

Closing of a \$1,925,000 Financing Offering for the Manicouagan Critical Minerals Project.

-FOR IMMEDIATE RELEASE-

Montréal, November 23, 2023 – St-Georges Eco-Mining Corp. (CSE: SX) (OTC: SXOOF) (FSE: 85G1) is pleased to announce that it has closed a non-brokered private placement of 14,259,260 “flow-through” units **at a price of \$0.135** per Unit, for aggregate gross proceeds of **\$1,925,000**.

The financing was arranged with two institutional investors who have supported the Company’s efforts to explore the Manicouagan project over the years. This cash injection will allow the Company to immediately send a significant amount of historical core samples to be tested for palladium, platinum, rhodium & other PGEs, obtain the results of the 2023 Spring Campaign and finance a portion of the 2024 planned Spring Campaign. It is expected that the analysis data will be integrated to the final version of the NI 43-101 report currently being prepared.

Each FT Unit is comprised of one common share in the capital of the Corporation (the “Shares”) on a “flow-through” basis (each, a “FT Share”) and one FT Share purchase warrant (each, a “FT Warrant”). Each FT Warrant entitles the holder thereof to purchase one Share at an exercise price of \$0.175 per share until November 23, 2025 (the “Expiry Date”). In the event the trading price of the Shares of the Corporation on the Canadian Securities Exchange (the “CSE”) reaches \$0.25 on any single day, the Corporation may accelerate the Expiry Date by issuing a notice to the holder (the “Notice”). In such case, the Expiry Date shall be deemed to be the date specified in the Notice.

In connection with the Offering, the Corporation paid a cash finder's fee of \$115,500 and issued an aggregate of 855,556 compensation warrants (each, a “Compensation Warrant”) to an arm’s length finder. Each Compensation Warrant entitles the holder thereof to acquire one common share in the capital of the Corporation at a price of \$0.175 for a 2-year period from the closing date. All securities issued pursuant to the Offering are subject to the applicable statutory hold period ending March 24, 2024. The Offering is subject to the approval of the CSE.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
