Las Vegas, Nevada – May 9, 2024 – Planet 13 Holdings Inc. (CSE: PLTH) (OTCQX: PLNH) (“Planet 13” or the “Company”), a leading vertically-integrated multi-state cannabis company, today announced its financial results for the three-month period ended March 31, 2024. Planet 13’s financial statements are prepared in accordance with U.S. Generally Accepted Accounting Principles (“GAAP”).

“With the recent news around rescheduling from schedule I to schedule III, it is an exciting time to be in the cannabis industry. The removal of the punishing 280e tax treatment fundamentally alters our cash flow and net income potential. We are preparing to capitalize on this change by instituting a new growth plan aimed at offsetting the continued pricing pressure in the Nevada market. Emblematic of this strategy is the growth from our growing Neighborhood store network which counterbalanced the decline in the Nevada market. With the close of VidaCann we are going to continue adding Neighborhood stores, increasing revenue and operating leverage to allow us to generate more cashflow, particularly as we approach the post 280e tax landscape,” stated **Larry Scheffler, Co-CEO of Planet 13**.

“The beginning of 2024 has seen significant strides in advancing our growth objectives. We opened our DAZED! cannabis lounge in April, and we are on the verge of closing the VidaCann acquisition, giving us a top-10 position in the Florida market. The VidaCann team has driven incredible growth over the last year, and we eagerly anticipate sustaining this momentum as the state moves towards the thrilling possibility of adult-use legalization,” commented **Bob Groesbeck, co-CEO of Planet 13**. “This is just the start of an exciting multi-year growth plan as we take Planet 13 from a local brand with a global following to a true national brand.”
