Cautionary Statement Regarding Forward-Looking Information

This material change report includes certain “forward-looking statements” within the meaning of that phrase under Canadian securities laws. Without limitation, statements regarding future plans and objectives of the Company are forward looking statements that involve various degrees of risk. Forward-looking statements reflect management's current views with respect to possible future events and conditions and, by their nature, are based on management's beliefs and assumptions and subject to known and unknown risks and uncertainties, both general and specific to the Company. Although the Company believes the expectations expressed in such forward-looking statements are reasonable, undue reliance should not be placed on such information and statements and such statements are not guarantees of future performance and actual results or developments may differ materially from those in our forward-looking statements. The following are important factors that could cause the Company's actual results to differ materially from those expressed or implied by such forward looking statements include, but are not limited to: the timing of the name change on the Canadian Securities Exchange, over the counter market and Frankfurt Stock Exchange and that the Company's shares will trade under the new ticker “CRCC” at the same time. Additional information regarding the material factors and assumptions that were applied in making these forward-looking statements as well as the various risks and uncertainties are described in greater detail in the "Risk Factors" section of annual and interim Management's Discussion and Analysis of the Company and other continuous disclosure documents and financial statements under its profile available at www.sedar.com. The Company undertakes no obligation to update this forward-looking information except as required by applicable law. The Company relies on litigation protection for forward looking statements.
