Green Thumb Industries Reports Third Quarter 2023 Results

CHICAGO and VANCOUVER, British Columbia, November 8, 2023 (GLOBE NEWSWIRE) — Green Thumb Industries Inc. (“Green Thumb” or the “Company”) (CSE: GTII) (OTCQX: GTBIF), a leading national cannabis consumer packaged goods company and owner of RISE Dispensaries, today reported its financial results for the third quarter ended September 30, 2023. Financial results are reported in accordance with U.S. generally accepted accounting principles (“GAAP”) and all currency is in U.S. dollars.

Highlights for the third quarter and nine months ended September 30, 2023:

- Third quarter revenue of \$275 million increased 9% sequentially.
- GAAP net income for the third quarter of \$11 million or \$0.05 per basic and diluted share.
- Adjusted EBITDA for the third quarter was \$83 million or 30% of revenue.
- Third quarter cash flow from operations was \$61 million, bringing the year-to-date total to \$154 million.
- Cash at quarter end totaled \$137 million.
- Share repurchases of \$25 million during the quarter, over 1% of shares outstanding.
- Adult-use cannabis sales commenced at four RISE Dispensaries in Maryland on July 1.
- RISE Dispensaries opened in Las Vegas, Nevada and Fruitland Park, Florida.

Additionally, after quarter end, the Company opened RISE Dispensaries in Brandon and Sun City Center, Florida, and announced the opening of a RISE Dispensary in Clearwater, Florida on November 10.

See definitions and reconciliation of non-GAAP measures elsewhere in this release.

Management Commentary

“I’m pleased to report that our team delivered a great third quarter, including record revenue of \$275 million and GAAP net income of \$11 million or \$0.05 per basic and diluted share. Adjusted EBITDA was \$83 million or 30% of revenue. Nine-month cash flow from operations was \$154 million and we ended the quarter with a strong balance sheet including \$137 million in cash, net of the share buyback,” said Green Thumb Founder, Chairman and Chief Executive Officer Ben Kovler. “Our third quarter performance was largely driven by the July 1 launch of adult-use sales in Maryland. I want to give a special thanks to all our team members who helped make our first few months of adult-use in Maryland a success.”

Green Thumb President Anthony Georgiadis added, “We are proud of the team’s results in the third quarter, and how we are positioned going into 2024. Our obsessive focus on operational efficiency, working capital management, and cash flow generation has allowed us to continue to generate strong revenue and profitability performance despite continued macro-economic and pricing headwinds in some of our markets.”

Third Quarter 2023 Financial Overview

Total revenue for the third quarter 2023 was \$275.4 million, up 5.4% from the prior year period. The increase in revenue was primarily driven by increased retail and consumer packaged goods sales in Maryland, reflecting the legalization of adult-use cannabis on July 1.

Overall retail revenue increased 2.9% versus the third quarter of 2022. Third quarter 2023 comparable sales (stores open at least 12 months) increased 0.2% versus the prior year on a base of 77 stores. Consumer Packaged Goods gross revenue increased 17.8% versus the third quarter of 2022.

Gross profit for the third quarter 2023 was \$133.8 million or 48.6% of revenue compared to \$131.2 million or 50.2% of revenue year-over-year. The decrease in gross margin was primarily driven by price compression, while the increase in gross profit was directly attributed to the revenue increases described above.

Total selling, general and administrative expenses for the third quarter were \$84.8 million or 30.8% of revenue, compared to \$82.5 million or 31.6% of revenue for the third quarter 2022. The increase in total expenses was primarily due to increased expenses associated with opening new stores, as well as the launch of adult-use cannabis sales in Maryland.

Net income attributable to the Company for the third quarter 2023 was \$10.5 million or \$0.05 per basic and diluted share, compared to net income of \$9.8 million, or income of \$0.04 per basic and diluted share in the prior year period.

In the third quarter 2023, EBITDA was \$74.7 million or 27.1% of revenue versus \$73.3 million or 28.1% of revenue for the comparable period. Adjusted EBITDA, which excluded non-cash stock-based compensation of \$7.2 million and other non-operating adjustments of \$1.1 million, was \$83.0 million or 30.1% of revenue as compared to \$84.5 million or 32.3% of revenue for the third quarter 2022.

For additional information on these non-GAAP financial measures, see below under “Non-GAAP Financial Information.”

Balance Sheet and Liquidity

As of September 30, 2023, current assets were \$320.2 million, including cash and cash equivalents of \$136.8 million. Total debt outstanding was \$298.5 million.

