

ST-GEORGES NAMES HERB DUERR TO ITS BOARD OF DIRECTORS

Montreal, Quebec, December 11th, 2012 – St-Georges Platinum and Base Metals Ltd. (OTCQX: SXOOF) (CNSX: SX) (BSE: 85G) is pleased to report changes to its board of directors.

Mr. Herb Duerr, P. Geo, has accepted the position of independent director on the board of St-Georges. He will join Mr. Guy Simard, elected earlier this fall by the shareholders in replacement of Mr. Anthony Garson who did not run for re-election. Mr. Duerr will help the board to revise its development strategies and projects portfolio. He will also replace Mrs. Linda Thorstad on different committees. Mrs. Thorstad resigned from the board of St-Georges earlier this month to pursue other professional endeavours.

Mr. Guy Simard, director of St-Georges commented: “We are happy to welcome someone of the calibre of Mr. Duerr to our board of directors. (...) We expect that with the expertise of Mr. Duerr, the board will be able to redefine its goals and targets in regards to its portfolio of projects, present the results and assets of the Company to the investment community and attract additional high quality candidates to strengthen our team (...)”.

The current board now consists of:

Francois (Frank) Dumas, Chairman, President, CEO and Director.

Mark Billings, CFO and Director.

David Grand, Director.

Guy Simard, Director.

Herb Duerr, Director.

About Herb Duerr

Herb Duerr is a member of the American Institute of Professional Geologists, Geological Society of Nevada, Arizona Geological Society, and Society of Economic Geologists. He is a graduate of Florida Atlantic University with a BS in Geology, and has over 30 years of experience in the mineral exploration field. His tenure includes consulting work for junior and major mineral exploration companies including Selection Trust, US Minerals Exploration, BP Minerals, Kennecott, Brancote, Noranda, Hemlo, Rio Algom, North Mining and others.

He has been involved with major mineral discoveries in North America and the Caribbean including the Alligator Ridge deposit in Nevada, the Montana Tunnels deposit in Montana and the Bruner Gold discovery in Nevada. Mr. Duerr is also the owner of Desert Pacific Exploration which identifies and assesses base and precious metals properties. He is also a co-owner of MinQuest Inc. and Nevada Mine Properties II, which both own mineral exploration properties and provide management services.

Mr. Duerr is currently a director of Canamex Resources Corp (TSX-V: CSQ), Iconic Minerals Inc. (TSX-V: ICM) and American Consolidated Minerals Inc. (TSX-V: AJC)

ON BEHALF OF THE BOARD OF DIRECTORS

Guy Simard, director
GUY SIMARD, DIRECTOR
