

## **St-Georges Closes First Tranche of its Financing Offering**

**-FOR IMMEDIATE RELEASE-**

**Montréal, September 6, 2024 – St-Georges Eco-Mining Corp. (CSE: SX) (OTC: SXOOF) (FSE: 85G1)** is pleased to announce that it has closed a first tranche of its non-brokered private placement of 10,360,438 hard-cash units at a price of \$0.06 per Unit. Aggregate gross proceeds for this first tranche is **\$621,626.28**.

Each Unit is comprised of one common share in the capital of the Corporation (the “Shares”) and one-half purchase unit warrant (each, a “Half-Warrant”). Each Unit Warrant entitles the holder thereof to purchase one Share at an exercise price of \$0.08 per share for a period of 24 months following the closing of the financing offering (the “Expiry Date”). In the event the trading price of the Shares of the Corporation on the CSE reaches \$0.12 on any single day, the Corporation may accelerate the Expiry Date by issuing a notice to the holder. On execution of a full unit warrant, the holder will receive one common share and a warrant that entitles the holder thereof to purchase one Share at an exercise price of \$0.12 per share for a period of 24 months from the date of the execution. In the event the trading price of the Shares of the Corporation on the CSE reaches \$0.18 on any single day, the Corporation may accelerate the Expiry Date of that warrant by issuing a notice to the holder.

In connection with the Offering, the Corporation paid a cash finder's fee of \$5,040 and issued an aggregate of 84,000 compensation warrants to an arm’s length finder.

The Offering is subject to the approval of the CSE.

### **Use of Proceeds**

The proceeds from this offering will be used to complete the permitting modification process, install and commission a large multi-chemistry battery processing line, support the Thorold battery recycling plant and its operational cash flow, and for general and administrative expenses.

### **Securities Hold Period**

In accordance with applicable Canadian securities laws, the Common Shares and Warrants issued under the Offering, as well as any Common Shares issuable upon exercise of the Warrants, are subject to a statutory hold period of four months and one day from the date of issuance. During this period, these securities may not be traded or otherwise transferred except in compliance with the prospectus exemptions of applicable securities legislation.

### **US Securities Act**

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States

Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

### **Multilateral Instrument 61-101**

Certain insiders of the Corporation participated in the First Tranche for a total of \$397,000.02, which is a “related party transaction” within the meaning of Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions (“MI 61-101”). The issuances to the insiders are exempt from the valuation requirement of MI 61-101 by virtue of the exemption contained in section 5.5(b) as the Corporation’s shares are not listed on a specified market and from the minority shareholder approval requirements of MI 61-101 by virtue of the exemption contained in section 5.7(a) of MI 61-101 in that the fair market value of the consideration of the securities issued to the related parties did not exceed 25% of the Corporation’s market capitalization.

### **Other Developments**

#### **H2SX Corp.**

**On August 1, 2024**, the Company announced that its hydrogen technology subsidiary, H2SX Corp., secured a financing agreement with a private Canadian company under a Non-Disclosure Agreement. H2SX management has notified St-Georges that they remain committed to completing the proposed transaction but cannot provide more clarity on the timeline at the moment. Management will provide material updates as they become available. If the transaction was to not complete for reason outside of the Company’s control, resources will be reassigned to finance and advance the subsidiary as was initially planned.