Total basic and diluted weighted average shares outstanding for the three months ended September 30, 2023, were 239.5 million shares and 240.3 million shares, respectively.

Business Developments

- On July 1, 2023, Green Thumb commenced adult-use sales at its four Maryland RISE Dispensaries in Hagerstown, Joppa, Silver Spring and Bethesda. Each store donated a portion of profits from the first day of adult-use sales to a local nonprofit organization, including [Mission of Love Charities](#), [Explore MD Cannabis](#), and [I Support The Girls](#).
- On August 2, 2023, Green Thumb opened RISE Dispensary Las Vegas on Craig Road; profits from the grand opening were donated to [Opportunity Village](#).

- On August 16, 2023, Green Thumb opened RISE Dispensary Fruitland Park in Florida; profits from the grand opening were donated to Minorities for Medical Marijuana.

Subsequent to quarter end, on October 14, 2023, Green Thumb opened RISE Dispensary Brandon in Florida, and donated profits from the grand opening to Florida Justice Center. On October 27, 2023, Green Thumb opened RISE Dispensary Sun City Center in Florida, and donated profits from the grand opening to Minorities for Medical Marijuana. The Company also announced plans to open a RISE Dispensary in Clearwater, Florida on November 10, 2023, with profits from the grand opening to be donated to Minorities for Medical Marijuana.

RYTHM Artist Series

Also subsequent to quarter end, on October 2, 2023, Green Thumb announced the launch of its RYTHM Artist Series, a collection of cannabis strains that are chosen (and smoked) by artists spanning multiple genres of music. Inspired by the artists' lifestyle and brand, each strain aligns with the artist's specific tastes, consumption preferences, and desired effects, and is complemented by its own unique strain name and packaging design. The RYTHM Artist Series kicked off with country artist Mitchell Tenpenny's Night Owl Haze, which is currently available exclusively at RISE Dispensaries in Florida, with an upcoming launch in Illinois later this month. Additional strain collaborations with talented and passionate artists such as pop-punk band State Champs, Nashville-based rock singer-songwriter Marcus King, and R&B and pop singer Tinashe will launch in the coming months.

Capital Allocation

In September 2023, the Board of Directors authorized a new one-year \$50 million program to repurchase up to approximately 10.5 million of the Company's Subordinate Voting Shares. In the quarter ended September 30, Green Thumb repurchased 2.5 million shares, over 1% of shares outstanding, for \$25 million.

Green Thumb is not obligated to purchase any additional shares. If management determines it has better uses for its cash reserves, including for debt refinancing, strategic mergers and acquisitions or net working capital, it is under no obligation to purchase shares and share purchases may be suspended or terminated at any time at Green Thumb's discretion. The actual number of shares purchased, timing of purchases and share price will depend upon market conditions at the time and securities law requirements. All shares acquired will be returned to treasury and cancelled.

Board of Directors

In September 2023, Green Thumb announced that Richard Reisin and Hannah (Buchan) Ross were appointed to its Board of Directors (the "Board") as independent members. Reisin formerly served as Executive Vice President and Director at Carylton Corporation and has joined the Company's audit committee. Ross is the Chief Operating Officer of Edie Parker and has joined the audit and compensation committees of the Board. The appointments bring the Company's Board to a total of nine members.

Supplemental Information (Unaudited) Regarding Non-GAAP Financial Measures
For the Three Months Ended September 30, 2023, June 30, 2023 and September 30, 2022
(Amounts Expressed in Thousands of United States Dollars)

EBITDA, and Adjusted EBITDA are non-GAAP measures and do not have standardized definitions under GAAP. We define each term as follows:

- (1) EBITDA is defined as earnings before interest, taxes, other income or expense and depreciation and amortization.
- (2) Adjusted EBITDA is defined as earnings before interest, taxes, depreciation, and amortization, adjusted for other income, non-cash share-based compensation, one-time transaction related expenses, or other non-operating costs.

The following information provides reconciliations of the supplemental non-GAAP financial measures, presented herein to the most directly comparable financial measures calculated and presented in accordance with GAAP. The Company has provided the non-GAAP financial measures, which are not calculated or presented in accordance with GAAP, as supplemental information and in addition to the financial measures that are calculated and presented in accordance with GAAP. These supplemental non-GAAP financial measures are presented because management has evaluated the financial results both including and excluding the adjusted items and believe that the supplemental non-GAAP financial measures presented provide additional perspective and insights when analyzing the core operating performance of the business. These supplemental non-GAAP financial measures should not be considered superior to, as a substitute for or as an alternative to, and should be considered in conjunction with, the GAAP financial measures presented.
