved in the manufacture, possession, use, sale and distribution of cannabis in the recreational and medicinal cannabis marketplace in the United States through licensed subsidiary entities in states that have legalized marijuana operations, however, these activities are currently illegal under United States federal law. Additional information regarding this and other risks and uncertainties relating to the Company's business, including COVID-19, are contained under the heading "Risk Factors" and elsewhere in the Company's Form 10-K dated March 28, 2022 as filed on its issuer profile on SEDAR at www.sedar.com.
